Subject: OB/GYN P4P Program Guide - UPDATE

Inland Empire Health Plan (IEHP) would like to alert you regarding changes made to the OB/GYN P4P Program Guide. Please review and leverage the OB/GYN P4P Program Guide to participate successfully in the program.

The OB/GYN P4P Program Guide update includes the following changes:

**Postpartum Blood Pressure Screening Measure: Change to Incentive Payment**

Effective for DOS 2/1/2022 and after, the financial incentive payment for the Postpartum Blood Pressure Screening measure will change from $75 to $50. As a reminder, the maximum incentive is one screening, per Member, per year. To receive full benefits of the P4P incentive payment, you must bill the exact amount of the P4P incentive that you expect to receive.

**Postpartum Blood Pressure Screening Measure: Measure Description Clarification**

The Postpartum Blood Pressure Screening **must be completed in an outpatient setting.**

**OB P4P Program Guide: Addition to Terms and Conditions**

Additionally, a Provider must be in **good standing** to participate in the OB P4P Program. The definition of good standing is mentioned below:

**Good Standing:** A Provider currently contracted with Plan for the delivery of services, not pursuing any litigation or arbitration or has a pending claim pursuant to the California Government Tort Claim Act (Cal. Gov. Code Sections 810, et seq.) filed against Plan at the time of program application or at the time additional funds may be payable, and has demonstrated the intent, in Plan’s sole determination, to continue to work together with Plan on addressing community and Member issues. Additionally, at the direction of the CEO or their designee, Plan may determine that a Provider is not in good standing based on relevant quality, payment, or other business concerns.
