

# Vaccine Information Sheet (VIS) Protocol

## **Procedure: (Any of the list below is acceptable)**

- Paper Copies of the VIS can be printed and given to patients prior to vaccinations
- Permanent, laminated office copies may be given to patients to read prior to vaccination  
(must offer most recent publication)
- Patients may view VIS on a computer monitor or other video display
- Patients may read the VIS on their phone or other digital device by downloading the pdf file from CDC's website (see Link below)
- Patients may be given a copy of a VIS during a prior visit, or told how to access it through the internet, so they can read it in advance. These patients must still be offered a copy to read during the immunization visit as a reminder.
- Patients must still be offered a copy of the VIS to take away following the vaccination.

The patients may decline
