Date: September 24, 2018
Subject: **REMINDER: Upcoming Change regarding Health Risk Assessment (HRA) data from IEHP**

This communication serves as a friendly reminder that effective **October 1, 2018**, IEHP will be utilizing a new Health Risk Assessment (HRA) Survey.

Please note that through March 15, 2019, the current and revised HRA will run in parallel and you will receive both file layouts. This parallel process will allow a sufficient amount of time to receive HRAs that were mailed to the Member prior to implementation of the new HRA.

A detailed communication, along with the file layout, was provided on August 20, 2018 (please see attached).

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/correspondence/>.
