

Dear Provider,

Inland Empire Health Plan (IEHP) values your collaboration and ongoing commitment to help our Members achieve and sustain optimal health. Your partnership is crucial in improving the care and well-being of our Members.

Our Pharmacy teams leverage a combination of Medication Therapy Management (MTM) services and adherence campaigns in order to improve our quality metrics and overall care for patients.

How can you partner with us to help improve your patient’s adherence?

**IEHP Medication Adherence Toolkit for Providers**

<b>Mail Order Services</b>	Encourage your patients who are IEHP Members to join AllianceRx Walgreens Prime Mail service (IEHP’s free mail order service). Please visit <a href="https://www.alliancerxwp.com/home-delivery">https://www.alliancerxwp.com/home-delivery</a> or call <b>1-800-345-1985</b> for more information.
<b>90-Day Supply</b>	Prescribe 90-day supplies for IEHP Members’ maintenance medications. IEHP covers up to a 90-day supply for most maintenance medications. Please visit <a href="http://www.iehp.org">www.iehp.org</a> for more details on IEHP’s preferred drug list.
<b>Medication Intervention Collaboration</b>	IEHP’s Clinical Pharmacy team designs interventions for mutual patients with specific medication-related issues through our MTM targeted medication review (TMR) programs. Your collaboration on addressing these medication-related interventions will help promote our goal of an integrated care approach.

The National Committee for Quality Assurance (NCQA) has established the Healthcare Effectiveness Data and Information Set (HEDIS) quality measures for IEHP to meet, many of which are focused on medication adherence. Increasing patient adherence to maintenance medications can lead to overall improvements in clinical outcomes and reduction in acute events. Provider involvement in improving patient adherence will also support IEHP in meeting these quality standards as outlined by regulatory agencies.

If you have any questions regarding our adherence campaigns or MTM services, please call the IEHP MTM Pharmacy Team at **(909)-294-3708** between 8am-5pm, Monday through Friday.

Thank you for your continued support to ensure our Members receive the highest quality health care available. If you have multiple office locations, please forward this information to the most appropriate office location(s).

Sincerely,

IEHP Pharmacy Services
