Inland Empire Health Plan (IEHP) has made an update to the **OB P4P Program Guide – Early Postpartum Visit Measure description**.

**UPDATE:** The Early Postpartum Visit is recommended to be rendered **on or between 7-21 days after delivery**.

**Starting January 1, 2023, IEHP will no longer be paying P4P incentives for early postpartum visits between 1 - 6 days after delivery.**

IEHP will be conducting chart validation to ensure accurate P4P billing. P4P payments paid for early postpartum visits completed between 1 – 6 days after delivery will be subject to recoupment.

The updated OB/GYN P4P Program Guide is available on the IEHP website: [www.iehp.org](http://www.iehp.org) > Providers > P4P – Prop 56 – GEMT > Pay for Performance (P4P) Program > OB/GYN P4P Program or [click here](#).
