Subject: **APPLICATION EXTENDED – CalVaxGrant (\$40 Million Dollars in Grants Available!) – Deadline to Apply is September 10th**

Inland Empire Health Plan (IEHP) would like to inform qualifying Providers that the deadline to apply for the CalVaxGrant has been extended to **Friday, September 10, 2021**.

Funded by CA Dept of Public Health (CDPH) and administered by Physicians for a Healthy California (PHC), the CalVaxGrant will help physician medical organizations (with 200 or less physicians) administer COVID-19 vaccines in their community, as well as reimburse for related expenses incurred or to be incurred between Nov. 1, 2020 and Nov. 1, 2021.

Allowable expenses include staffing, training, technology, infrastructure, supplies/equipment, and administrative overhead. Organizations can apply to receive \$10,000 for up to five vaccination sites for a total of \$50,000. Additionally, applicants can receive an additional \$1,000 per site (up to five sites for an additional \$5,000) if their vaccination sites match high priority areas as noted by the CDPH.

To be eligible for the CalVaxGrant, organizations must:

- Have a physician medical practice with no more than 200 physicians
- Have an approved Section A and B of myCAVax
 - **Need help with the myCAVax application?** Primary care practices **can email** their practice contact information to vaccinenetwork@cmadocs.org **for one-on-one support**.
- Be an eligible myCAVax Provider type: Health Center (community non-Federally Qualified Health Center/non-Rural Health clinic, migrant or refugee, STD/HIV clinic, student), Indian Health Service, Medical practice (family medicine, internal medicine, OB/GYN, other specialty, pediatrics), Public Health Provider (FQHC) or Tribal Health
- Expend or plan to expend award on allowable expenses
- Have not already received pandemic-related grant funding.

CalVaxGrant has approximately \$40 million to award 3,000-4,000 applicants on a first come, first served basis! Apply today! For more information, visit www.calvaxgrant.org.
