Subject: 2021 Global Quality P4P Program – PROGRAM GUIDE UPDATE

Inland Empire Health Plan (IEHP) has made an important update to the **2021 Global Quality P4P (GQ P4P) Program Guide - Cervical Cancer Screening Measure:**

The following testing recommendation has been added to the measure description:

- **It is recommended that women age 30-64 who had cervical high-risk human papillomavirus (hrHPV) receive a cervical cancer screening test every 5 years.**

Please continue to leverage the 2021 GQ P4P Program Guide. An electronic version of the guide is available in the Providers section of the IEHP website at:

www.iehp.org > Providers > P4P- Prop56- GEMT > Pay for Performance (P4P) Program > Global Quality P4P Program.

Thank you for your continued partnership in providing quality healthcare to IEHP's Members.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at www.iehp.org > Providers > Plan Updates > Correspondences.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054 or to IEHP's Quality Department at QualityPrograms@iehp.org.
