Inland Empire Health Plan (IEHP) will be hosting a virtual **2021 Global Quality P4P (GQ P4P) Meeting-Highlighting the California Immunization Registry (CAIR2)** for Primary Care Providers (PCPs). This meeting will provide updates on 2021 Global Quality P4P and review a newly developed CAIR2 Resource Guide for Providers. This guide includes helpful links and appropriate contacts for Providers to navigate CAIR2. In addition, a CAIR representative will be available for a Question & Answer session.

As a reminder, CAIR2 participation is a new requirement for the 2021 GQ P4P Program. Providers must be connected to CAIR2 (must enter immunizations into the registry and use to look up prior immunizations given to assigned patients) by July 1, 2021.
