Physician Burnout

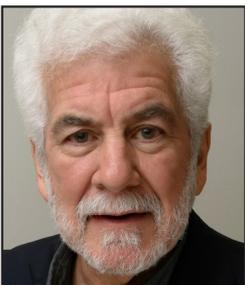

Exploring the Causes and Cures

Thursday, March 23rd | 6:00 p.m. - 7:00 p.m.

The ubiquitous nature of physician burnout in our current healthcare environment is by all means unacceptable. Add to it the physician shortage and the resultant profound impact and repercussions are both obvious and destructive.

Join Barry Bittman, M.D. for a unique series of perspectives on the underlying contributing factors and real world strategies for reducing provider burnout and reestablishing a refreshing sense of meaning and purpose.
