Subject: IEHP Clean Claim Rules Implementation

ACTION REQUIRED!

Inland Empire Health Plan (IEHP) is amending its Provider billing requirements (clean claim rules) related to 837p and 837i claim submissions. The goal of these changes is to improve claim payment efficiency and prevent unnecessary encounter rejections with our State and Federal agencies.

Listed below is a new edit that we would like for you to add to our existing claim file validation rules.

<table>
<thead>
<tr>
<th>Form Locator #</th>
<th>Description</th>
<th>Loop, Segment / Data Element</th>
<th>Comments &amp; Business Input</th>
</tr>
</thead>
<tbody>
<tr>
<td>Box 18 To Date (for discharge date at header level) Box 24 Line 1-06 (for Service date at line level)</td>
<td>Discharge Date before Date of Service</td>
<td>Discharge Date: 2300 DTP03 (where DTP01 = ‘096’) Service Date: 2400 DTP03 (where DTP01 = ‘472’)</td>
<td>Regulatory rejections due to Discharge Date before Date of Service on 837 Professional claims only and applies to POS (Place of Service) 21.</td>
</tr>
</tbody>
</table>
