

Please join us

Inland Empire Health Plan (IEHP) is pleased to partner again with WPATH Global Education Initiative to bring you didactic sessions along with a 2-day Live Foundations training, being held virtually through March 27, 2021.

All Primary Care and Behavioral Health Providers, nurses and other clinical staff are encouraged to attend. In addition, you will also be able to participate in IEHP-exclusive livestreamed case discussion panels and a live Q&A panel.

COST:

The cost of attendance for the two-day, 15.25 credit hour course is **\$75** for all attendees. (IEHP is greatly subsidizing the balance of the training costs for its Providers).

COURSE OBJECTIVE: The Foundations Course is intended for Providers of all experience levels and from all specialties in the implementation of the WPATH Standards of Care. This course focuses on the importance of an interdisciplinary care team approach and cross-specialty foundational knowledge – what all Providers should know about gender development, mental health considerations, legal, policy and ethical issues, primary care and preventive health, puberty blockers and hormonal treatment, surgical overviews, and much more.

HOW TO REGISTER: Register an account (if you do not already have one) at www.wpath.org/register. Once you have an active account, register for the course by [clicking this link](#).

Watch the didactic (pre-recorded) sessions by March 26, 2021. A link to the meeting platform will follow completion of your registration. Attend 3 livestreamed sessions to complete the course.

- 1 Live session March 26, 2021 from 1:00pm–3:00pm
- 2 Live sessions March 27, 2021 from 9am–11am & 12pm–2pm

Please register ASAP to give yourself the most time to watch the pre-recorded sessions, and to be eligible for the Advanced courses being offered in April/May.

If you have any questions about this training please contact IEHP Independent Living and Diversity Services at **(909) 890-5136**.
