## A. Welcome to our plan

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

IEHP DualChoice is brought to you by Inland Empire Health Plan (IEHP). IEHP is a local, not-for-profit health plan serving over one million residents of Riverside and San Bernardino Counties since 1996.

IEHP contracts with a network of more than 1,000 primary care providers (PCPs), over 4,000 specialists, 400 vision providers, 31 hospitals and more than 725 pharmacies so you can get the care you need.

Learn more about your benefits in Chapter 4 (Benefits Chart) of this IEHP DualChoice Member Handbook.

## B. Information about Medicare and Medi-Cal

### B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

### B2. Medi-Cal

Medi-Cal is the name of California's Medi-Cal program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of California approved our plan. You can get Medicare and Medi-Cal services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services is not affected.

---

## C. Advantages of our plan

You will now get all your covered Medicare and Medi-Cal services from our plan, including prescription drugs. **You do not pay extra to join this health plan.**

We help make your Medicare and Medi-Cal benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
  - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
  - Your test results are shared with all of your doctors and other providers, as appropriate.

**New members to IEHP DualChoice:** In most instances you will be enrolled in IEHP DualChoice for your Medicare benefits the 1st day of the month after you request to be enrolled in IEHP DualChoice. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through IEHP

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## D. Our plan's service area

Our service area includes all zip codes residing in Riverside and San Bernardino counties.

Only people who live in our service area can join our plan.

**You cannot stay in our plan if you move outside of our service area.** Refer to **Chapter 8** of your *Member Handbook* for more information about the effects of moving out of our service area.

---

## E. What makes you eligible to be a plan member

You are eligible for our plan as long as you:

- live in our service area (incarcerated individuals are not considered living in the service area even if they are physically located in it), **and**
- are age 21 and older at the time of enrollment, **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Medi-Cal, **and**

If you lose Medi-Cal eligibility but can be expected to regain it within 3 months then you are still eligible for our plan..

Call Member Services for more information.

---

## F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

---

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

**If our plan is new for you**, you can keep using the doctors you use now for a certain amount of time, if they are not in our network. We call this continuity of care. If they are not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider asks us to let you keep using your current provider.
- We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say “existing relationship,” it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in our plan.
  - We determine an existing relationship by reviewing your available health information available or information you give us.
  - We have 30 days to respond to your request. You can ask us to make a faster decision, and we must respond in 15 days. If you are at risk of harm, we must respond within 3 days.
  - You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

**Note:** You can make this request for providers of Durable Medical Equipment (DME) for at least 90 days until we authorize a new rental and have a network provider deliver the rental. Although you cannot make this request for providers of Non-Emergency Medical Transportation (NEMT), Non-Medical Transportation (NMT) or other ancillary providers, you can make a request for services of transportation or other ancillary services not included in our plan.

After the continuity of care period ends, you will need to use doctors and other providers in the IEHP DualChoice network that are affiliated with your primary care provider’s medical group, unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. Our plan’s PCPs are affiliated with medical groups or Independent Physicians Associations (IPA)s. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are affiliated with their medical group. A medical group or IPA is a group of physicians, specialists, and other providers of health services that see IEHP Members. Your PCP, along with the medical group or IPA, provides your medical care. This includes getting authorization to see specialists or medical services such as lab tests, x-rays, and/or hospital admittance. In some cases, IEHP is your medical group or IPA. Refer to **Chapter 3** of your *Member Handbook* for more information on getting care.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## G. Your care team and care plan

### G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

### G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services.

Your care plan includes:

- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

- Plan premium (Section H1)

**In some situations, your plan premium could be less.**

### H1. Plan premium

As a member of your plan, you pay a monthly plan premium. For 2024, the monthly premium for IEHP DualChoice is \$0-\$41.00. Since you qualify for “Extra Help”, the basic Part D premium is paid for on your behalf. If there are changes in your “Extra Help” status, you are responsible for paying your premium. Please see Chapter 6 for more information.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## I. Your Member Handbook

Your *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of your *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website at the web address at the bottom of the page.

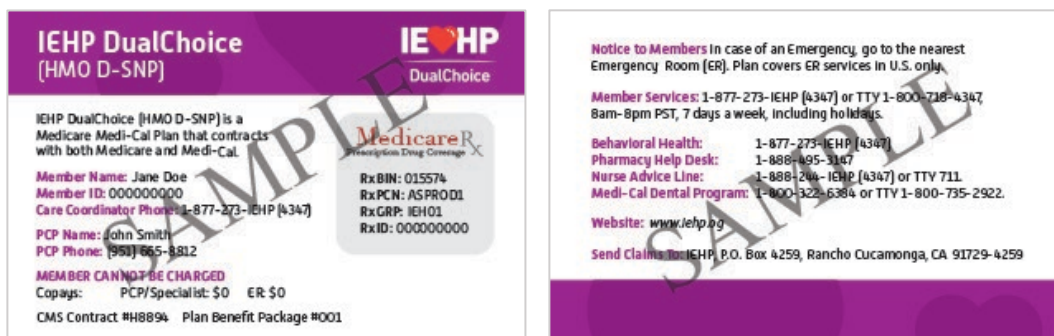

The contract is in effect for the months you are enrolled in our plan between January 1, 2024 and December 31, 2024.

## J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*, also known as a *Formulary*.

### J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Medi-Cal services, including LTSS, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We will send you a new card.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card or your Medi-Cal card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to **Chapter 7** of your *Member Handbook* to find out what to do if you get a bill from a provider.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access the following services:

- Medi-Cal Dental Services
- Outpatient prescription drugs not covered by Medicare
- Over-the-counter drugs and certain vitamins covered by Medi-Cal Rx

## **J2. Provider and Pharmacy Directory**

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days.

You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), pharmacies, and support providers (such as Community-Based Adult Services [CBAS]) that you may see as an IEHP DualChoice member. We also list the pharmacies that you may use to get your prescription drugs.

### **Definition of network providers**

- Our network providers include:
  - doctors, nurses, and other health care professionals that you can use as a member of our plan;
  - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and,**
  - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medi-Cal.

Network providers agree to accept payment from our plan for covered services as payment in full.

### **Definition of network pharmacies**

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

### **J3. List of Covered Drugs**

The plan has a *List of Covered Drugs*. We call it the “Drug List” for short. It tells you which prescription drugs our plan covers.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of your *Member Handbook* for more information.

Each year, we send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

### **J4. The Explanation of Benefits**

When you use your Medicare Part D prescription drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D prescription drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D prescription drugs and the total amount we paid for each of your Medicare Part D prescription drugs during the month. This EOB is not a bill. The EOB has more information about the drugs you take. **Chapter 6** of your *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

---

## **K. Keeping your membership record up to date**

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. Our network providers and pharmacies also need correct information about you. **They use your membership record to know what services and drugs you get and how much they cost you.**

Tell us right away about the following:

- changes to your name, your address, or your phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse’s employer, or your domestic partner’s employer, or workers’ compensation;

- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and,**
- if you take part in a clinical research study. (**Note:** You are not required to tell us about a clinical research study you are in or become part of, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

## A. Information about services and providers

**Services** are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of your *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of your *Member Handbook*.

**Providers** are doctors, nurses, and other people who give you services and care. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

**Network providers** are providers who work with our plan. These providers agree to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

---

## B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Medi-Cal. This includes certain behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means we include it in our Benefits Chart in **Chapter 4** of your *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean important services that are reasonable and protect life. Medically necessary care is needed to keep individuals from getting seriously ill or becoming disabled and reduces severe pain by treating disease, illness, or injury. For medical services, you must have a network **primary care provider (PCP)** who orders the care or tells you to use another doctor. As a plan member, you must choose a network provider to be your PCP.
  - In most cases, our plan must give you approval before you can use a provider that is not your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services. To learn more about referrals, refer to page 39.
  - Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP refers you to specialists and services that are also affiliated with their medical group. A medical group or Independent Physician Association (IPA) is a group of physicians, specialists, and other providers of health services that see IEHP Members. Your

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

PCP, along with the medical group or IPA, provides your medical care. This includes getting authorization to see specialists or medical services such as lab tests, x-rays, and/or hospital admittance. In some cases, your PCP will be directly contracted with IEHP.

- You do not need a referral from your PCP for emergency care or urgently needed care, to use a woman's health provider, or for any of the other services listed in section D1 of this chapter.
- **You must get your care from network providers that are affiliated with your PCP's medical group.** Usually, we won't cover care from a provider who doesn't work with our health plan and your PCP's medical group. This means that you will have to pay the provider in full for the services provided. Here are some cases when this rule does not apply:
  - We cover emergency or urgently needed care from an out-of-network provider (for more information, refer to Section H in this chapter).
  - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. Prior authorization must be obtained from IEHP prior to receiving care. In this situation, we cover the care as if you got it from a network provider **or** at no cost to you.
  - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. You can get these services at a Medicare-certified dialysis facility.
  - When you first join our plan, you can ask to continue using your current providers. With some exceptions, we must approve this request if we can establish that you had an existing relationship with the providers. Refer to **Chapter 1** of your *Member Handbook*. If we approve your request, you can continue using the providers you use now for up to 12 months for services. During that time, your care coordinator will contact you to help you find providers in our network that are affiliated with your PCP's medical group. After 12 months, we no longer cover your care if you continue to use providers that are not in our network and not affiliated with your PCP's medical group. For help with transitioning your Medicare or Medi-Cal covered services as a new member of our plan, you can call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

**New members to IEHP DualChoice:** In most instances you will be enrolled in IEHP DualChoice for your Medicare benefits the 1st day of the month after you request to be enrolled in IEHP DualChoice. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through

## **D. Care from providers**

### **D1. Care from a primary care provider (PCP)**

You must choose a PCP to provide and manage your care. Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group.

