IEHP DualChoice Formulary: WHAT YOU NEED TO KNOW

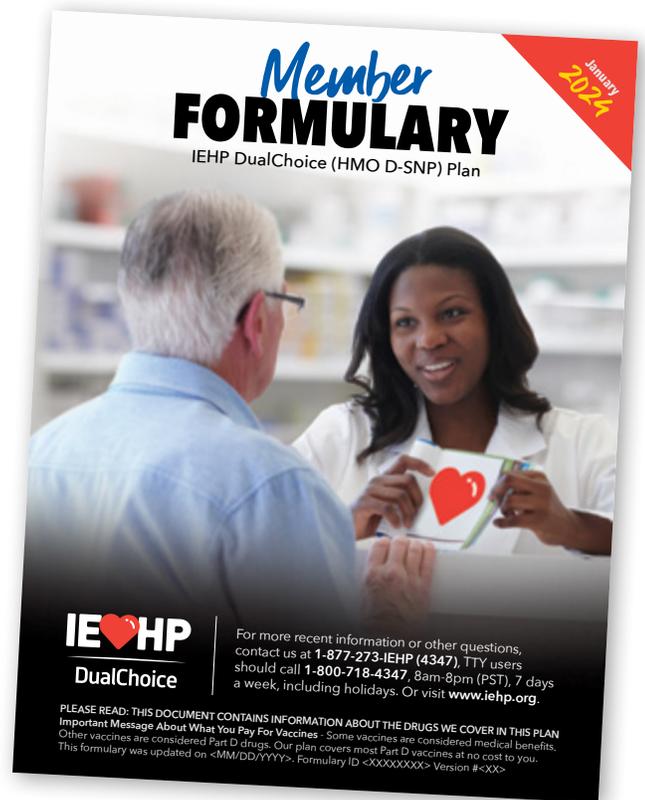

Our Formulary is a list of drugs covered by IEHP DualChoice (HMO D-SNP). It helps make sure we offer you safe drugs that work well.

You can access the updated Formulary (and the Formulary Change Log) anytime on our website. For a direct link, visit bit.ly/3mjOyTP.

What if your drug is not covered?

Call your doctor's office. Your doctor may:

- Change your drug to a covered drug.
- Decide your drug is "medically necessary" and fill out a Prior Authorization (PA) form.
- If a PA is needed, your doctor will send the forms to your pharmacy.

To learn more, please see your Member Handbook. You may also call IEHP DualChoice Member Services. The number is on the back of your member card.

Note: The Drug List may change year-round.

