Subject: **Last Chance! Provider Newsletter and Communication Survey**

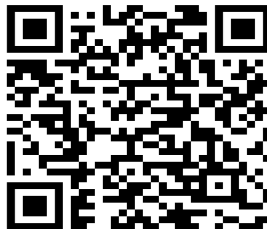

**The 2023 IEHP Provider Newsletter and Communication Survey is in progress
and we want to hear from you!**

Inland Empire Health Plan (IEHP) deeply values our provider network. We are grateful for your partnership in serving our members and community.

We strive to provide timely and valuable communication to our providers. For this reason, we are launching the **2023 IEHP Provider Newsletter and Communication Survey** to gather your feedback on how we can improve our communications.

Specifically, we would like to know **what information** you would like to receive from IEHP **and how** you would prefer to receive our communications.

Please take a moment to answer this short survey so we can improve our communications to you and your practice. We value your feedback and are here to serve you. A QR code and email link are available below to access the survey. The survey will remain open until **March 17th**. Thank you in advance for your participation.