#### **Definition of a PCP and what a PCP does do for you**

A PCP is your primary care provider. You will usually see your PCP first for most of your routine health care needs. Your PCP will also help you arrange or coordinate the rest of the covered services you get as a member of IEHP DualChoice. "Coordinating" your services includes checking or consulting with other plan providers about your care and how it is going. This includes:

- your x-rays;
- laboratory tests;
- therapies;
- care from doctors who are specialists;

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- hospital admissions, and
- follow-up care.

### **What types of providers may act as a PCP?**

As an IEHP DualChoice Member, you can choose any PCP in your Provider and Pharmacy Directory. Each enrolled family member may choose their own PCP. Your PCP may be one of the following types of providers:

- Family and General Practice Doctors usually can see the whole family
- Internal Medicine Doctors
- Obstetricians and Gynecologists (OB/GYNs) specialize in women's health and maternity care.

To check age restrictions for a specific PCP, or if you have any questions about your PCP's medical school education, residency, or board certification status, call IEHP DualChoice Member Services.

### **What services does the PCP furnish and what services can you get on your own?**

You will usually see your PCP first for most of your routine health care needs such as physical check-ups, immunization, etc. When your PCP thinks that you need specialized treatment or supplies, your PCP will need to get prior authorization (i.e., prior approval) from IEHP DualChoice and/or medical group. This is called a referral. It is very important to get a referral from your PCP before you see a plan specialist or certain other providers. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.

### **Your choice of PCP**

You can choose your PCP by using the Provider and Pharmacy Directory or calling IEHP DualChoice Member Services. If there is a particular specialist or hospital that you want to use, check first to be sure your PCP makes referrals to that specialist, or uses that hospital. The name and office telephone number of your PCP is printed on your membership card.

- 1) Questions you may want to ask when you call IEHP DualChoice to choose or change your PCP include:
  - What type of PCP is best for you?
  - Does the PCP have an age limit for patients?
  - How close is the PCP to your home?
  - Is the PCP's office open evenings and/or weekends?

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- To which hospital can the PCP admit you to?
  - What languages do the PCP and office staff speak?
- 2) Also, if you have specific concerns, you may want to ask about them before you choose a PCP. Call the PCP's office to find out such things as:
- If the PCP will see more than one family member at a time for an appointment.
  - If the PCP takes walk-ins and/or same day appointments.
  - If the PCP will charge to complete forms, and if so, how much?
  - To which lab does the PCP send patients for lab work?
  - If you will be able to see your assigned PCP, or if you will see other providers in the office.
  - If you or a family member has a disability, is the PCP's office accessible?
- 3) PCPs are usually linked to certain hospitals. When you choose your PCP, remember the following:
- You must choose your PCP from your Provider and Pharmacy Directory. Call IEHP DualChoice Member Services if you need help in choosing a PCP or changing your PCP.
  - Choose a PCP that is within 10 miles or 15 minutes of your home.
  - The PCP you choose can only admit you to certain hospitals. Try to choose a PCP that can admit you to the hospital you want within 30 miles or 45 minutes of your home.
  - Some hospitals have "hospitalists" who specialize in care for people during their hospital stay. If you are admitted to one of these hospitals, a "hospitalist" may serve as your caregiver as long as you remain in the hospital. When you are discharged from the hospital, you will return to your PCP for your health care needs.
  - If you need to change your PCP for any reason, your hospital and specialist may also change. Your PCP should speak your language. However, your PCP can always use Language Line Services to get help from an interpreter, if needed.

If you do not choose a PCP when you join IEHP DualChoice, we will choose one for you. We will send you a letter with your PCP's information. Remember, you can request to change your PCP at any time.

### **Option to change your PCP**

You may change your PCP for any reason, at any time. Also, it's possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

IEHP DualChoice Member Services can assist you in finding and selecting another provider. You can change your PCP by calling IEHP DualChoice Member Services. Remember that your PCP is linked to a hospital, specialist, and other health care Providers. When you change your PCP, you may also be changing the other Providers you can see. You should ask your new PCP if a new referral is needed.

The date you ask to change your PCP affects when you can start seeing the new PCP. If your change request is received by IEHP DualChoice on or before the 25th of the month, the change will be effective the first day of the following month. If your change request is received by IEHP DualChoice after the 25th of the month, the change will be effective the first day of the subsequent month. Call IEHP DualChoice Member Services to find out when you can see your new PCP at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users may call 1-800-718-IEHP (4347). You can make a request to change your PCP once a month.

### **Services you can get without approval from your PCP**

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- emergency services from network providers or out-of-network providers.
- urgently needed care from network providers. For more information, see “Urgent Care” in Chapter 4 (*Benefits Chart*).
- urgently needed care from out-of-network providers when you can't get to a network provider (for example, if you're outside our plan's service area or during the weekend) For more information, see “Urgent Care” in Chapter 4 (*Benefits Chart*).

**Note:** Urgently needed care must be immediately needed and medically necessary.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. Call Member Services before you leave the service area. We can help you get dialysis while you're away.
- Flu shots and COVID-19 vaccinations as well as hepatitis B vaccinations and pneumonia vaccinations as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Family planning services (see Chapter 4 [*Benefits Chart*]) as long as you get them from a network provider.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- Preventative services
- Sexually transmitted infection (STI) diagnosis and treatment
- Sensitive and confidential services
- HIV testing and counseling at the Local Health Department
- Biomarker testing for advanced or metastatic stage 3 or 4 cancers
- Additionally, if eligible to get services from Indian health providers, you may use these providers without a referral.

## D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.
- You will usually see your primary care provider (PCP) first for most of your routine healthcare needs such as physical checkups, immunizations, etc.
- When your PCP thinks that you need specialized treatment or supplies, your PCP will need to submit a referral to get a prior authorization from IEHP DualChoice and/or medical group. Prior authorization means that you must get approval from IEHP DualChoice and/or medical group before getting a specific service or drug. This is called a referral.
- Your PCP will send a referral to IEHP DualChoice or medical group. It is very important to get a referral from your PCP before you see a specialist or certain other providers. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.
- PCPs are usually linked to certain hospitals and specialists. When you choose a PCP, it also determines what hospitals and specialists the PCP refers.

## D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have certain rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- We will notify you that your provider is leaving our plan so that you have time to select a new provider.
  - If your primary care or behavioral health provider leaves our plan, we will notify you if you have seen that provider within the past three years.
  - If any of your other providers leave our plan, we will notify you if you are assigned to the provider, currently receive care from them, or have seen them within the past three months.
- We will help you select a new qualified in-network provider to continue managing your health care needs.
- If you are currently undergoing medical treatment or therapies with your current provider, you have the right to ask, and we work with you to ensure, that the medically necessary treatment or therapies you are getting continues.
- We will provide you with information about the different enrollment periods available to you and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization is required, please see section D.4 for additional information.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the QIO, a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

If you find out one of your providers is leaving our plan, contact us. We can assist you in finding a new provider and managing your care. For more help, you can contact IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

#### **D4. Out-of-network providers**

If a Member requires medical services that are not available in the service area, care must be directed and approved by IEHP or the IPA. The primary care provider (PCP) and/or specialist must submit a request for services with all supporting documentation (progress notes, lab/test results, etc.) to IEHP or the IPA. The IEHP or IPA staff will work with their Contracts Department to secure a Letter of Agreement.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medi-Cal.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medi-Cal.
- If you use a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

Another type of LTSS, the In Home Supportive Services program is available through your county social service agency.

## G. Transportation services

### G1. Medical transportation of non-emergency situations

You are entitled to non-emergency medical transportation if you have medical needs that don't allow you to use a car, bus, or taxi to your appointments. Non-emergency medical transportation can be provided for covered services such as medical, dental, mental health, substance use, and pharmacy appointments. If you need non-emergency medical transportation, you can talk to your PCP or treating provider and ask for it. Your PCP or treating provider will decide the best type of transportation to meet your needs. If you need non-emergency medical transportation, they will prescribe it by completing a form and submitting it to IEHP DualChoice for approval. Depending on your medical need, the approval is good for one year. Your PCP or treating provider will reassess your need for non-emergency medical transportation for re-approval every 12 months.

Non-emergency medical transportation is an ambulance, litter van, wheelchair van, or air transport. IEHP DualChoice allows the lowest cost covered transportation mode and most appropriate non-emergency medical transportation for your medical needs when you need a ride to your appointment. For example, if you can physically or medically be transported by a wheelchair van, IEHP DualChoice will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

Non-emergency medical transportation must be used when:

- You physically or medically need it as determined by written authorization from your PCP or treating provider because you are not able to use a bus, taxi, car, or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle, or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent **routine appointments**, call Call the Car at 1-855-673-3195, 24 hours a day, 7 days a week. For TTY users, call your relay service or California Relay Service at 711 at least 5 business days (Monday-Friday) before your appointment. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Medical transportation limits

IEHP DualChoice covers the lowest cost medical transportation that meets your medical needs from your home to the closest provider where an appointment is available. Medical transportation will not be provided if Medicare or Medi-Cal does not cover the service. If the appointment type is covered by Medi-Cal but not through the health plan, IEHP DualChoice will help you schedule your transportation. A list of covered services is in Chapter 4 of this handbook. Transportation is not covered outside IEHP DualChoice's network or service area unless pre-authorized.

