Inland Empire Health Plan (IEHP) will begin uploading completed Health Information Forms (HIFs) to the SFTP server weekly starting on **June 1, 2021**. HIFs are high-level initial assessments completed by Members at the time of enrollment. Members may self-identify disabilities, acute and chronic conditions, and transitional service needs on the HIF.

To ensure compliance with *DHCS-IEHP Contractual Requirement – Exhibit A, Attachment 11 Care Management and Coordination of Care*, IPAs are expected to review the Member's HIF data as part of stratification process to ensure the Member is assigned to the appropriate level of care.

As a reminder, all communications sent by IEHP can be also found on our Provider portal at [www.iehp.org](http://www.iehp.org) > Providers > Plan Updates > Correspondences.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
