- A. IEHP receives data files including both eligibility and demographic data from the Centers for Medicare and Medicaid Services (CMS).
- B. IEHP processes the eligibility data files received, assigns a PCP and Hospital to each Member and updates Member demographic information.
- C. Recognizing that the network is comprised of Providers with existing systems employing varying technologies, IEHP offers a number of methods for distributing eligibility information to Providers and PCPs.
- D. Providers can receive updated eligibility information on Members through the following methods (Refer to Policy 4B, “Eligibility Verification Methods” for more information):
  - 1. Eligibility files.
  - 2. IEHP website @ [www.iehp.org](http://www.iehp.org).

### B. Eligibility Verification Methods

#### 1. Eligibility Files

---

##### **APPLIES TO:**

- A. This policy applies to all IEHP DualChoice Cal MediConnect Plan (Medicare – Medicaid Plan) Members.

##### **POLICY:**

- A. IEHP processes eligibility data, including assigning a PCP to each Member and updating Member demographics.
- B. Eligibility files created for Providers only contain those Members assigned to the Provider.
- C. IEHP places eligibility files for IPA and Ancillary Providers on the IEHP Secure File Transfer Protocol (SFTP) server in accordance with the schedule published in the IEHP EDI Manual (Provider Eligibility and Encounter File Format Requirements Manual).
- D. Member Eligibility rosters are available on the IEHP website at [www.iehp.org](http://www.iehp.org).
- E. It is the responsibility of each Provider to retrieve eligibility files within three (3) days of file transmission and update their eligibility system.
- F. If month end files are not loaded by the first of the month, Providers must use alternative IEHP methods to verify eligibility. Alternative methods include IEHP’s website, [www.iehp.org](http://www.iehp.org), and the State’s Automated Eligibility Verification System (AEVS). See Policy 4B2, “Eligibility Verification Methods – Eligibility Verification Options.”

##### **PROCEDURES:**

- A. All eligibility files are compressed (to save transmission time), encrypted (for security), and password protected (additional security).
- B. By the first business day of each month, IEHP places a full eligibility file on the IEHP SFTP server.
  - 1. IEHP supplies one (1) copy of the decompression and decryption software necessary, along with a password unique to each Provider, to read the files once retrieved.
  - 2. Each Provider must retrieve their eligibility files within three (3) days of data file transmission and upload them into the eligibility system in place at the Provider’s location.
- C. If month end files are not loaded by the first of the month, Providers must use alternative IEHP methods to verify eligibility. Alternative methods include IEHP’s website, [www.iehp.org](http://www.iehp.org), and the State’s Automated Eligibility Verification System (AEVS).

H. Providers can also access the IEHP formulary through the IEHP Web Page.

I. Providers with any questions regarding the IEHP's Web Page should call an IEHP Provider Relations Team at (909) 890-2054.

**AEVS:** In addition to the IEHP Web Page, Providers may use AEVS to verify Member eligibility outlined below.

A. **AEVS** - For Members who have Medi-Cal coverage.

1. Providers and PCPs can still utilize the State's Automated Eligibility Verification System (AEVS) to verify Member eligibility information. AEVS is available via phone or the internet.
2. AEVS identifies if an individual has Medi-Cal health benefits. If the individual has Medi-Cal benefits, AEVS further identifies if the individual is enrolled in a Managed Care Plan.
3. AEVS can be accessed by calling (800) 456-2387 or logging onto the AEVS website at [www.medi-cal.ca.gov/eligibility/login.asp](http://www.medi-cal.ca.gov/eligibility/login.asp).
4. In order to access AEVS, the Provider needs to have an assigned Medi-Cal Provider Identification Number (PIN), the individual's Benefit Identification Card (BIC) number, date the BIC was issued, and patient's date of birth. See Attachment, "AEVS Alpha Codes" in Section 4, for a quick reference guide to AEVS Key Codes.
5. To obtain a PIN number or to get assistance in using AEVS, please call the EDS Provider Support Center at (800) 541-5555.
6. If AEVS identifies an individual as a Member, but the IEHP Web Page does not confirm this information, please call IEHP's Member Services at (877) 273-4347.
7. AEVS identifies "Pending" Members assigned to IEHP effective the 1<sup>st</sup> of the following month. This enrollment status may change. A Member identified with a "Pending" status does not mean the member is active with IEHP. This is an informational message to indicate that the Member is pending enrollment with IEHP.

### C. Member Co-payments

---

#### APPLIES TO:

- A. This policy applies to all IEHP DualChoice Cal MediConnect Plan (Medicare – Medicaid Plan) Members.

#### POLICY:

- A. IEHP DualChoice Members may have a co-payment for pharmaceuticals depending on their Low-Income Subsidy (LIS) level.

#### PROCEDURE:

- A. IEHP Members are issued an IEHP ID card that identifies the co-payment.
1. IEHP DualChoice Members have no co-pays, except for prescriptions. Centers for Medicare and Medicaid Services (CMS) will notify IEHP of LIS co-pays applied to the Member and LIS co-pay changes that may occur.
  2. Since an IEHP ID card does not guarantee eligibility, Providers must confirm Member eligibility before collecting a co-payment as discussed in Policy 4A, “Eligibility Verification”. Additionally, practitioners are encouraged to verify Members’ identification through secondary means, such as a driver’s license or state ID card with both a picture and signature.
- B. Members who present an IEHP ID card with co-payment amount listed as \$0 will not be charged a co-payment.
1. Providers must confirm whether or not co-payments are required when verifying eligibility even if the Member’s ID card does not indicate \$0 for co-payment.
  2. If the IEHP Web Page system states that no co-payments are required, the practitioner should not collect a co-payment regardless of what the IEHP ID card indicates.
- C. While the Member is present, discrepancies regarding whether or not a co-payment is due should be directed to IEHP Member Services (877) 273-4347.