## G2. Non-medical transportation

Non-medical transportation benefits include traveling to and from your appointments for a service authorized by your provider. You can get a ride, at no cost to you, when you are:

- Traveling to and from an appointment for a -service authorized by your provider, or
- Picking up prescriptions and medical supplies.

IEHP DualChoice allows you to use a car, taxi, bus, or other public/private way of getting to your non-medical appointment for services authorized by your provider. IEHP DualChoice uses Call the Car to arrange for non-medical transportation. We cover the lowest cost, non-medical transportation type that meets your needs.

Sometimes, you can be reimbursed for rides in a private vehicle that you arrange. IEHP DualChoice must approve this **before** you get the ride, and you must tell us why you can't get a ride in another way, like taking the bus. You can tell us by calling or emailing, or in person. **You cannot be reimbursed for driving yourself.**

Mileage reimbursement requires all of the following:

- The driver's license of the driver.
- The vehicle registration of the driver.
- Proof of car insurance for the driver.

To ask for a ride for services that have been authorized, call our IEHP DualChoice vendor, Call the Car, at 1-855-673-3195, 24 hours a day, 7 days a week. For TTY users, call your relay service or California Relay Service at 711 at least 5 business days (Monday-Friday) before your appointment. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

**Note:** American Indians may contact their local Indian Health Clinic to ask for non-medical transportation.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Non-medical transportation limits

IEHP DualChoice provides the lowest cost non-medical transportation that meets your needs from your home to the closest provider where an appointment is available. **You cannot drive yourself or be reimbursed directly.**

Non-medical transportation does **not** apply if:

- An ambulance, litter van, wheelchair van, or other form of non-emergency medical transportation is needed to get to a service.
- You need assistance from the driver to and from the residence, vehicle, or place of treatment due to a physical or medical condition.
- You are in a wheelchair and are unable to move in and out of the vehicle without help from the driver.
- The service is not covered by Medicare or Medi-Cal.

## H. Covered services in a medical emergency, when urgently needed, or during a disaster

### H1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or to that of your unborn child; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant woman in active labor, when:
  - There is not enough time to safely transfer you to another hospital before delivery.
  - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need approval or a referral from your PCP. You do not need to use a network provider. You may get emergency medical care

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

whenever you need it, anywhere in the U.S. or its territories, from any provider with an appropriate state license.

- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

### **Covered services in a medical emergency**

If you need an ambulance to get to the emergency room, our plan covers that. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of your *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

### **Getting emergency care if it wasn't an emergency**

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

After the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

## **H2. Urgently needed care**

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or a severe sore throat that occurs over the weekend and need treatment.

### **Urgently needed care in our plan's service area**

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

If it is not possible or reasonable to get to a network provider, we cover urgently needed care you get from an out-of-network provider.

If you don't know if the injury or illness is urgent, call your Primary Care Provider (PCP). You should always go to your PCP for care. If you can't reach your PCP after hours, call the 24-hour Nurse Advice Line at 1-888-244-IEHP (4347) or TTY Line at 1-866-577-8355 to get help when you need it. If needed, our Nurse can connect you to speak with a Doctor by phone or video chat. If our nurse thinks you need more help, they will point you to an open Urgent Care Clinic nearby. Urgent Care clinics are open after hours and weekends, and some provide lab work and x-rays.

### **Urgently needed care outside our plan's service area**

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States.

### **H3. Care during a disaster**

If the governor of California, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: [www.iehp.org](http://www.iehp.org).

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your prescription drugs at an out-of-network pharmacy. Refer to **Chapter 5** of your *Member Handbook* for more information.

---

## **I. What to do if you are billed directly for services our plan covers**

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay the bill.

**You should not pay the bill yourself. If you do, we may not be able to pay you back.**

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of your *Member Handbook* to find out what to do.

## **I1. What to do if our plan does not cover services**

Our plan covers all services:

- that are determined medically necessary, **and**

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of your *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan does not cover, **you pay the full cost yourself**, unless it is covered by another Medi-Cal program outside our plan.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

**Chapter 9** of your *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

## **J. Coverage of health care services in a clinical research study**

### **J1. Definition of a clinical research study**

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, and you express interest, someone who works on the study contacts you. That person tells you about the study and finds out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must understand and accept what you must do in the study.

While you're in the study, you may stay enrolled in our plan. That way, our plan continues to cover you for services and care not related to the study.

If you want to take part in any Medicare-approved clinical research study, you do **not** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study do **not** need to be network providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations (NCDs) and investigational device trials (IDE) and may be subject to prior authorization and other plan rules.

**We encourage you to tell us before you take part in a clinical research study.**

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you will take part in a clinical trial.

## **J2. Payment for services when you are in a clinical research study**

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that is part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare has **not** approved, you pay any costs for being in the study.

## **J3. More about clinical research studies**

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website ([www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf](http://www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf)). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## **K. How your health care services are covered in a religious non-medical health care institution**

### **K1. Definition of a religious non-medical health care institution**

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

### **K2. Care from a religious non-medical health care institution**

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

- "Non-excepted" medical treatment is any care that is **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care that is **not voluntary and is required** under federal, state, or local law.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility:
  - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
  - You must get approval from us before you are admitted to the facility, or your stay will **not** be covered.

Our plan covers an unlimited number of days for an inpatient hospital stay when medically necessary. (See the Benefits Chart in Chapter 4).

## L. Durable medical equipment (DME)

### L1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own certain items, such as prosthetics.

In this section, we discuss DME you rent. As a member of our plan, you *usually* will **not** own DME, no matter how long you rent it.

In certain limited situations, we transfer ownership of the DME item to you. Call Member Services to find out about requirements you must meet and papers you need to provide.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you will **not** own the equipment.

### L2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

**Note:** You can find definitions of Original Medicare and MA Plans in Chapter 12. You can also find more information about them in the *Medicare & You 2024* handbook. If you don't have a copy of this booklet, you can get it at the Medicare website ([www.medicare.gov/medicare-and-](http://www.medicare.gov/medicare-and-)

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

you) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If Medi-Cal is not elected, you will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

### **L3. Oxygen equipment benefits as a member of our plan**

If you qualify for oxygen equipment covered by Medicare and you're a member of our plan, we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

### **L4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan**

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Chapter 4: Benefits chart

### Introduction

This chapter tells you about the services our plan covers and any restrictions or limits on those services. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

**New members to IEHP DualChoice:** In most instances you will be enrolled in IEHP DualChoice for your Medicare benefits the 1st day of the month after you request to be enrolled in IEHP DualChoice. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through IEHP DualChoice. There will be no gap in your Medi-Cal coverage. Please call us at 1-877-273-IEHP (4347) (TTY: 1-800-718-4347) if you have any questions

## A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that are not covered. Information about drug benefits is in **Chapter 5** of your *Member Handbook*. This chapter also explains limits on some services.

Because you get assistance from Medi-Cal, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of your *Member Handbook* for details about the plan's rules.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

### A1. During public health emergencies

IEHP DualChoice ensures that you can access medically necessary health care services, equipment, and covered drugs in case of a Federal, State or public health emergency.

IEHP DualChoice will inform you of the nature of emergency and changes that we will put in place during the state of emergency to ensure you continue to receive medically necessary services. These include but are not limited to: not requiring prior authorization for some drugs and services; allowing you to see a doctor outside of the IEHP DualChoice network if your Provider who is in the IEHP DualChoice network is unavailable due to the emergency; and stopping limitations to prescription refills and allowing you to refill your prescriptions at a pharmacy outside of the IEHP DualChoice network.

If you need more information, call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

---

## B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

**You should never get a bill from a provider for covered services.** If you do, refer to **Chapter 7** of your *Member Handbook* or call Member Services.

---

## C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

**We pay for the services listed in the Benefits Chart when the following rules are met.** You do **not** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Medi-Cal covered services according to the rules set by Medicare and Medi-Cal.
- The services including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs must be “medically necessary.” Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you receive from an out-of-network provider will not be covered unless it is an emergency or urgently needed care or unless your plan or a network provider has given you a referral. **Chapter 3** of your Member Handbook has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can use a provider that is not your PCP or use other providers in the plan’s network. This is called a referral. **Chapter 3** of your Member Handbook has more information about getting a referral and when you do **not** need one.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (\*).

#### Important Benefit Information for all Enrollees Participating in Wellness and Health Care Planning (WHP) Services

- Because IEHP DualChoice participates in Value-Based Insurance Design program (VBID) Model, you will be eligible for the following WHP services, including advance care planning (ACP) services:
  - Advance Care Planning (ACP) is a process of planning and setting goals about medical care treatment options in the event a person is not physically or mentally able to make them in the future. An Advance Care Directive (ACD) lets you choose someone to make health decisions on your behalf if you cannot make those decisions on your own. This ensures that someone you trust can make health care decisions for you if you cannot due to illness or injury. Planning ahead helps your Doctors understand what you want, who you are as a person and offer options that are right for you. IEHP can help you with this process by providing the ACD forms

  - IEHP’s “My Life. MyChoice.” Platform allows the member to create, upload, and share their advance care planning documents online with family, caregivers, and providers.
  - This service is voluntary and Members are free to decline the offer.

## E. Benefits covered outside of our plan

We don’t cover the following services, but they are available through Original Medicare or Medi-Cal fee-for service.

### E1. California Community Transitions (CCT)

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who have lived in an inpatient facility for at least 90 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can get transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: [www.dhcs.ca.gov/services/ltc/Pages/CCT](http://www.dhcs.ca.gov/services/ltc/Pages/CCT).

#### For CCT transition coordination services

Medi-Cal pays for the transition coordination services. You pay nothing for these services.

