Notice of Denial of Payment

Date: _____ **Member number:** _____

Name: _____

<Insert other identifying information, as necessary (e.g., provider name, enrollee’s Medicaid number, service subject to notice, date of service).>

Your request was denied

We’ve *<denied, stopped, reduced, suspended>* the payment of medical services/items listed below requested by you or your doctor *<provider>*:

Why did we deny your request?

We *<denied, stopped, reduced, suspended>* the payment of medical services/items listed above because *<Provide specific rationale for decision and include State or Federal law and/or Evidence of Coverage (Member Handbook) provisions to support decision>*:

You should share a copy of this decision with your doctor so you and your doctor can discuss next steps. If your doctor requested coverage on your behalf, we have sent a copy of this decision to your doctor.

You have the right to appeal our decision

You have the right to ask IEHP DualChoice Cal MediConnect Plan (Medicare-Medicaid Plan) to review our decision by asking us for a Level 1 Appeal (sometimes called an “internal appeal” or “plan appeal”). In special cases, you can also ask for an Independent Medical Review (IMR) without first appealing to our plan. You cannot ask for an IMR if you have already had a State Hearing on the same issue. If you get an IMR and you are not satisfied with the result, you can still ask for a State Hearing.

Ask IEHP DualChoice for a Level 1 Appeal within **60 calendar days** of the date of this notice. We can give you more time if you have a good reason for missing the deadline. See section titled “How to ask for a Level 1 Appeal with IEHP DualChoice” for information on how to ask for a plan level appeal.

How to keep your services while we review your case: *If we're stopping or reducing a service, you can keep getting the service while your case is being reviewed. **If you want the service to continue, you must ask for an appeal within 10 calendar days** of the date of this notice or before the service is stopped or reduced, whichever is later.*

If you want someone else to act for you

You can name a relative, friend, attorney, doctor, or someone else to act as your representative. If you want someone else to act for you, call us at: 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays to learn how to name your representative. TTY users call 1-800-718-4347. Both you and the person you want to act for you must sign and date a statement saying this is what you want. You'll need to mail or fax this statement to us. Keep a copy for your records.

Standard Appeal – We'll give you a written decision on a standard appeal within **30 calendar days** after we get your appeal. Our decision might take longer if you ask for an extension, or if we need more information about your case. We'll tell you if we're taking extra time and will explain why more time is needed. If your appeal is for payment of a service you've already received, we'll give you a written decision within **60 calendar days**.

How to ask for a Level 1 Appeal with IEHP DualChoice

Step 1: You, your representative, or your provider must ask for an appeal within **60 calendar days** of getting this notice.

Your request must include:

- Your name
- Address
- Member number
- Reasons for appealing
- Any evidence you want us to review, such as medical records, doctors' letters, or other information that explains why you need the item or service. Call your doctor if you need this information.

We recommend keeping a copy of everything you send us for your records.

You can ask to see the medical records and other documents we used to make our decision before or during the appeal. At no cost to you, you can also ask for a copy of the guidelines we used to make our decision.

Step 2: Mail, fax, or deliver your appeal or call us.

For a Standard Appeal:	Mailing Address:	IEHP DualChoice P.O. Box 1800 Rancho Cucamonga, CA 91729-1800
	Phone:	1-877-273-IEHP (4347)
	TTY Users Call:	1-800-718-4347
	Fax:	909-890-5748

If you ask for a standard appeal by phone, we will repeat your request back to you to be sure we have documented it correctly. We will also send you a letter confirming what you told us. The letter will tell you how to make any corrections.

What happens next?

If you ask for a Level 1 Appeal and we continue to deny your request for payment of a service, we'll send you a written decision.

If the service was originally a Medicare service or a service covered by both Medicare and Medi-Cal, we will automatically send your case to an independent reviewer. If the independent reviewer denies your request, the written decision will explain if you have additional appeal rights.

If the service was a Medi-Cal service, you can ask for an **Independent Medical Review (IMR)** or a **State Hearing**. Your written decision will give you instructions on how to request the next level of appeal. Information is also below.

How to ask for an Independent Medical Review (IMR)

You can ask for an Independent Medical Review (IMR) for Medi-Cal covered services and items from the California Department of Managed Health Care (Department). You can ask for an IMR if you disagree with IEHP DualChoice's Level 1 Appeal decision or if IEHP DualChoice has not resolved your Level 1 Appeal after 30 days. In special cases, you can also ask for an Independent Medical Review (IMR) without first appealing to our plan.

In most cases, you must file a Level 1 Appeal with IEHP DualChoice before requesting an IMR; however, you may be able to have an IMR without appealing to IEHP DualChoice first if:

- Your problem is urgent and involves an immediate and serious threat to your health.
- IEHP DualChoice denied a Medi-Cal service or treatment because it is experimental or investigational.

You cannot ask for an IMR if you have already had a State Hearing on the same issue. If you get an IMR and you are not satisfied with the result, you can still ask for a State Hearing.

How to ask for an IMR. Fill out the online Independent Medical Review/Complaint Form available at <https://www.dmhc.ca.gov/fileacomplaint/submitanindependentmedicalreviewcomplaintform.aspx> or you can fill out the hard copy IMR application form that is included with this notice and send it to:

Help Center
Department of Managed Health Care
980 Ninth Street, Suite 500
Sacramento, CA 95814-2725
FAX: 916-255-5241

If you choose to do so, you may attach copies of letters or other documents about the service or item that was denied. If you do, send copies of documents, not originals. The Department Help Center may not be able to return all original documents.

You or your representative must ask for an IMR within **6 months** after we send you a written decision. However, the Department may extend the 6-month deadline for good reasons such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice of the IMR process.

