Subject: **IMPORTANT: Notify IEHP if Your Office is Impacted by Area Fires**

Inland Empire Health Plan (IEHP) is actively outreaching to members who reside in areas impacted by the Fairview (Hemet) and Radford (Big Bear) fires. We are equally concerned about our providers who serve these areas, and we are here to help.

If your practice is forced to close temporarily or modify operations, such as providing telehealth only appointments or reduced hours, please contact:

- IEHP Provider Relations at (909) 890-2054 or (866) 223-4347; or
- Email ProviderServices@iehp.org

Notifying IEHP will help us stay up to date on the impact of these devastating fires and assess the needs of our members and providers. If your office is forced to close, please contact patients whose appointments may need to be rescheduled.

Thank you for your service to our communities. Our thoughts are with everyone affected by the fires and we are here to serve you.