Our Mission Moments

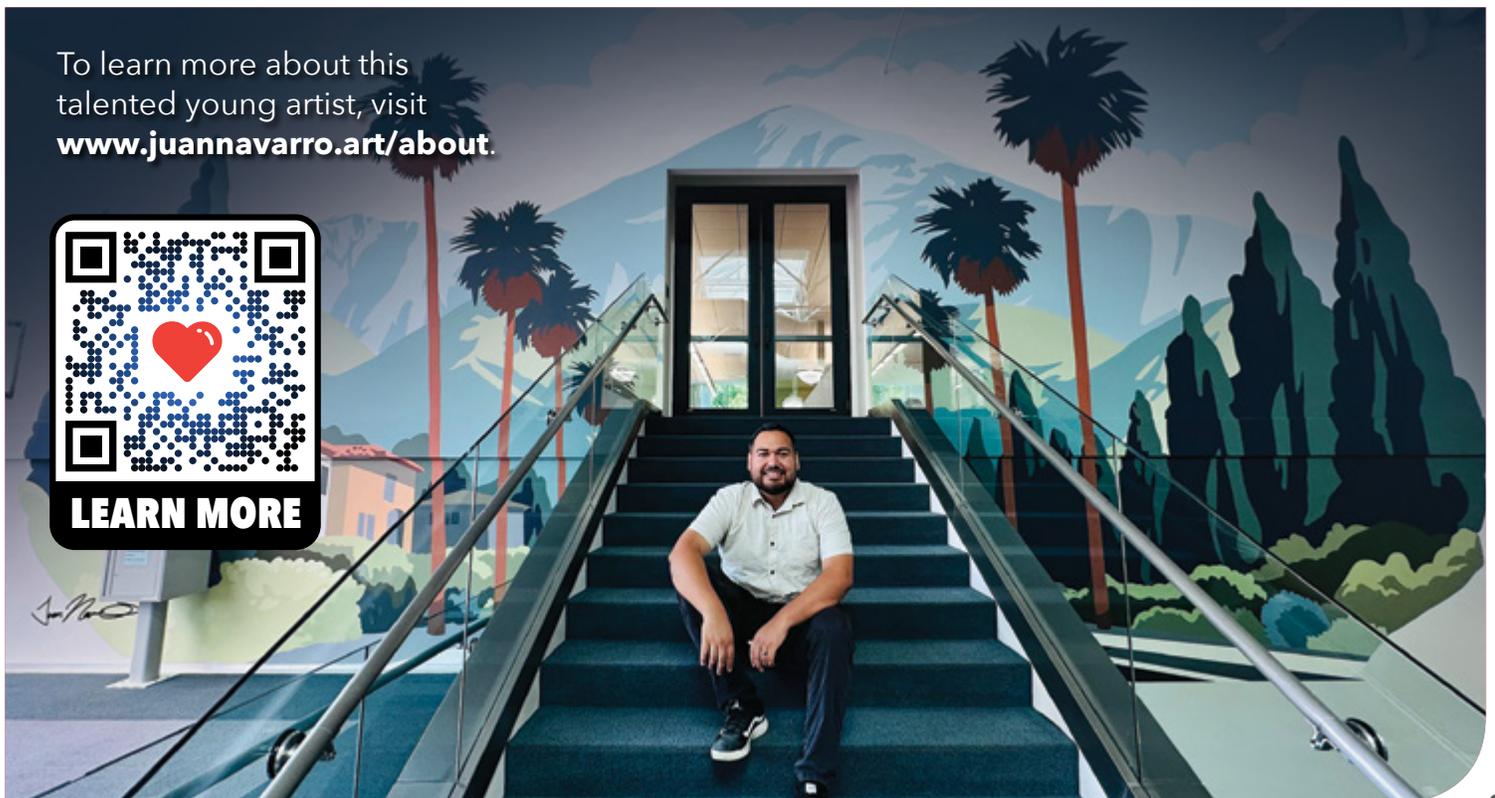

IEHP teams up with Riverside muralist Juan Navarro

At IEHP DualChoice, we heal and inspire the human spirit. Riverside-based muralist Juan Navarro hopes to do the same with his art. Navarro, who recently visited the White House as a National Medal recipient, is the artist-in-residence at Riverside Art Museum. Inspired by his Mexican American roots, Navarro leaves his mark on communities and organizations serving diverse populations with each swipe of his paint brush. He has more than 15 public works on display in communities like Riverside and is the owner and operator of Eastside Arthouse. That's why we were so excited for the chance to

work with him to create several full-scale murals at our headquarters in Rancho Cucamonga – murals that would celebrate the tapestry that makes the Inland Empire so special. The first mural is now complete in a central part of our headquarters – known as the Atrium – where hundreds of people visit daily.

“We went through a lot of different versions of topics,” Navarro said, “but this one [an homage to a tree-lined street in Riverside] was the best fit for this space, and we decided to focus on the regions IEHP DualChoice serves across Riverside and San Bernardino counties.”

Yearly Well-Care Visits:

GET BACK TO GOOD HEALTH

Making sure you see your doctor for yearly well-care visits is a great way to stay healthy and prevent health problems. That's because the well-care visit is more than just a physical exam. It includes a Health Risk Assessment, a personalized prevention plan and will likely include:

- Routine measurements (like height, weight, and blood pressure)
- A review of medical and family history
- A review of current medicines
- Personalized health advice
- Advance care planning
- A cognitive and functional assessment

Don't wait until you get sick. Call your doctor today and set up a well-care visit.

Did You Know?

You can get medical advice 24 hours a day, 7 days a week. Call the IEHP 24-Hour Nurse Advice Line. Our trained nurses can offer medical advice right over the phone. They can also help guide you to the care you need, whether it's an urgent care center near you or another call with a doctor via video or phone chat.

Call 1-888-244-IEHP (4347). TTY users should call 711.

Q Do antibiotics help with the flu?

A No. Antibiotics only treat infections caused by bacteria. The flu is an infection caused by a virus. This means an antibiotic will not work against the flu.

Mail your questions to – Ask the Doctor –
IEHP DualChoice, P.O. Box 1800,
Rancho Cucamonga, CA 91729-1800

Get the shot **NOT THE FLU**

The Centers for Disease Control and Prevention (CDC) recommends the flu shot each year for everyone 6 months old and older, with few exceptions. For those who are at high risk for complications, a flu shot is vital. This includes people who are pregnant, 65 and older, and residents of nursing homes and long-term care facilities.

All IEHP DualChoice members can get a FREE flu shot from their doctor. Adult members can also get their free flu shot at certain network pharmacies, like CVS, Rite Aid and Walgreens. Just be sure to call first to set up your visit. Also, if you get your flu shot at work or from a clinic outside our network, please be sure to tell your doctor, so your records can be updated.

If you do get the flu but can't reach your doctor, call the IEHP 24-Hour Nurse Advice Line anytime at 1-888-244-IEHP (4347). TTY users should call 711.
