Subject: **Regulatory Excluded Providers**

Inland Empire Health Plan (IEHP) is prohibited from issuing payment for services provided, ordered, or prescribed by an individual or entity that is excluded, ineligible, or terminated from participation in State and Federal health care programs in accordance with regulatory and contractual requirements. As such, IEHP conducts regular reviews of the following Federal and State exclusionary lists:

- Office of Inspector General (OIG) List of Excluded Individuals and Entities (LEIE list);
- GSA Excluded Parties List System (EPLS); and
- DHCS Medi-Cal Suspended and Ineligible Provider List.

As IEHP is required to notify IPAs of excluded Providers, this announcement serves as an informational notice to advise that **Larry Givens, MD, NPI 1306806617**, appeared on at least one of the exclusionary lists, indicating that they have been suspended from participating in Federal or State health care programs as of **12/20/2018**. Due to this Provider's exclusionary status, IEHP may not issue payment for services provided, ordered, or prescribed by this Provider. Please ensure all appropriate measures are taken to review your systems and update as needed to ensure this Provider does not provide, order, or prescribe services for IEHP Members.