Call the **California Department of Managed Health Care (DMHC) toll-free at 1-888-466-2219** for free help. The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-877-273-IEHP (4347)** and use your health plan's grievance process before contacting the Department. Using this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a

grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-466-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet Web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms, and instructions online.

What happens next?

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 2 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar days. You should receive the IMR decision within 7 calendar days of the submission of the completed application.

Doctors who are not part of IEHP DualChoice will review your case. The DMHC will send you a letter explaining the decision. If the IMR decision is in your favor, IEHP DualChoice must give you the service or treatment you asked for. If you do not agree with the decision, you can ask for a State Hearing as long as you have not had a State Hearing on the same issue.

If you do not qualify for an IMR, your issue will be reviewed through DMHC's standard complaint process. You will receive a written notice of the decision within 30 days. If you decide not to use the IMR process, you may be giving up your rights under California law to pursue legal action against IEHP DualChoice about the service or treatment you are asking for.

How to ask for a State Hearing

If the service was a Medi-Cal covered service or item, you can ask for a State Hearing. You can only ask for a State Hearing after you have appealed to our health plan and received a written decision with which you disagree. Please note that if you have a State Hearing, you will not be able to ask for an Independent Medical Review (IMR).

Step 1: You or your representative must ask for a State Hearing within **120 days** of the date of our notice to you that the adverse benefit determination (Level 1 appeal decision) has been upheld. Fill out the "Form to File a State Hearing" that will be provided with your appeal decision notice. Make sure you include all of the requested information.

Step 2: Send your completed form to:
California Department of Social Services
State Hearings Division
P.O. Box 944243, Mail Station 9-17-37
Sacramento, CA 94244-2430
FAX: 916-651-5210 or 916-651-2789

You can also request a State Hearing by calling 1-800-952-5253 (TDD: 1-800-952-8349). If you decide to make a request by phone, you should be aware that the phone lines are very busy.

What happens next?

The State will hold a hearing. You may attend the hearing in person or by phone. You'll be asked to tell the State why you disagree with our decision. You can ask a friend, relative, advocate, provider, or lawyer to help you. You'll get a written decision that will explain if you have additional appeal rights.

If you have questions, call the Department at 1-888-466-2219 or TDD at 1-877-688-9891. This call is free.

Before You File:

In most cases, you must go through your health plan's complaint or grievance process before you file a complaint or IMR request with the Department. Your health plan must give you a decision within 30 days or within 3 days if your problem is an immediate and serious threat to your health.

If your health plan denied your treatment because it was experimental/investigational, you do not have to take part in your health plan's complaint or grievance process before you file an IMR application.

You must apply for an IMR within six months after your health plan sends you a written response to your appeal. You can still file your application after six months if there were special circumstances that kept you from filing timely. Please be aware that if you decide not to file a complaint with the Department for an issue that would qualify for an IMR, you may be giving up your rights to pursue legal action against your plan regarding the service or treatment you are requesting.

How to File:

1. File online at www.HealthHelp.ca.gov. [This is the fastest way.]

OR

Fill out and sign the IMR Application/Complaint Form.

2. If you want someone to help you with your IMR or complaint, complete the 'Authorized Assistant Form.' **Both you and your authorized assistant must sign the form.**
3. If you have medical records from **out of network providers**, please include them with your IMR Application/Complaint Form. Your plan will provide medical records from network providers.
4. You may include other documents that support your request. However, there is no need to provide any documents or letters between you and your plan relating to this complaint. The Department will obtain this information directly from your plan as part of the investigation.
5. If you are not submitting online, please mail or fax your form and any supporting documents to:

Department of Managed Health Care Help Center
980 9th Street, Suite 500
Sacramento, CA 95814-2725
FAX: 916-255-5241

What Happens Next?

The Department will determine if your case qualifies as an IMR or a complaint. Cases qualify for an IMR if health care services were delayed, modified or denied based on a medical necessity or as experimental/investigational.

Cases that do not qualify for an IMR are processed through the consumer complaint process. These cases involve issues such as denials of health care service as not a covered benefit, claim payment disputes, cancellation of coverage, quality of care, and deductible/out of pocket expenses.

The Department will send you a letter within seven days telling you if you qualify for an IMR. If the Department decides that your complaint qualifies for an IMR, your case is assigned to a state contractor who will perform the review. The state contractor is also called the Independent Medical Review Organization (IMRO). All of the information the Help Center has related to your complaint,

IMR Application/Complaint Form Instruction Sheet

including your medical records, will be sent to the Review Organization. The Review Organization will make a decision usually within 45 days, or within seven days if your case is urgent. The Department will send you a letter with the decision.

If the Department decides that your complaint should be reviewed through the Consumer Complaint process, a decision about your issue will be made within 30 days. The Department will send you a letter with the decision.

The Information Practices Act of 1977 (California Civil Code Section 1798.17) requires the following notice.

- California's Knox-Keene Act gives the Department the authority to regulate health plans and investigate the complaints of health plan members.
- The Department's Help Center uses your personal information to investigate your problem with your plan and to provide an IMR if you qualify for one.
- You provide the Department this information voluntarily. You do not have to provide this information. However, if you do not, the Department may not be able to investigate your complaint or provide an IMR.
- The Department may share your personal information, as needed, with the plan, providers, and the Review Organization who conducts the IMR.
- The Department may also share your information with other government agencies as required or allowed by law.
- You have a right to see your personal information. To do this, contact the Department's Records Request Coordinator, Department of Managed Health Care, Office of Legal Services, 980 9th Street Suite 500, Sacramento CA 95814-2725, or call 916-322-6727.
