Subject: Termination of Vantage from IEHP Network

This notice is to inform that Inland Empire Health Plan (IEHP) will be ending our Agreement with Vantage Medical Group **effective August 31, 2018**. IEHP is obligated by the Department of Managed Healthcare (DMHC) to notify Providers affected by this change due to the impact this may have on our network. We recognize the importance of our Members' relationship with you and we will partner with you to strive for minimal impact to our Members and their care.

If your organization is currently treating Members assigned to Vantage Medical Group, please continue to provide the services authorized by Vantage and request authorization from Vantage for additional services as needed while the Member is assigned to Vantage. Please be mindful to verify Member eligibility when providing services to ensure that your organization is aware when the Member's assignment is transferred to a new IPA.

If you have any difficulties continuing to care for Vantage/IEHP Members before or after the transition, or if you have any questions regarding this transition, please do not hesitate to contact the Provider Relations Team at (909) 890-2054.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/correspondence/>.
