Inland Empire Health Plan (IEHP) is excited to invite you and your staff to our **15th Annual Diversity Awareness Month** in October 2022, focusing on **Healing Through Knowledge & Community Building**.

Throughout the month of October, we will host a variety of hybrid workshops to learn more about the diverse populations we serve and to explore ways to elevate our delivery of services.

The workshops will focus on the impacts that race, culture, gender, age, disabilities, and traditions have on health and how we can work together to ensure we are serving all communities equitably and inclusively.

WHAT TO EXPECT

- Eight (8) workshops will be offered from 12pm-1pm, virtually, via both Microsoft Teams and in-person at IEHP headquarters (10801 6th St. Ste 120 Rancho Cucamonga, CA 91730).
 - Continuing Education Units (CEU) -1 CEU can be earned, per workshop, for California LCSWs, LMFTs, LPCCs and Social Workers Nationwide.
- A Diversity Expo on Thursday, October 27 from 10am-1pm, in-person at IEHP headquarters. This is a great opportunity to gather resources, information and treats from over 20 vendors!
