The toolkit offers a variety of free local and state resources available, in multiple languages, to help communities cope with these tragedies.

In the [CA Department of Aging Toolkit \(socialpresskit.com\)](https://socialpresskit.com) you will find:

- Crisis Resource Guides HMB and MP (PDFs available in English, Chinese, and Vietnamese)
- Social media posts
- Email blast language

Additionally, you will also find social media posts for Facebook, Twitter, and LinkedIn, and email content you can use to send relevant resources to your audiences.

Please share this information with your stakeholders, family, friends, communities, and anyone who may need resources or trauma support.
