eConsult Brochures

Empower your patients by informing them about eConsult and its positive impacts on their healthcare delivery with MCeI’s brochures—available in both English and Spanish versions.

Keep your patients in the loop by distributing informational eConsult brochures through handouts or email.

**English version preview**

**Spanish version preview**

Brochures are readily available at econsultie.com/downloads, as well as on the eConsult platform's "User Guides and Info" section located to the left side of the Inbox page.
