

To: ALL San Bernardino County Peds, OBs, Family Planning and Community Clinics
From: IEHP- Community Partnerships
Date: December 13, 2021
Subject: **SBC Children's Network Safe Sleep Video**

Inland Empire Health Plan (IEHP) is partnering with San Bernardino County Public Health Children's Network to promote the infant **Safe Sleep** video available below.

This informative video provides a quick overview of the **ABCs of safe sleeping guidelines for infants**.

Please access the video here:

<https://vimeo.com/538991345>

IEHP and San Bernardino County Public Health Children's Network encourage you to display this in your office and share it with your patients as part of their prenatal education.

In support of the Safe Sleep movement, please complete this questionnaire below to help us improve future distribution efforts.
