### **IMPORTANT UPDATES!!!!**

Thank you for your continued patience, the P4P PM160 Status on the Provider Portal now displays all submissions dating back to March 1, 2018. At this time, we are requesting that your office review the PM160 status page on IEHP's secure portal to reconcile against the PM160s your office submitted to IEHP via the web portal in 2018 with dates of services through June 30, 2018.

If your office finds that there are PM160s not accounted for on the status page, please submit those PM160s now so that we can ensure this data is captured in our system.

All missing PM160s with DOS through June 30, 2018 should be submitted via IEHP's secure web portal by April 30, 2019. IEHP will be waiving all timeliness for submissions and will process a final PM160 payment in May or June 2019.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/plan-updates>.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
