---

An important update has been made to the **2021 Global Quality P4P (GQ P4P) Program Guide**. An electronic version of the guide is available in the Providers section of the IEHP website at: [www.iehp.org](http://www.iehp.org) > For Providers > P4P- Prop56- GEMT > Global Quality P4P Program.

Please find below the update to the 2021 GQ P4P Program Guide:

**Controlling High Blood Pressure:**

An update has been made to the eligible population in the **Controlling High Blood Pressure** measure for the 2021 measurement year:

- **Members must have at least two different visits with a hypertension diagnosis on or between January 1 of the year prior to the measurement year (2020) and June 30 of the measurement year (2021). Visit can be in any outpatient setting.**

Thank you for your continued partnership in providing quality healthcare to IEHP's Members.
