

Community-Based Adult Services

IEHP Members who qualify for CBAS are 18 years or older and tend to:

- ♥ Be in poor health
- ♥ Have multiple ER visits or hospitalizations
- ♥ Need prompting or supervision for daily activities
- ♥ Have no family/caregiver or are socially isolated
- ♥ Lack awareness or have confusion
- ♥ Be at risk for wandering

IEHP Members may also qualify if their caregiver needs respite.

Common diagnoses that may qualify include:

- ♥ Behavioral Health
- ♥ Alzheimer's/Dementia
- ♥ Chronic Illness or a Developmental Disability

Qualified IEHP Members can attend a CBAS Center 2-5 days a week and receive these services:

- ♥ Transportation to and from the center
- ♥ Intermittent nursing and ongoing monitoring
- ♥ Social services
- ♥ Therapeutic services: PT, OT, ST
- ♥ Behavioral Health
- ♥ Nutrition counseling
- ♥ A healthy lunch at the center
