IEHP FORMULARY CHANGES: May 2022 and August 2022 P&T UPDATE

This notice is to inform you of the changes approved by the IEHP Pharmacy and Therapeutics (P&T) Subcommittee in May 2022 and August 2022. To reduce paper usage, the full document of the changes (including additions, deletions, and new or revised prior authorization criteria) may be accessed online.

Please visit **Physician Provider Communications** (<https://iehp.org/en/providers/pharmacy-services/provider-communications---physician>) to access to full document of changes.

Alternatively, you can follow below steps to get to the aforementioned **Physician Provider Communications** page.

1. Go to the main IEHP website (www.iehp.org)
2. Hover over “Providers” from the top of the website, and select “Pharmacy Services”
3. Under “More,” select “Provider Communications”
4. Choose “Provider Communication - Physician”

Please note that with the Pharmacy Benefit carved out to Medi-Cal Rx as of January 1, 2022, Pharmaceutical Services has created the IEHP Medi-Cal Medical Drug Benefit (RxUM) formulary. You can visit **IEHP Formulary** (<https://www.iehp.org/en/providers/pharmacy-services?target=formulary>) to access to full information.

Alternatively, you can follow below steps to get to the aforementioned **IEHP Formulary** page.

1. Go to the main IEHP website (www.iehp.org)
2. Hover over “Providers” from the top of the website, and select “Pharmacy Services”
3. Select “Formulary”

This formulary was reviewed and approved by the P&T Subcommittee, and any changes going forward will be brought before the subcommittee to review and vote upon.

We welcome any recommendations and comments regarding the IEHP Formulary. For questions, suggestions, or if you would like a printed copy of the IEHP Formulary Book or Clinical Practice Guideline, please call us at (909) 890-2049.

Sincerely,
IEHP Pharmaceutical Services