#### For services not related to your CCT transition

The provider bills us for your services. Our plan pays for the services provided after your transition. You pay nothing for these services.

While you get CCT transition coordination services, we pay for services listed in the Benefits Chart in **Section D**.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

**Note:** If you need non-CCT transition care, call your care coordinator to arrange the services. Non-CCT transition care is care **not** related to your transition from an institution or facility.

This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider.

- Your care coordinator can help you apply for the ALW.

### **HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)**

#### **California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities**

- There are two 1915(c) waivers, the HCBS-DD Waiver and SDP Waiver, that provide services to people who have been diagnosed with a developmental disability that begins before the individual's 18th birthday and is expected to continue indefinitely. Both waivers are a way to fund certain services that allow persons with developmental disabilities to live at home or in the community rather than residing in a licensed health facility. Costs for these services are funded jointly by the federal government's Medicaid program and the State of California. Your care coordinator can help connect you to DD Waiver services.

#### **Home and Community-Based Alternative (HCBA) Waiver**

- The HCBA Waiver provides care management services to persons at risk for nursing home or institutional placement. The care management services are provided by a multidisciplinary Care Management Team comprised of a nurse and social worker. The team coordinates Waiver and State Plan services (such as medical, behavioral health, In-Home Supportive Services, etc.), and arranges for other long-term services and supports available in the local community. Care management and Waiver services are provided in the participant's community-based residence. This residence can be privately owned, secured through a tenant lease arrangement, or the residence of a participant's family member.
- Members who are enrolled in the HCBA Waiver and were transitioned into Medi-Cal Managed Care can remain enrolled in the HCBA Waiver while also receiving benefits provided by our plan. Our plan works with your HCBA waiver agency to coordinate the services you receive.
- Your care coordinator can help you apply for the HCBA Waiver.

#### **Medi-Cal Waiver Program (MCWP)**

- The Medi-Cal Waiver Program (MCWP) provides comprehensive case management and direct care services to persons living with HIV as an alternative to nursing facility care or hospitalization. Case management is a participant centered, team approach consisting of a registered nurse and social work case manager. Case managers work with the participant and primary care provider(s), family, caregiver(s), and other service providers, to assess care needs to keep the participant in their home and community.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- The goals of the MCWP are to: (1) provide home and community-based services for persons with HIV who may otherwise require institutional services; (2) assist participants with HIV health management; (3) improve access to social and behavioral health support and (4) coordinate service providers and eliminate duplication of services.
- Members who are enrolled in the MCWP Waiver and were transitioned into Medi-Cal Managed Care can remain enrolled in the MCWP Waiver while also receiving benefits provided by our plan. Our plan works with your MCWP waiver agency to coordinate the services you receive.
  - Your care coordinator can help you apply for the MCWP.

### **Multipurpose Senior Services Program (MSSP)**

- The Multipurpose Senior Services Program (MSSP) provides both social and health care management services to assist individuals to remain in their own homes and communities.
- While most of the program participants also receive In-Home Supportive Services, MSSP provides on-going care coordination, links participants to other needed community services and resources, coordinates with health care providers, and purchases some needed services that are not otherwise available to prevent or delay institutionalization. The total annual combined cost of care management and other services must be lower than the cost of receiving care in a skilled nursing facility.
- A team of health and social service professionals provides each MSSP participant with a complete health and psychosocial assessment to determine needed services. The team then works with the MSSP participant, their physician, family, and others to develop an individualized care plan. Services include:
  - care management
  - adult day care
  - minor home repair/maintenance
  - supplemental in-home chore, personal care, and protective supervision services
  - respite services
  - transportation services
  - counseling and therapeutic services
  - meal services
  - communication services (such as translation/interpretation).
- Members who are enrolled in the MSSP Waiver and were transitioned into Medi-Cal Managed Care can remain enrolled in the MSSP Waiver while also receiving benefits

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

provided by our plan. Our plan works with your MSSP provider to coordinate the services you receive.

- Your care coordinator can help you apply for MSSP.

## F. Benefits not covered by our plan, Medicare, or Medi-Cal

This section tells you about benefits excluded by our plan. “Excluded” means that we do not pay for these benefits. Medicare and Medi-Cal do not pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We do not pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you receive the services at an emergency facility, the plan will not pay for the services. If you think that our plan should pay for a service that is not covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of your *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan does not cover the following items and services:

- services considered not “reasonable and medically necessary”, according Medicare and Medi-Cal, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of your *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- private duty nurses
- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- full-time nursing care in your home
- fees charged by your immediate relatives or members of your household
- meals delivered to your home

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it
- chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines
- routine foot care, except as described in Podiatry services in the Benefits Chart in Section D
- orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we will reimburse the veteran for the difference. You are still responsible for your cost-sharing amounts.
- Personal items: Personal comfort items or items and services for convenience, such as television, health club memberships and/or similar items.
- Erectile dysfunction medical equipment

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Chapter 5: Getting your outpatient prescription drugs

---

### Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medi-Cal.

We also cover the following drugs, although they are not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you are in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of your *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you are in Medicare hospice. For more information, please refer to Chapter 5, Section F "If you are in a Medicare-certified hospice program."

### Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a doctor or other provider write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medi-Cal lists.

You generally must use a network pharmacy to fill your prescription.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "Drug List" for short.

- If it is not on the Drug List, we may be able to cover it by giving you an exception.
- Refer to Chapter 9 (*What to do if you have a problem or complaint [coverage decisions, appeals, complaints]*) to learn about asking for an exception.
- Please also note that the request to cover your prescribed drug will be evaluated under both Medicare and Medi-Cal standards.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your doctor may be able to help identify medical references to support the requested use of the prescribed drug.

## A. Getting your prescriptions filled

### A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

### A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for your covered prescription drug.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access Medi-Cal Rx covered drugs.

If you don't have your Member ID Card or BIC with you when you fill your prescription, ask the pharmacy to call us to get the necessary information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back. **If you can't pay for the drug, contact Member Services right away.** We will do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of your *Member Handbook*.
- If you need help getting a prescription filled, contact Member Services or your care coordinator.

### A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

### A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
  - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
  - If your long-term care facility's pharmacy is not in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

## A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order up to a 100-day supply. A 100-day supply has the same copay as a one-month supply.

### Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, call 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. This information is also available on the IEHP website at [www.iehp.org](http://www.iehp.org).

Usually, a mail-order prescription arrives within 7-10 days. However, sometimes your mail-order may be delayed. If the delivery is delayed, you may contact your Primary Care Provider for an emergency prescription and bring it to any network pharmacy nearby. The pharmacy staff may contact MedImpact (a company that IEHP DualChoice works with) at 1-888-495-3147 to obtain emergency override due to delay in the mail order process.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

### 1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

### 2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before it is shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

### 3. Refills on mail-order prescriptions

For refills, contact your pharmacy 21 days before your current prescription will run out to make sure your next order is shipped to you in time.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. To provide your communication preferences, contact IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

## A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call your care coordinator or Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** (*Using mail-order services to get your drugs*) to learn about mail-order services.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

Illness while traveling out of the plan's service area where there is no network pharmacy. You may have to pay if you get your drugs at an out-of-network pharmacy.

If the covered Part D drug is related to care for a medical emergency.

During any Federal disaster or other public health emergency in which you are evacuated or otherwise displaced from your place of residence.

In emergency situations when you are not able to use a network pharmacy, we will pay for a 31-day supply of your drugs.

In these cases, check with your care coordinator or Member Services first to find out if there's a network pharmacy nearby.

## A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back.

If you pay the full cost for your prescription that may be covered by Medi-Cal Rx, you may be able to be reimbursed by the pharmacy once Medi-Cal Rx pays for the prescription.

Alternatively, you may ask Medi-Cal Rx to pay you back by submitting the "Medi-Cal Out-of-Pocket Expense Reimbursement (Conlan)" claim. More information can be found on the Medi-Cal Rx website: [medi-calrx.dhcs.ca.gov/home/](http://medi-calrx.dhcs.ca.gov/home/).

To learn more about this, refer to **Chapter 7** of your *Member Handbook*.

---

## B. Our plan's Drug List

We have a *List of Covered Drugs*. We call it the "Drug List" for short.

We select the drugs on the Drug List with the help of a team of doctors and pharmacists. The Drug List also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's Drug List when you follow the rules we explain in this chapter.

### B1. Drugs on our Drug List

Our Drug List includes drugs covered under Medicare Part D.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

Most of the prescription drugs you get from a pharmacy are covered by your plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov](http://medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting your prescriptions through Medi-Cal Rx.

Our Drug List includes brand name drugs, generic drugs, and biosimilars.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example drugs that are based on a protein) are called biological products. On our Drug List, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Generally, generic drugs work just as well as brand name drugs and usually cost less. There are generic drug substitutes available for many brand name drugs. Talk to your provider if you have questions about whether a generic or a brand name drug will meet your needs.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

## B2. How to find a drug on our Drug List

To find out if a drug you take is on our Drug List, you can:

- Visit our plan’s website at [www.iehp.org](http://www.iehp.org). The Drug List on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our Drug List or to ask for a copy of the list.
- Drugs that are not covered by Part D may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information
- Use our “Real Time Benefit Tool” at <https://members.iehp.org/App/Account/Login> or call your care coordinator or Member Services. With this tool you can search for drugs on the Drug List to get an estimate of what you will pay and if there are alternative drugs on the Drug List that could treat the same condition.

## B3. Drugs not on our Drug List

We don’t cover all prescription drugs. Some drugs are not on our Drug List because the law doesn’t allow us to cover those drugs. In other cases, we decided not to include a drug on our Drug List.

