From: IEHP – Provider Relations

Date: January 26, 2022

Subject: SIGN UP TODAY: PATH Program Design Webinars Starting Jan 28

On January 28, Department of Healthcare Services (DHCS) will host the first in a series of webinars focused on the Providing Access and Transforming Health (PATH) initiative.

PATH will support the implementation of California Advancing and Innovating Medi-Cal (CalAIM), starting this year with Enhanced Care Management (ECM) and Community Supports, by making funding opportunities available to “on the ground” partners, including providers, counties, former Whole Person Care lead entities, community-based organizations, Tribes, and others working to implement ECM/Community Supports.

The webinar will provide interested stakeholders with post-waiver approval updates and a detailed overview of the following PATH initiatives:

- Technical Assistance Marketplace
- Collaborative Planning and Implementation
- Capacity and Infrastructure Transition, Expansion, and Development

This webinar will also serve as a venue to answer general questions from stakeholders on PATH initiatives. Interested stakeholders are encouraged to submit questions in advance of the webinar to CalAIMECMILOS@dhcs.ca.gov.

Attendees will also have an opportunity to ask questions during the webinar. Advance registration is required.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at: www.iehp.org > For Providers > Plan Updates > Correspondence

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054 or (866) 223-4347.
