Subject: HRAs Provider Portal Updates

This serves as a communication to notify you that Health Risk Assessments (HRAs) from **February 15th, 2019 to date** have been posted to the Provider Portal and the HRA data has been posted to the SFTP. Please review the data and promptly begin the development of the Individualized Care Plan (ICP) following your standard workflow.

Thank you for your continued patience and we apologize for the prior delay in postings.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://www.iehp.org/en/providers/plan-updates>

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
