Subject: **Care Coordination REMINDER – Review the Early Start Roster on IEHP’s Portal**

The Early Start Program provides **early intervention services for infants and toddlers with disabilities and their families** in a manner which is coordinated and family-centered.

Information about the Inland Regional Center (IRC) Early Start Program can be found at: <https://www.dds.ca.gov/services/early-start/>.

To ensure Members receiving IRC Early Start benefits are identified for coordination of care, **IEHP provides the Early Start Roster to PCPs and IPAs on the secure IEHP Provider Portal**. Members on the roster are eligible for services with the IRC Early Start Program.

The identification of Members with Early Intervention services provides a method to **ensure effective care coordination between Primary Care Providers (PCPs) and Early Start Specialists**.

To access the roster, login to the IEHP Secure Provider portal at <http://www.iehp.org>:

- Select **Rosters** from the navigation panel and then **Early Start Roster**.

Early Start Roster

The Early Start Program is California's response to federal legislation ensuring that early intervention services for infants and toddlers with disabilities and their families are provided in a manner which is coordinated and family-centered. More information regarding the Inland Regional Center (IRC) Early Start Program can be found at: <https://www.dds.ca.gov/services/early-start/>.

You can search by: First Name, Last Name, IEHP ID, Provider Name.
