Subject: 2023 Global Quality P4P Program – Manifest MedEx Connectivity Reminder

Inland Empire Health Plan (IEHP) would like to remind you of the 2023 Global Quality P4P (GQ P4P) measure requirements for Manifest MedEx (MX) Connectivity.

The Manifest MedEx (MX) Connectivity process measure was expanded to a two-year window (performance year 2022 – 2023). **Providers who did not meet the Manifest MedEx measure in 2022 performance year will have the opportunity to earn incentive dollars for the Manifest MedEx Connectivity measure in 2023!** The below requirements must be met to remain eligible to earn incentive dollars under this measure:

Manifest MedEx Connectivity

Measure Description:

Participating Providers are encouraged to connect their electronic health record (EHR) systems to the regional Health Information Exchange, Manifest MedEx.

Measure Requirements:

1. Sign a participation agreement with MX by **June 1, 2023**.
2. Establish data connections with MX with routine reporting of CCDAs by **December 31, 2023**

To get started on your MX connection, please contact:

- Jana Brown, Administrative Director at Inland Empire Health Information Exchange (IEHIO)
 - o Email: info@iehio.org
 - o Phone: 951-368-1311
- Please mention the IEHP GQ P4P Program in your communication with the IEHIO.

NOTE: If you have already completed the above process for the 2022 performance period, please disregard this reminder.

To review full details related to the MX Connectivity measure, please leverage the 2023 GQ P4P Program Guide located on the IEHP website at <https://iehp.org/en/providers/p4p-prop56-gemt>.

REMINDER: We will be hosting a **Manifest MedEx Provider Listening Session** for PCPs, Specialists & IPAs. **Attendance may be virtual or in person.**

This is an opportunity to meet with the Manifest Mx team and IEHP leaders to:

- Hear from other PCPs about their experiences connecting through Manifest MedEx (MX)
- Ask questions about Manifest MedEx (MX)
- Learn how we can work together to create stronger data connections in our community
