

IEHP UM Subcommittee Approved Authorization Guidelines
Table of Contents

- I. Dental**
 - A. Intravenous Sedation and General Anesthesia Coverage for Dental Services
- II. Diagnostic Testing**
 - A. Combined PET/CT Scans
 - B. CT Screening for (Low Dose) Lung Cancer
 - C. DEXA Scan
 - D. Diabetes Retinopathy Screening
 - E. Elastography
 - F. Electroencephalogram (EEG)
 - G. FE_{NO}
 - H. Genetic Testing for BRCA 1 and BRCA 2 Mutations for Assessing Breast and Ovarian Cancer Risk
 - I. Inflammatory Bowel Disease Serology
 - J. Magnetic Resonance of Spectroscopy
 - K. MRI of the Breast
 - L. MRI Utilization in the Diagnosis of ADHD or Autism
 - M. Vestibular Autorotation Test (VAT)
 - N. Video EEG
- III. DME and Medical Supplies**
 - A. Attain Performa Quadripolar Lead Study
 - B. Binaural (Analog or Digital) Hearing
 - C. Cold Therapy **Revised 2/13/19**
 - D. Durable Medical Equipment
 - E. Electrical Stimulation Modalities (H-wave stimulation, interferential stimulation)
 - F. Compression Garments
 - G. Home Use of Oxygen
 - H. Nebulizers
 - I. Power Wheelchairs and Power Operated Vehicles
 - J. Vagus Nerve Stimulation
- IV. Ear, Nose & Throat**
 - A. Balloon Sinuplasty
 - B. Obstructive Sleep Apnea (OSA) Treatment
 - C. Sleep Studies Prior to Tonsillectomy
- V. Gynecology Obstetrics**
 - A. Antepartum Fetal Assessment
 - B. Fetal Echocardiogram
 - C. Full Integrated and Serum Integrated Screening for All Women

VI. Neurology

- A. Bone Marrow Transplant in the Treatment of Multiple Sclerosis
- B. Intravenous Immunoglobulin for Multiple Sclerosis

VII. Oncology

- A. Bevacizumab (Avastin) for Non-Small Cell Lung Cancer
- B. Selective Internal Radiation Therapy (S.I.R.T.)

VIII. Orthopedic

- A. Foot Orthotics
- B. Intradiscal Electrothermal Annuloplasty for Discogenic Pain
- C. Lumbar Artificial Disc Replacement
- D. Non-Surgical Decompression Therapy for the Treatment of Lumbosacral Pain
- E. Treatment of Osteochondral Defects
- F. Percutaneous Vertebroplasty and Kyphoplasty
- G. Physical Therapy Guidelines for Chronic Conditions
- H. PILD and MILD Procedures
- I. Prolotherapy and Platelet Enriched Plasma Injection

IX. Other

- A. Acupuncture Services
- B. Care Plan Option
- C. Complementary and Alternative Medicine or Holistic Therapies
- D. Congregate Living Health Facilities
- E. Criteria for Custodial Care
- F. Hepatitis C- Center of Excellence (COE) Admission Criteria
- G. Hyperbaric Oxygen Therapy
- H. Inpatient Detoxification
- I. My Path (Palliative Care)
- J. Recuperative Care Medicine
- K. Tertiary Care Center Referral Requests
- L. Transitional Care Medicine
- M. Transportation Criteria

X. Pain Management

- A. Genicular Nerve Neurotomy
- B. Pain Management-Center of Excellence (COE)
- C. Pain Management –Interventional Treatment/Diagnostic Treatment
- D. Pain Specialist Referral
- E. Sacroiliac Joint Fusion

XI. Pediatrics

- A. Apnea Monitors and Home Pneumograms
- B. Screening Assessment and Treatment of Autism Disorder
- C. Deflux Injectible Gel for VUR in Children

XII. Surgical Procedures

- A. Adolescent Bariatric Surgery
- B. Bronchial Thermoplasty
- C. Gender Dysphoria
- D. Liver Biopsy in Conjunction with Bariatric Surgery
- E. Natural Orifice Transluminal Endoscopic Surgery (Notes)
- F. Provider Supervised Weight Loss Checklist
- G. Robotically Assisted Surgery
