B. Joint Powers Agency (JPA) Governing Board

IEHP is governed by a seven (7) member Joint Powers Agency (JPA) Governing Board (IEHP Governing Board). The Board consists of two (2) appointed members from the San Bernardino County Board of Supervisors and two (2) appointed members from the Riverside County Board of Supervisors. In addition, each county's Board of Supervisors appoints a third member to the IEHP Governing Board who is not a member of the Board of Supervisors, but is a resident of the county appointing said member. The seventh member of the Board is appointed by the aforementioned six (6) members of the Board and may be a resident of either County. The term of Office for Board Members is two (2) years, and Board Members may serve consecutive terms.

The IEHP Governing Board has dedicated and pledged sufficient time to support IEHP operations, and is responsible to oversee and provide continuous direction and approval for all phases of IEHP operations. Monthly IEHP Governing Board Meetings are held in public at the Board of Supervisors Chambers, alternating between the San Bernardino and Riverside locations. Board meetings are approximately two (2) hours in duration. At these public meetings, many aspects of IEHP's operations are presented by function/department/area for Board input, direction and approval. Throughout the month, Board Members are consulted in person or by telephone as necessary.

In short, the IEHP Governing Board members devote significant time and involvement to provide continuous direction and approval for all phases of IEHP operations.
