Inland Empire Health Plan (IEHP) is extending the deadline to submit codes **G0442** and **G0443** for the **Substance Use Assessment Screening** via IEHP’s secure online encounter form.

These screening codes must be submitted to IEHP no later than March 31, 2021 to impact 2021 GQ P4P Program data.

A screenshot of the IEHP Provider Portal. The top navigation bar includes 'IEHP Provider Portal', 'My Account', 'Actions', and 'Sign Out'. A left sidebar menu lists various options, with 'Encounter' highlighted in blue and a red arrow pointing to it. The main content area is titled 'Encounter' and contains a form for 'Member/Provider Identification'. The form has three required fields: 'IEHP ID' (with a text input), 'Date of Service' (with a date picker), and 'Provider of Service' (with a dropdown menu). A 'Continue' button is at the bottom of the form. Below the form, there is a section for 'Daily Transaction Report (03/15/2022)' which shows 'No Records Found.'.

REMINDER: IEHP expects all PCPs contracted with delegated IPAs to continue to submit ALL encounter data to their IPAs, including any data entered through IEHP’s secure Provider Portal.