Our plan does not pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of your *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D) cannot pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Medi-Cal cannot cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms\*
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride\* preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss or weight gain\*
- Outpatient drugs made by a company that says you must have tests or services done only by them

\*Select products may be covered by Medi-Cal. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information.

---

## C. Limits on some drugs

For certain prescription drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

**If there is a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug.** For example, your provider may have to tell us your

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

diagnosis or provide results of blood tests first. If you or your provider thinks our rule should not apply to your situation, ask us to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of your *Member Handbook*.

### 1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. If there is a generic version of a brand name drug available, our network pharmacies give you the generic version.

- We usually do not pay for the brand name drug when there is an available generic version.
- However, if your provider told us the medical reason that the generic drug or other covered drugs that treat the same condition will work for you, then we cover the brand name drug.

### 2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from our plan before you fill your prescription. If you don't get approval, we may not cover the drug.

### 3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A does **not** work for you, then we cover Drug B. This is called step therapy.

### 4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our Drug List. For the most up-to-date information, call Member Services or check our website at [www.iehp.org](http://www.iehp.org). If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of the *Member Handbook*.

---

## D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- Our plan doesn't cover the drug you want to take. The drug may not be on our Drug List. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

### **D1. Getting a temporary supply**

In some cases, we can give you a temporary supply of a drug when the drug is not on our Drug List or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

**To get a temporary supply of a drug, you must meet the two rules below:**

1. The drug you've been taking:
  - is no longer on our Drug List **or**
  - was never on our Drug List **or**
  - is now limited in some way.
2. You must be in one of these situations:
  - You were in our plan last year.
    - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
    - This temporary supply is for up to 31 days.
    - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
    - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
  - You are new to our plan.
    - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
    - This temporary supply is for up to 31 days.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
  - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
  - If you are a current member with changes to your level of care, we will allow you to refill your prescription until we have provided you with a 31-day transition supply, consistent with the dispensing increment, unless you have a prescription written for fewer days.

## D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

**OR**

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that is not on our Drug List or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

## D3. Asking for an exception

If a drug you take will be taken off our Drug List or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, refer to **Chapter 9** of your *Member Handbook*.

If you need help asking for an exception, contact Member Services or your care coordinator.

## E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our Drug List during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).

For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when our Drug List changes, you can always:

- Check our current Drug List online at [www.iehp.org](http://www.iehp.org) **or**
- Call Member Services at the number at the bottom of the page to check our current Drug List.

Some changes to our Drug List happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on our Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug stays the same.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug’s manufacturer takes a drug off the market, we take it off our Drug List.

**We may make other changes that affect the drugs you take.** We tell you in advance about these other changes to our Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
  - Replace a brand name drug currently on our Drug List **or**
  - Change the coverage rules or limits for the brand name drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our Drug List **or**
- Let you know and give you a 31-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on our Drug List you can take instead **or**
- If you should ask for an exception from these changes. To learn more about asking for exceptions, refer to **Chapter 9** of your *Member Handbook*.

**We may make changes to drugs you take that do not affect you now.** For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally do not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change does not affect your use of the drug for the rest of the year.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## F. Drug coverage in special cases

### F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you are admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your prescription drugs during your stay. You will not pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

### F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not or if you need more information, contact Member Services.

### F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require a pain, anti-nausea, laxative, or anti-anxiety drug that your hospice does not cover because it is not related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of your *Member Handbook* for more information about the hospice benefit.

## G. Programs on drug safety and managing drugs

### G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- may not be needed because you take another drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we work with your provider to correct the problem.

## **G2. Programs to help you manage your drugs**

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they will give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you do not want to be in the program, let us know, and we will take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

### **G3. Drug management program for safe use of opioid medications**

Our plan has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from a certain pharmacy and/or from a certain doctor
- Limiting the amount of those medications we cover for you

If we think that one or more limitations should apply to you, we send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

**You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know.** If we decide to limit your coverage for these medications after you have a chance to respond, we send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can make an appeal. If you make an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of your *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Chapter 6: What you pay for your Medicare and Medi-Cal prescription drugs

---

### Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- Drugs and items covered under Medi-Cal Rx, **and**

Because you are eligible for Medi-Cal, you get “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

**Extra Help** is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- *Our List of Covered Drugs.*
  - We call this the “Drug List.” It tells you:
    - » Which drugs we pay for
    - » If there are any limits on the drugs
  - If you need a copy of our Drug List, call Member Services. You can also find the most current copy of our Drug List on our website at [www.iehp.org](http://www.iehp.org).
  - Most of the prescription drugs you get from a pharmacy are covered by IEHP DualChoice. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.”
- **Chapter 5** of your *Member Handbook*.
  - It tells how to get your outpatient prescription drugs through our plan.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- It includes rules you need to follow. It also tells which types of prescription drugs our plan does not cover.
- When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to Chapter 5, Section B2), the cost shown is provided in “real time” meaning the cost displayed in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
  - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
  - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of your *Member Handbook* more information about network pharmacies.

## A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount we pay.

When you get prescription drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB is not a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paying for you paid.
- **Year-to-date information**. This is your total drug costs and total payments made since January 1.
- **Drug price information**. This is the total price of the drug and any percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs do not count towards your total out-of-pocket costs.
- Most of the prescription drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal customer service center at 800-977-2273. Please bring your Medi-Cal beneficiary identification card (BIC) when getting prescriptions through Medi-Cal Rx.
- To find out which drugs our plan covers, refer to our Drug List.

---

## B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

### 1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

### 2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for the cost of the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

For more information about asking us to pay you back for the cost of a drug, refer to **Chapter 7** of your *Member Handbook*.

### 3. Send us information about payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs.

### 4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it is complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

For more information, you can call IEHP DualChoice Member Services or read the IEHP DualChoice *Member Handbook*. You can also find the IEHP DualChoice Member Handbook on our website at [www.iehp.org](http://www.iehp.org).

### What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at IEHP DualChoice Member Services. You can also find answers to many questions on our website: [www.iehp.org](http://www.iehp.org).

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

Call us at IEHP DualChoice Member Services.

Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

- If you suspect that a provider who gets Medi-Cal has committed fraud, waste or abuse, it is your right to report it by calling the confidential toll-free number 1- 800-822-6222. Other methods of reporting Medi-Cal fraud may be found at: [www.dhcs.ca.gov/individuals/Pages/StopMedi-CalFraud.aspx](http://www.dhcs.ca.gov/individuals/Pages/StopMedi-CalFraud.aspx).

If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these EOBs. They are an important record of your drug expenses.

---

## C. You pay nothing for a one-month or long-term supply of drugs

With our plan, you pay nothing for covered drugs as long as you follow our rules. Because you qualify for “Extra help”, you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra help, your drug costs may change.

### C1. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of your *Member Handbook* to find out when we do that.
- A mail-order pharmacy.

Refer to **Chapter 9** of the *Member Handbook* to learn about how to file an appeal if you are told a drug will not be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of your *Member Handbook* and our *Provider and Pharmacy Directory*.

### C2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of your *Member Handbook* or our *Provider and Pharmacy Directory*.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

### C3. What you pay

Most of the prescription drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information. You can also call the Medi-Cal customer service center at 800-977-2273. Please bring your Medi-Cal beneficiary identification card (BIC) when getting prescriptions through Medi-Cal Rx.

**Your share of the cost when you get a one-month or long-term supply of a covered prescription drug from:**

	<b>A network pharmacy</b>	<b>Our plan's mail-order service</b>	<b>A network long-term care pharmacy</b>	<b>An out-of-network pharmacy</b>
	A one-month or up to a 100-day supply	A one-month or up to a 100-day supply	Up to a 31-day supply	Up to a 31-day supply. Coverage is limited to certain cases. Refer to <b>Chapter 5</b> of your <i>Member Handbook</i> for details.
<b>Cost-sharing Tier 1</b>  (generic drugs, brand drugs, biosimilar drugs)	\$0	\$0	\$0	\$0

Because you qualify for “Extra Help”, you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.

For information about which pharmacies can give you long-term supplies, refer to our plan's *Provider and Pharmacy Directory*.

---

## D. Vaccinations

**Important Message About What You Pay for Vaccines:** Some vaccines are considered medical benefits. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan's *List of Covered Drugs (Formulary)*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *List of Covered Drugs (Formulary)* or contact Member Services for coverage about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccinations:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

### **D1. What you need to know before you get a vaccination**

We recommend that you call Member Services if you plan to get a vaccination.

- We can tell you about how our plan covers your vaccination.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

Because you qualify for “Extra Help”, you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## A. Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We do not allow IEHP DualChoice providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

**If you get a bill for health care or drugs, do not pay the bill and send the bill to us.** To send us a bill, refer to Section B.

- If we cover the services or drugs, we will pay the provider directly.
- If we cover the services or drugs and you already paid the bill, it is your right to be paid back.
  - If you paid for services covered by Medicare, we will pay you back.
- If you paid for Medi-Cal services you already received, you may qualify to be reimbursed (paid back) if you meet all of the following conditions:
  - The service you received is a Medi-Cal covered service that we are responsible for paying. We will not reimburse you for a service that is not covered by IEHP DualChoice.
  - You received the covered service after you became an eligible IEHP DualChoice member.
  - You ask to be paid back within one year from the date you received the covered service.
  - You provide proof that you paid for the covered service, such as a detailed receipt from the provider.
  - You received the covered service from a Medi-Cal enrolled provider in IEHP DualChoice's network. You do not need to meet this condition if you received emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to provide proof from the provider that shows a medical need for the covered service.
- IEHP DualChoice will tell you if they will reimburse you in a letter called a Notice of Action. If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, IEHP

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

DualChoice will pay you back for the full amount you paid. We will reimburse you within 45 working days of receipt of the claim. If the provider is enrolled in Medi-Cal, but is not in our network and refuses to pay you back, IEHP DualChoice will pay you back, but only up to the amount that FFS Medi-Cal would pay. IEHP DualChoice will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval. If you do not meet one of the above conditions, we will not pay you back.

