B. Joint Powers Agency Governing Board

IEHP is governed by a seven (7) member Joint Powers Agency (JPA) Governing Board (IEHP Governing Board). The Board consists of two (2) appointed members from the San Bernardino County Board of Supervisors and two (2) appointed members from the Riverside County Board of Supervisors. In addition, each county's Board of Supervisors appoints a third member to the IEHP Governing Board who is not a member of the Board of Supervisors but is a resident of the county appointing said member. The seventh member of the Board is appointed by the aforementioned six (6) members of the Board and may be a resident of either County. The term of Office for Board Members is two (2) years, and Board Members may serve consecutive terms.

The IEHP Governing Board has dedicated and pledged sufficient time to support IEHP operations and is responsible to oversee and provide continuous direction and approval for all phases of IEHP operations. The Governing Board establishes the time and place for its meetings. The Board shall hold at least one (1) regular meeting, open to the public, each quarter of every calendar year.

Special meetings and adjourned meetings may be held as required or permitted by applicable law. All meetings of the Board shall be called, noticed, held, and conducted in accordance with the Provisions of the Ralph M. Brown Act (commencing with Section 54950 of the California Government Code).

At the public regular meetings, many aspects of IEHP's operations are presented by function/department/area for Board input, direction and approval.
