Subject: 2021 Global Quality P4P Program- PCP CAIR2 Participation Status Required by July 1, 2021

Inland Empire Health Plan (IEHP) would like to thank you for participating in the 2021 Global Quality P4P (GQ P4P) Program. As noted in the program guide and shared during our kickoff meeting, there is a new program requirement for PCPs to participate in the 2021 GQ P4P Program:

- **PCP's are now required to be connected to the California Immunization Registry (CAIR2) in order to receive any incentive dollars for program year 2021.**
- **Providers are expected to be connected to CAIR2 and demonstrate entry of immunizations into the registry no later than July 1, 2021.**
- **Providers who are not connected to CAIR2 by July 1, 2021, will no longer be eligible to receive incentive dollars from the 2021 GQ P4P program.**

Attached to this communication is a list of your contracted Providers and their CAIR2 participation status as of Feb 1, 2021. You will find the CAIR2 participation status in column "N." Providers who show a status of "Participating- PCP attribution" or "Participating- NPI confirmed" demonstrate connectivity with CAIR2 based on utilization information received directly from CAIR2.

PCPs who show a status of "Not Participating" have not yet demonstrated records entered in the CAIR2 registry and do not currently meet the program requirements of CAIR2 connectivity. For your PCPs that are not yet connected to CAIR2, IEHP asks that you provide support to your Providers to connect and begin using the CAIR2 system.

IEHP will continue to monitor all PCPs' CAIR2 utilization through July 1, 2021 for the purposes of determining if Providers are eligible to receive incentive dollars from the 2021 GQ P4P program. Monitoring will continue after July 1, 2021 only for the purposes of tracking if Providers have begun to utilize CAIR2, not for determining 2021 incentive payment as these Providers will be considered ineligible.

Providers will also be able to find their CAIR2 participation status on their monthly 2021 GQ P4P Interim Reports. There will be a participation status indicator added to the 2021 monthly reports.

Thank you for your continued partnership in providing quality healthcare to IEHP's Members.