- We will not pay you back if:
  - You asked for and received services that are not covered by Medi-Cal, such as cosmetic services.
  - The service is not a covered service for IEHP DualChoice.
  - You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.
- If we do not cover the services or drugs, we will tell you.
- Contact Member Services or your care coordinator if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask us to pay you back or to pay a bill you got:

### 1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
  - If the provider should be paid, we will pay the provider directly.
  - If you already paid for the Medicare service, we will pay you back.

### 2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Member Services** or your care coordinator at the number at the bottom of this page **if you get any bills.**

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- Because we pay the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We will pay you back for your covered services.

### 3. If you are retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

### 4. When you use an out-of-network pharmacy to get a prescription filled

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Refer to **Chapter 5** of your *Member Handbook* to learn more about out-of-network pharmacies.

### 5. When you pay the full prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back.

### 6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs* (Drug List) on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of your *Member Handbook*).
- If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of your *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for the drug.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of your *Member Handbook*.

---

## B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.**

Mail your request for payment together with any bills or receipts to this address:

IEHP DualChoice  
P.O. Box 4259  
Rancho Cucamonga, CA 91729-4259

You may also call us to ask for payment. Please call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

You must submit your claim to us within 365 days of the date you got the service, item, or drug.

---

## C. Coverage decisions

**When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug.** We also decide the amount of money, if any, you must pay.

- We will let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we will pay for it. If you already paid for the service or drug, we will mail you a check for what you paid. If you haven't paid, we will pay the provider directly.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- **Chapter 3** of your Member Handbook explains the rules for getting your services covered. **Chapter 5** of your *Member Handbook* explains the rules for getting your Medicare Part D prescription drugs covered.
  - If we decide not to pay for the service or drug, we will send you a letter with the reasons. The letter also explains your rights to make an appeal.
  - To learn more about coverage decisions, refer to Chapter 9 (*What to do if you have a problem or complaint [coverage decisions, appeals, complaints]*).
- 

## D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don’t agree with the amount we pay.

- The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of your *Member Handbook: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*.
- To make an appeal about getting paid back for a health care service, refer to **Section F** (*Medical care*).
- To make an appeal about getting paid back for a drug, refer to **Section G** (*Medicare Part D prescription drugs*).

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

You have rights as a member of our plan.

- You have the right to choose a primary care provider (PCP) in our network. A network provider is a provider who works with us. You can find more information about what types of providers may act as a PCP and how to choose a PCP in **Chapter 3** of your *Member Handbook*.
  - Call your care coordinator or Member Services or look in the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- You have the right to a women's health specialist without getting a referral. A referral is approval from your PCP to use a provider that is not your PCP. We do **not** require you to get referrals.
- You have the right to get covered services from network providers within a reasonable amount of time.
  - This includes the right to get timely services from specialists.
  - If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that is urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

Members who may consent to receive sensitive services are not required to obtain any other member's authorization to receive sensitive services or to submit a claim for sensitive services. IEHP DualChoice will direct communications regarding sensitive services to a member's alternate designated mailing address, email address, or telephone number or, in the absence of a designation, in the name of the member at the address or telephone number on file. [Insert plan name] will not disclose medical information related to sensitive services to any other member without written authorization from the member receiving care. IEHP DualChoice will accommodate requests for confidential communication in the form and format requested, if it is readily producible in the requested form and format, or at alternative locations. ### **C1. How we protect your PHI**

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI. If Medicare releases your PHI for research or other uses, they do it according to federal laws.

### **C2. Your right to look at your medical records**

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.
- You have the right to know if and how we share your PHI with others.

If you have questions or concerns about the privacy of your PHI, call Member Services.

## G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

### G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we will not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of your *Member Handbook* tells how to ask us for a coverage decision.

## **G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself**

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you do **not** want.

The legal document that you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You are not required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a legal services agency, or a social worker. Pharmacies and provider offices often have the forms. You can find a free form online and download it.
- **Fill out the form and sign it.** The form is a legal document. You should consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies to people who need to know.** You should give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you. You may want to give copies to close friends or family members. Keep a copy at home.
- If you are being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**

## I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
  - Covered services, refer to **Chapters 3 and 4** of your *Member Handbook*. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
  - Covered drugs, refer to **Chapters 5 and 6** of your *Member Handbook*.
- **Tell us about any other health or prescription drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
  - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
  - Make sure your doctors and other providers know about all of the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
  - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Work with your care coordinator** including completing an annual health risk assessment.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
  - Because you qualify for "Extra Help", you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.
  - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to Chapter 9 [*What to do if you have a problem or complaint {coverage decisions, appeals, complaints}*] to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call your care coordinator or Member Services.
  - **If you move outside of our service area, you cannot stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of your *Member Handbook* tells about our service area.
  - We can help you find out if you're moving outside our service area.
  - Tell Medicare and Medi-Cal your new address when you move. Refer to **Chapter 2** of your *Member Handbook* for phone numbers for Medicare and Medi-Cal.
  - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- **Tell us if you have a new phone number** or a better way to contact you.
- **Call your care coordinator or Member Services for help if you have questions or concerns.**

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

---

### Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Community-Based Adult Services (CBAS) and Nursing Facility (NF) services.

This chapter is in different sections to help you easily find what you are looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you have a problem with your care, you can call the Medicare Medi-Cal Ombuds Program at 1-855-501-3077 for help.** This chapter explains different options you have for different problems and complaints, but you can always call the Ombuds Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** of your *Member Handbook*.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints**; also called grievances.

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

### A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

## B. Where to get help

### B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

#### Help from the Health Insurance Counseling and Advocacy Program

You can call the Health Insurance Counseling and Advocacy Program (HICAP). HICAP counselors can answer your questions and help you understand what to do about your problem. HICAP is not connected with us or with any insurance company or health plan. HICAP has trained counselors in every county, and services are free. The HICAP phone number is 1-800-434-0222.

#### Help from the Medicare Medi-Cal Ombuds Program

You can call the Medicare Medi-Cal Ombuds Program and speak with an advocate about your health coverage questions. They offer free legal help. The Ombuds Program is not connected

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

with us or with any insurance company or health plan. Their phone number is 1-888-804-3536 and their website is [www.healthconsumer.org](http://www.healthconsumer.org).

### Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- Visit the Medicare website ([www.medicare.gov](http://www.medicare.gov)).

### Help from the California Department of Health Care Services

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can help. They can help if you have problems joining, changing or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, between 8:00 a.m. and 5:00 p.m. at 1-888-452-8609.

### Help from the California Department of Managed Health Care

Contact the California Department of Managed Health Care (DMHC) for free help. The DMHC is responsible for overseeing health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891. You can also visit DMHC's website at [www.HealthHelp.ca.gov](http://www.HealthHelp.ca.gov).

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-877-273-IEHP (4347)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website [www.dmhc.ca.gov](http://www.dmhc.ca.gov) has complaint forms, IMR application forms and instructions online.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## C. Understanding Medicare and Medi-Cal complaints and appeals in our plan

You have Medicare and Medi-Cal. Information in this chapter applies to **all** of your Medicare and Medi-Cal benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medi-Cal processes.

Sometimes Medicare and Medi-Cal processes cannot be combined. In those situations, you use one process for a Medicare benefit and another process for a Medi-Cal benefit. **Section F4** explains these situations.

## D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

<p><b>Is your problem or concern about your benefits or coverage?</b></p> <p>This includes problems about whether particular medical care or prescription drugs are covered or not, the way they are covered, and problems about payment for medical care or prescription drugs.</p>	
<p><b>Yes.</b></p> <p>My problem is about benefits or coverage.</p>	<p><b>No.</b></p> <p>My problem is not about benefits or coverage.</p>
<p>Refer to <b>Section E</b>, “Coverage decisions and appeals.”</p>	<p>Refer to <b>Section K</b>, “How to make a complaint.”</p>

## E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage. It also includes problems with payment.

### E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from them (refer to Chapter 4, Section H of your *Member Handbook*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

care you think you need. **If you want to know if we will cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what is covered for you and how much we pay. In some cases, we may decide a service or drug is not covered or is no longer covered for you by Medicare or Medi-Cal. If you disagree with this coverage decision, you can make an appeal.

## E2. Appeals

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

In most cases, you must start your appeal at Level 1. If your health problem is urgent or involves an immediate and serious threat to your health, or if you are in severe pain and need an immediate decision, you may ask for an IMR Medical Review from the Department of Managed Health Care at [www.dmhca.ca.gov](http://www.dmhca.ca.gov). Refer to page 147 for more information.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or “fast coverage decision” or “fast appeal” of a coverage decision.

If we say **No** to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare medical service or item or Part B drugs, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you are not satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

## E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- **Medicare Medi-Cal Ombuds Program at 1-855-501-3077.**
- **Health Insurance Counseling and Advocacy Program (HICAP)** at 1-800-434-0222.

- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you are not required to have a lawyer** to ask for a coverage decision or make an appeal.
  - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
  - Ask for a legal aid attorney from the Medicare Medi-Cal Ombuds Program at 1-888-804-3536.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at [www.iehp.org](http://www.iehp.org). **You must give us a copy of the signed form.**

#### **E4. Which section of this chapter can help you**

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D prescription drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

If you're not sure which section to use, call Member Services at the numbers at the bottom of the page.

## F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care.

This section is about your benefits for medical care and services that are described in **Chapter 4** of your *Member Handbook*. We generally refer to “medical care coverage” or “medical care” in the rest of this section. The term “medical care” includes medical services and items as well as Medicare Part B prescription drugs which are drugs administered by your doctor or health care professional. Different rules may apply to a Medicare Part B prescription drug. When they do, we explain how rules for Medicare Part B prescription drugs differ from rules for medical services and items.

### F1. Using this section

This section explains what you can do in any of the following situations:

1. You think we cover medical care you need but are not getting.

**What you can do:** You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

**What you can do:** You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we will not pay.

**What you can do:** You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

**What you can do:** You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

**What you can do:** You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** (*Asking us to cover a longer hospital stay*) or **Section I** (*Asking us to continue covering certain medical services*) to find out more.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

6. You are experiencing delays in care or you cannot find a doctor.

**What you can do:** You can file a complaint. Refer to **Section K2**.

## F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **"integrated organization determination"**.

You, your doctor, or your representative can ask us for a coverage decision by:

- calling: 1-877-273-IEHP (4347), TTY: 1-800-718-4347.
- faxing: (909) 890-5877.
- writing: IEHP DualChoice, P.O. Box 1800, Rancho Cucamonga, CA 91729-1800.

### **Standard coverage decision**

When we give you our decision, we use the "standard" deadlines unless we agree to use the "fast" deadlines. A standard coverage decision means we give you an answer about a:

- Medical service or item within 14 calendar days after we get your request. For Knox-Keene plans, 5 business days, and no later than 14 calendar days after we get your request.
- Medicare Part B prescription drug within 72 hours after we get your request.

### **Fast coverage decision**

The legal term for "fast coverage decision" is **"expedited determination."**

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we will give you an answer about a:

- Medical service or item within 72 hours after we get your request, or sooner if your medical condition requires a quicker response.
- Medicare Part B prescription drug within 24 hours after we get your request.

To get a fast coverage decision, you must meet two requirements:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- You are asking for coverage for medical care you **did not get**. You can't ask for a fast coverage decision about payment for medical care you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

**We automatically give you a fast coverage decision if your doctor tells us your health requires it.** If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
  - We automatically give you a fast coverage decision if your doctor asks for it.
  - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K** (*How to make a complaint*).

**If we say No to part or all of your request**, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you will go on to Level 1 of the appeals process (refer to **Section F3** [*Making a Level 1 Appeal*]).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we will send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

### **F3. Making a Level 1 Appeal**

**To start an appeal**, you, your doctor, or your representative must contact us. Call us at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

**Ask for a standard appeal or a fast appeal** in writing or by calling us at 1-877-273-IEHP (4347).

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If your doctor or other prescriber asks to continue a service or item you are already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at <https://www.iehp.org/en/members/iehp-dualchoice?target=important-resources>.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form within 44 calendar days after getting your appeal request:
  - We dismiss your request, and
  - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 60 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

### **If your health requires it, ask for a fast appeal.**

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care that you did not get, you and/or your doctor decide if you need a fast appeal.

**We automatically give you a fast appeal if your doctor tells us your health requires it.** If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
  - We automatically give you a fast appeal if your doctor asks for it.
  - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

fast complaint, refer to **Section K** (*Internal Complaints*).

**If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.**

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
  - If you meet this deadline, you will get the service or item with no changes while your Level 1 appeal is pending.
  - You will also get all other services or items (that are not the subject of your appeal) with no changes.
  - If you do not appeal before these dates, then your service or item will not be continued while you wait for your appeal decision.

**We consider your appeal and give you our answer.**

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

**There are deadlines for a fast appeal.**

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal, or sooner if your health requires a quicker response**. We will give you our answer sooner if your health requires it.
  - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medi-Cal service or item, you can file a Level 2 – State Hearing with the state yourself as soon as the time is up.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal, or sooner if your health requires it.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

**There are deadlines for a standard appeal.**

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B prescription drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
  - If we don't give you an answer by the deadline, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medi-Cal service or item, you can file a Level 2 – State Hearing with the state yourself as soon as the time is up.

**If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 30 calendar days of the date we got your appeal request, or as fast as your health condition requires and within 72 hours of the date we change our decision, or within 7 calendar days of the date we got your appeal if your request is for a Medicare Part B prescription drug.

If we say **No** to part or all of your request, **you have additional appeal rights:**

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Medi-Cal service or item, the letter tells you how to file a Level 2 Appeal yourself.

**F4. Making a Level 2 Appeal**

If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter tells you if Medicare, Medi-Cal, or both programs usually cover the service or item.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that **Medi-Cal** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Medi-Cal** may cover, you automatically get a Level 2 Appeal with the IRO. In addition to the automatic Level 2 Appeal, you can also ask for a State Hearing and an Independent Medical Review with

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

the state. However, an Independent Medical Review is not available if you have already presented evidence in a State Hearing.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** (*Making a Level 1 Appeal*) for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Medi-Cal, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

### When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**", sometimes called the "**IRE**".

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

### If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.

### If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B prescription drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.

If the IRO gives you their answer in writing and explains the reasons.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- **If the IRO says Yes to part or all of a request for a medical item or service, we must promptly implement the decision:**
  - Authorize the medical care coverage **within 72 hours, or**
  - Provide the service within **5 working days** after we get the IRO's decision for **standard requests, or**
  - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests.**
- **If the IRO says Yes to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug under dispute:**
  - **Within 72 hours** after we get the IRO's decision for **standard requests, or**
  - **Within 24 hours** from the date we get the IRO's decision for **expedited requests.**
- **If the IRO says No to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."**
  - If your case meets the requirements, you choose whether you want to take your appeal further.
  - There are three additional levels in the appeals process after Level 2, for a total of five levels.
  - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
  - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** (*Taking your appeal beyond Level 2*) for more information about Level 3, 4, and 5 Appeals.

### **When your problem is about a service or item Medi-Cal usually covers**

There are two ways to make a Level 2 appeal for Medi-Cal services and items: (1) Filing a complaint or Independent Medical Review or (2) State Hearing.

#### **(1) Independent Medical Review**

You can file a complaint with or ask for an Independent Medical Review (IMR) from the Help Center at the California Department of Managed Health Care (DMHC). By filing a complaint, the DMHC will review our decision and make a determination. An IMR is available for any Medi-Cal

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

covered service or item that is medical in nature. An IMR is a review of your case by doctors who are not part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it is not medically necessary.
- Will not cover an experimental or investigational Medi-Cal treatment for a serious medical condition.
- Disputes whether a surgical service or procedure was cosmetic or reconstructive in nature.
- Will not pay for emergency or urgent Medi-Cal services that you already received.
- Has not resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours, or sooner, if your health requires it, for a fast appeal.

**NOTE:** If your provider filed an appeal for you, but we do not get your Appointment of Representative form, you will need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care unless your appeal involves an imminent and serious threat to your health, including but not limited to, severe pain, potential loss of life, limb, or major bodily function.

You are entitled to both an IMR and a State Hearing, but you are not entitled to an IMR if you have already presented evidence in a State Hearing had a State Hearing on the same issue.

In most cases, you must file an appeal with us before requesting an IMR. Refer to page 158 for information, about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

If your treatment was denied because it was experimental or investigational, you do not have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice from us of the IMR process.

To ask for an IMR:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- Fill out the Independent Medical Review Application/Complaint Form available at: [www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx](http://www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx) or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center cannot return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at [www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx](http://www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx) or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- Mail or fax your forms and any attachments to:  
  
Help Center  
Department of Managed Health Care  
980 Ninth Street, Suite 500  
Sacramento, CA 95814-2725  
FAX: 916-255-5241
- You may also submit your Independent Medical Review Application/Complaint Form and Authorized Assistant form online: [www.dmhc.ca.gov/FileaComplaint.aspx](http://www.dmhc.ca.gov/FileaComplaint.aspx)

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 2 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar days. You should receive the IMR decision within 7 calendar days of the submission of the completed application. If you are not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC does not receive all of the medical records needed from you or your treating doctor. If you are using a doctor who is not in your health plan's network, it is important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case is not eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.

## (2) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we will not approve, or we will not continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the “Appeal Decision Letter” notice is mailed to you.

**NOTE:** If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read “Will my benefits continue during Level 2 appeals” on page 157 for more information.

There are two ways to ask for a State Hearing:

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:
  - To the county welfare department at the address shown on the notice.
  - To the California Department of Social Services:  
  
State Hearings Division  
P.O. Box 944243, Mail Station 9-17-37  
Sacramento, California 94244-2430
  - To the State Hearings Division at fax number 916-651-5210 or 916-651-2789.
2. You can call the California Department of Social Services at 1-800-743-8525. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

The State Hearings Division gives you their decision in writing and explain the reasons.

- If the State Hearings Division says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the State Hearings Division says **No** to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

If the IRO or State Hearing decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the State Hearings Division describes the next appeal option.

Refer to **Section J** (*Taking your appeal beyond Level 2*) for more information about your appeal rights after Level 2.

