Medicare	Epic	Denial Notification Timeliness Rate	IEHP Monitoring	Standard not met 2 consecutive months.	2/11/2026	3/17/2026 Follow up: 6/17/2026	Open & Monitoring	N/A
Medicare	IEHP	Part D: Transition	Audit	IEHP DualChoice CMS Mock Audit: The sponsor failed to create an accurate enrollment record for a new enrollee. Instead, the sponsor mistakenly edited the profile of an existing enrollee with the same name as the new enrollee. This error resulted in the new enrollee being unable to access any of their prescribed medications. This issue was attributed to a staffing error.	1/28/2026	4/20/2026	CAP Accepted Validation Scheduled	7999379
Medicare	IEHP	Compliance Program	Audit	IEHP DualChoice CMS Mock Audit: Sponsor's Compliance Officer failed to demonstrate an understanding of the guidance and requirements surrounding the operation or sufficient involvement and awareness of issues of noncompliance within the business areas.	1/23/2026	6/1/2026	CAP Accepted Validation Scheduled	7999379 8580442
Medicare	IEHP	Compliance Program	Audit	IEHP DualChoice CMS Mock Audit: Sponsor did not establish and implement an effective system for routine monitoring based on the identification of compliance risks.	1/23/2026	8/31/2026	CAP Accepted Validation Scheduled	7999379 8580442
Medicare	IEHP	Compliance Program	Audit	IEHP DualChoice CMS Mock Audit: Sponsor did not communicate issues of noncompliance in a timely manner, preventing the Compliance Department from promptly responding to the issues.	1/23/2026	8/1/2026	CAP Accepted Validation Scheduled	7999379 8580442
Medicare	IEHP	Compliance Program	Audit	IEHP DualChoice CMS Mock Audit: Sponsor did not establish and implement procedures and a system for promptly responding to compliance issues as they are raised, investigating potential compliance problems as identified in the course of self-evaluations and audits, correcting such problems promptly and thoroughly to reduce the potential for recurrence, and ensure ongoing compliance with CMS requirements	1/23/2026	8/1/2026	CAP Accepted Validation Scheduled	7999379 8580442
Medicare	IEHP	Pre-Service Coverage Determination	Audit	IEHP DualChoice CMS Mock Audit: Sponsor did not make appropriate pre-service coverage determination for Medicare Part C for required services. The enrollee requested admission to a skilled nursing facility following a 30-day inpatient hospitalization. Although inpatient hospital records were available, the Sponsor did not review these records or conduct outreach to the treating provider(s) to obtain medical records prior to issuing the inpatient hospital denial.	1/23/2026	3/23/2026	CAP Accepted Validation Scheduled	7999379
Medicare	IEHP	Part D Formulary Administration	Audit	IEHP DualChoice CMS Mock Audit: Sponsor improperly effectuated a prior authorization or exception request. The first root cause was the sponsor's failure to apply the correct quantity limit dosage on an approved quantity limit exception The second root cause was the sponsor's failure to configure a prior authorization to ensure the medication could be paid under the Part D benefit for a hospice enrollee The third root cause was the sponsor's failure to properly effectuate a non-formulary exception for an enrollee who had received approval to access the non-formulary brand version of a product	1/23/2026	TBD	CAP In Progress	7999379

2026 Q1 Corrective Action Plans (CAPs) Log

LOB	Entity Issued To	Topic/Function	Method of Identification	Description of Issue	Issue Date	Implementation Date	Status	Reference Number(s)
Medicare	IEHP	Part D: Transitions	Audit	IEHP DualChoice CMS Mock Audit: Sponsor failed to properly administer the CMS transition policy. The sponsor failed to provide a transition fill for a brand-name medication that required prior authorization. The enrollee was improperly denied access to their prescribed medication.	1/23/2026	TBD	CAP In Progress	7999379
Medicare	IEHP	Processing of Coverage	Audit	IEHP DualChoice CMS Mock Audit: Sponsor failed to send required correspondence to enrollees' representatives. Sponsor's pharmacy department did not follow its coverage determination and redetermination notification processes for sending correspondence to enrollees' authorized representatives. Enrollees' representatives did not receive notification of coverage determination or redetermination decisions. This results in representatives not having the information required to take appropriate action.	1/23/2026	TBD	CAP In Progress	7999379
Medicare	IEHP	Processing of Coverage	Audit	IEHP DualChoice CMS Mock Audit: Sponsor made inappropriate denials when processing coverage determinations. There are two (2) cases impacted. In both instances, it is recommended to perform timely oversight of cases to ensure appropriate clinical decisions	1/23/2026	TBD	CAP In Progress	7999379
Medicare	IEHP	Individualized Care Plans	Audit	IEHP DualChoice CMS Mock Audit: The Sponsor did not review and/or revise Individualized Care Plans (ICPs) in accordance with its approved Model of Care (MOC) or as warranted by changes in the enrollee's health status.	1/23/2026	3/1/2026	CAP Validation in Progress	7999379
Medicare	IEHP	Individualized Care Plans	Audit	IEHP DualChoice CMS Mock Audit: The Sponsor did not effectively coordinate communication of ICPs among plan personnel, providers, and enrollees.	1/23/2026	3/1/2026	CAP Validation in Progress	7999379
Medicare	IEHP	Individualized Care Plans	Audit	IEHP DualChoice CMS Mock Audit: The Sponsor did not provide evidence of ICP implementation through care or case management documentation. There was no supporting documentation in the care or case management notes to confirm that ICPs were actively executed or monitored as required.	1/23/2026	4/1/2026	CAP Validation in Progress	7999379
Medicare	IEHP	Individualized Care Plans	Audit	IEHP DualChoice CMS Mock Audit: Individualized Care Plans (ICP) did not address issues identified in Health Risk Assessments (HRA). The Sponsor lacked a standardized process to ensure that findings from HRAs were systematically incorporated into the development and updating of each enrollee's ICP.	1/23/2026	3/1/2026	CAP Validation in Progress	7999379
Medicare	IEHP	Adverse Payment Decisions	Audit	IEHP DualChoice CMS Mock Audit: Sponsor did not pay non-contract provider and/or enrollee-submitted claims or provide notification of its adverse payment decisions within CMS-required timeframes. The sponsor did not forward the upheld decisions to the IRE no later than 60 calendar days after the receipt of the request.	1/23/2026	4/15/2026	CAP Accepted Validation Scheduled	7999379
