PPCs are defined as Other Provider Preventable Conditions (OPPCs) and Health Care Acquired Conditions (HCACs). The Health Plan, Network Providers, Delegates, contracted Hospitals, and Ambulatory Surgical Centers must follow the instructions below found on DHCS website for both Cal MediConnect and Medi-Cal lines of business:

- Providers are **REQUIRED** to send a copy of the completed PPC submission from the DHCS secure online portal to IEHP's Quality Management Department by fax at (909) 890-5545 within five (5) business days of reporting to DHCS;
- IEHP must retain copies of all completed and submitted PPC for later reconciliation of allowable payments;
- IEHP does not pay provider claims nor reimburse a Provider for a PPC, in accordance with 42 CFR Section 438.3(g) and IEHP's three-way Cal MediConnect contract.
