

2. Perinatal Service Component

PROGRAM GOAL

To ensure that all IEHP Members who are pregnant receive appropriate and timely prenatal care.

PROGRAM OVERVIEW

Participating OB/GYN Specialists are incentivized between \$75 and \$200 for an eligible visit, documented on the Pregnancy Notification Outcome (PNO) Report. Total potential incentive – including Postpartum visit – is \$550.

WHO CAN PARTICIPATE

Any IEHP Physician credentialed for obstetrical and/or gynecological services.

WHICH MEMBERS ARE ELIGIBLE

Any pregnant Member who is enrolled in one of these programs: Medi-Cal or IEHP DualChoice. Plus, the Member must be active on the date of service (DOS) the perinatal visit is performed.

INCENTIVE

- \$200 for 1st trimester
- \$75 for 2nd trimester
- \$75 for 3rd trimester
- Incentives are paid within 30 working days of receipt of a complete PNO form submitted online

HOW TO REPORT PERINATAL SERVICES

Complete a Pregnancy Notification Outcome Report online at www.iehp.org and indicate appropriate CPT codes for the prenatal visit.

(Note: Cervical Cytology Test performed during prenatal visit can be reported online using the same PNO form)

The Pregnancy Notification Outcome Report must be submitted online to IEHP **within one month from the date of service** and must meet IEHP's submission standards to qualify for incentive.

WHERE TO SUBMIT THE FORMS

Submit online at www.iehp.org. Log in to the IEHP Secure Provider Portal and click on the P4P button. **Need help?** Refer to the online P4P Submission Training Manual or call the Provider Relations Team at (909) 890-2054.

FOR CORRECTIVE RESUBMISSIONS ONLY

IEHP will only accept corrective resubmissions on paper. Submit corrections to IEHP **within 60 days** of the initial electronic submission date.

Mail your PNO corrections to:
