How to Get Care – Choice of Physicians and Providers

When You enroll in this Plan, You must select a Network Primary Care Physician (*"PCP"*). Your PCP will manage Your medical care. PCP will provide or obtain authorization for covered medical service except for:

- Emergency services.
- Out-of-network urgent care while out of the service area.
- Preventive health services (including immunizations) in-network.
- Obstetrician and gynecological services in-network.
- Sexual and reproductive health care services in-network.
- Certain behavioral health and substance use disorder services in-network.

Call Your PCP directly to set up a visit. To obtain a listing of the Network Primary Care Physicians in the IEHP Service Area, visit the IEHP website at iehp.org and click "Find a doctor." You can also call IEHP Member Services 1-855-433-IEHP (4347) (TTY 711).

Selecting a Primary Care Physician

Each member of Your household that is enrolled with IEHP may select a different PCP. Contact IEHP Member Services to select a PCP. If You and Your Enrolled Dependent(s) did not select a PCP after enrolling, IEHP will assign a PCP based on:

- The language You speak.
- The distance to a PCP office from Your house. We try to assign You a PCP within 10 miles.
- The PCP's specialty most appropriate for the Member's age.

For children, a pediatrician may be assigned as the PCP. Until You make Your PCP choice, IEHP assigns one for You.

Changing Your PCP

If You would like to change Your or Your Dependent's PCP, please call IEHP Member Services at 1-855-433-IEHP (4347) (TTY 711). You may also make this change by visiting the IEHP website at iehp.org.

The requested PCP change will be effective the following day.

Cómo Seleccionar un Médico de Atención Primaria

Cada integrante en su hogar que esté inscrito en IEHP puede seleccionar un PCP diferente. Por favor, comuníquese con Servicios para Miembros de IEHP para seleccionar un PCP. Si usted y su(s) dependiente(s) inscrito(s) no seleccionaron un PCP después de inscribirse, IEHP les asignará un PCP con base en:

- El idioma que usted habla
- La distancia al consultorio de un PCP desde su casa. Intentamos asignarle un PCP en un radio de 10 millas.
- La especialidad del PCP más adecuada para la edad del miembro.

En el caso de los niños, se puede asignar un pediatra como PCP. Hasta que usted elija un PCP, IEHP le asignará uno.

Cómo Cambiar su PCP

Si desea cambiar su PCP o el de su dependiente, llame a Servicios para Miembros de IEHP al 1-855-433-IEHP (4347) (TTY 711). También puede realizar este cambio visitando el sitio web de IEHP en iehp.org.
