Inland Empire Health Plan

To: ALL Direct Dual Choice PCPs
From: IEHP- Provider Relations
Date: December 22, 2021
Subject: **COVID-19 Vaccine Billing for Medicare Advantage Enrollees Effective DOS January 1, 2022**

Inland Empire Health Plan (IEHP) would like to advise our **Direct Dual Choice PCPs** that effective **January 1, 2022**, per CMS guidelines, **IEHP will now be responsible for the COVID-19 vaccine serum and its administration costs (including approved booster doses) for IEHP Direct CMC DualChoice Members only.**

For IEHP DualChoice Members assigned to one of IEHP's delegated IPAs, please refer COVID-19 billing concerns to the respective, responsible IPA.

For more information about COVID-19 vaccine policies and guidance, please see the toolkits found at <https://www.cms.gov/COVIDvax>

As a reminder, all communications sent by IEHP can also be found on our Provider portal at: www.iehp.org > For Providers > Plan Updates > Correspondences

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at: (909) 890-2054 or (866) 223-4347.
