- Emergency services.
- Out-of-network urgent care while out of the service area.
- Preventive health services (including immunizations) in-network.
- Obstetrician and gynecological services in-network.
- Sexual and reproductive health care services in-network.
- Certain behavioral health and substance use disorder services in-network.

Call Your PCP directly to set up a visit. To obtain a listing of the Network Primary Care Physicians in the IEHP Service Area, visit the IEHP website at iehp.org and click "Find a doctor." You can also call IEHP Member Services 1-855-433-IEHP (4347) (TTY 711).

Selecting a Primary Care Physician

Each member of Your household that is enrolled with IEHP may select a different PCP. Contact IEHP Member Services to select a PCP. If You and Your Enrolled Dependent(s) did not select a PCP after enrolling, IEHP will assign a PCP based on:

- The language You speak.
- The distance to a PCP office from Your house. We try to assign You a PCP within 10 miles.
- The PCP's specialty most appropriate for the Member's age.

For children, a pediatrician may be assigned as the PCP. Until You make Your PCP choice, IEHP assigns one for You.

Changing Your PCP

If You would like to change Your or Your Dependent's PCP, please call IEHP Member Services at 1-855-433-IEHP (4347) (TTY 711). You may also make this change by visiting the IEHP website at iehp.org.

The requested PCP change will be effective the following day.