## **F5. Payment problems**

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. You should not pay the bill yourself. We will contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of your Member Handbook. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you are asking for a coverage decision. We will check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send your provider the payment for the service or item within 60 calendar days after we get your request. Your provider will then send the payment to you.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered or you did not follow all the rules, we will send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3** (*Making a Level 1 Appeal*). When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If you ask us to pay you back for medical care you got and paid for yourself, you can't ask for a fast appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we will send your case to the IRO. We will send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we should not approve your request. This is called “upholding the decision” or “turning down your appeal.” You will get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Medi-Cal usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

## G. Medicare Part D prescription drugs

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medi-Cal may cover. **This section only applies to Medicare Part D drug appeals.** We'll say “drug” in the rest of this section instead of saying “Medicare Part D drug” every time. For drugs covered only by Medi-Cal follow the process in **Section E** on page 148.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of your *Member Handbook* for more information about a medically accepted indication.

### G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
  - Cover a Medicare Part D drug that is not on our plan's Drug List or
  - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's Drug List but we must approve it for you before we cover it)

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

**NOTE:** If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a **“coverage determination.”**

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

<b>Which of these situations are you in?</b>			
<p>You need a drug that isn't on our Drug List or need us to set aside a rule or restriction on a drug we cover.</p> <p><b>You can ask us to make an exception.</b> (This is a type of coverage decision.)</p> <p>Start with <b>Section G2</b>, then refer to <b>Sections G3 and G4</b>.</p>	<p>You want us to cover a drug on our Drug List, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.</p> <p><b>You can ask us for a coverage decision.</b></p> <p>Refer to <b>Section G4</b>.</p>	<p>You want to ask us to pay you back for a drug you already got and paid for.</p> <p><b>You can ask us to pay you back.</b> (This is a type of coverage decision.)</p> <p>Refer to <b>Section G4</b>.</p>	<p>We told you that we won't cover or pay for a drug in the way that you want.</p> <p><b>You can make an appeal.</b> (This means you ask us to reconsider.)</p> <p>Refer to <b>Section G5</b>.</p>

## G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an “exception.” If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a **“formulary exception.”**

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

### 1. Covering a drug that is not on our Drug List

- You can't get an exception to the required copay amount for the drug.

### 2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our Drug List (refer to **Chapter 5** of your *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
  - Being required to use the generic version of a drug instead of the brand name drug.
  - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
  - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
  - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

## G3. Important things to know about asking for an exception

### Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally do **not** approve your exception request.

### We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** (*Making a Level 1 Appeal*) for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

#### G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 1-877-273-IEHP (4347), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** (*Help with coverage decisions and appeals*) to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of your *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

#### If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination.**"

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you are asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
  - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
  - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K** (*How to make a complaint*).

#### **Deadlines for a fast coverage decision**

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** (*Making a Level 2 Appeal*) for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

#### **Deadlines for a standard coverage decision about a drug you didn't get**

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

#### **Deadlines for a standard coverage decision about a drug you already bought**

- We must give you our answer within 14 calendar days after we get your request.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- **If** we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

## G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan “redetermination”.

- Start your **standard** or **fast appeal** by calling 1-877-273-IEHP (4347) (TTY: 1-800-718-4347), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

### If your health requires it, ask for a fast appeal.

A fast appeal is also called an “expedited redetermination.”

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** (*Asking for a coverage decision, including an exception*) for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- We may contact you or your doctor or other prescriber to get more information.

### Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
  - We give you our answer sooner if your health requires it.
  - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** (*Making a Level 2 Appeal*) for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

### Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
  - If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** (*Making a Level 2 Appeal*) for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** (*Making a Level 2 Appeal*) for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

## G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**", sometimes called the "**IRE**".

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your "case file". **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** (*Making a Level 2 Appeal*) for more information about the IRO.

### Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO's decision.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn't get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
  - Decide if you want to make a Level 3 Appeal.
  - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

## H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of your *Member Handbook*.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you’re being asked to leave the hospital too soon or you are concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

Notwithstanding the appeals discussed in this Section H, you may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to Section F4 on page 156 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

## H1. Learning about your Medicare rights

Within two days after you’re admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called “An Important Message from Medicare about Your Rights.” Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital.

If you don’t get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don’t understand. The notice tells you about your rights as a hospital patient, including your rights to:
  - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
  - Be a part of any decisions about the length of your hospital stay.
  - Know where to report any concerns you have about the quality of your hospital care.
  - Appeal if you think you’re being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
  - You or someone acting on your behalf can sign the notice.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- Signing the notice **only** shows that you got the information about your rights. Signing does **not** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- Visit [www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.z](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.z)

## H2. Making a Level 1 Appeal

If you want us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They are not part of our plan.

In California, the QIO is Livanta Beneficiary & Family Centered Care (BFCC) Quality Improvement Organization (QIO). Call them at 1-877-588-1123. Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

**Call the QIO before you leave the hospital and no later than your planned discharge date.**

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.
- **If you miss the deadline** for contacting the QIO about your appeal, appeal to our plan directly instead. Refer to **Section G4** (*Asking for a coverage decision, including an exception*) for information about making an appeal to us.
- Because hospital stays are covered by both Medicare and Medi-Cal, if the Quality Improvement Organization will not hear your request to continue your hospital stay, or

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

you believe that your situation is urgent, involves an immediate and serious threat to your health, or you are in severe pain, you may also file a complaint with or ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to Section F4 on page 156 to learn how to file a complaint and ask the DMHC for an Independent Medical Review.

**Ask for help if you need it.** If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222.

**Ask for a fast review.** Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

### What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that is the right discharge date that’s medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at [www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices).

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

### H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-877-588-1123.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.
- You may also file a complaint with or ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to Section E4 on page 150 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

---

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

#### H4. Making a Level 1 Alternate Appeal

The deadline for contacting the QIO for a Level 1 Appeal is within 60 days or no later than your planned hospital discharge date. If you miss the Level 1 Appeal deadline, you can use an “Alternate Appeal” process.

Contact Member Services at the numbers at the bottom of the page and ask us for a “fast review” of your hospital discharge date.

The legal term for “fast review” or “fast appeal” is “**expedited appeal**”.

- We look at all of the information about your hospital stay.
- We check that the first decision was fair and followed the rules.
- We use fast deadlines instead of standard deadlines and give you our decision within 72 hours of when you asked for a fast review.

If we say **Yes** to your fast appeal:

- We agree that you need to be in the hospital after the discharge date.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.
- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.

If we say **No** to your fast appeal:

- We agree that your planned discharge date was medically appropriate.
- Our coverage for your inpatient hospital services ends on the date we told you.
- We will not pay any share of the costs after this date.
- You may have to pay the full cost of hospital care you got after the planned discharge date if you continued to stay in the hospital.
- We send your appeal to the IRO to make sure we followed all the rules. When we do this, your case automatically goes to the Level 2 appeals process.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## H5. Making a Level 2 Alternate Appeal

We send the information for your Level 2 Appeal to the IRO within 24 hours of saying **No** to your Level 1 Appeal. We do this automatically. You don't need to do anything.

If you think we didn't meet this deadline, or any other deadline, you can make a complaint. Refer to **Section K** (*How to make a complaint*) for information about making complaints.

The IRO does a fast review of your appeal. They take a careful look at all of the information about your hospital discharge and usually give you an answer within 72 hours.

If the IRO says **Yes** to your appeal:

- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the IRO says **No** to your appeal:

- They agree that your planned hospital discharge date was medically appropriate.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

You may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to Section F4 on page 156 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

## I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

### **I1. Advance notice before your coverage ends**

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we will stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing does **not** mean you agree with our decision.

### **I2. Making a Level 1 Appeal**

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** (*How to make a complaint*) for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
  - Call Member Services at the numbers at the bottom of the page.
  - Call the HICAP at 1-800-434-0222.
- **Contact the QIO.**
  - Refer to **Section H2** (*Making a Level 1 Appeal*) or refer to **Chapter 2** of your *Member Handbook* for more information about the QIO and how to contact them.
  - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal.** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

#### **Your deadline for contacting this organization**

- You must contact the QIO to start your appeal by noon of the day before the effective date on the "Notice of Medicare Non-Coverage" we sent you.
- If you miss the deadline for contacting the QIO, you can make your appeal directly to us instead. For details about how to do that, refer to **Section I4** (*Making a Level 1 Appeal*).

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If the Quality Improvement Organization will not hear your request to continue coverage of your health care services or you believe that your situation is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may file a complaint with and ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to Section F4 on page 156 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

The legal term for the written notice is **“Notice of Medicare Non-Coverage”**. To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or get a copy online at [www.cms.gov/Medicare/Medicare-General-Information/BNI/FFS-Expedited-Determination-Notices](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/FFS-Expedited-Determination-Notices).

### ***What happens during a fast-track appeal***

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is **“Detailed Explanation of Non-Coverage”**.

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We will provide your covered services for as long as they are medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends
- You decide if you want to continue these services and make a Level 2 Appeal.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

### 13. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-877-588-1123.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We pay you back for the costs of care you got since the date when we said your coverage would end.
- We will provide coverage for the care for as long as it is medically necessary.

If the QIO says **No** to your appeal:

- They agree with our decision to end your care and will not change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.
- You may file a complaint with and ask the DMHC for an Independent Medical Review to continue coverage of your health care services. Please refer to Section F4 on page 156 to learn how to ask the DMHC for an Independent Medical Review. You can file a complaint with and ask the DMHC for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

### 14. Making a Level 1 Alternate Appeal

As explained in **Section I2** (*Making a Level 1 Appeal*), you must act quickly and contact the QIO to start your Level 1 Appeal. If you miss the deadline, you can use an “Alternate Appeal” process.

Contact Member Services at the numbers at the bottom of the page and ask us for a “fast review”.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

The legal term for “fast review” or “fast appeal” is “**expedited appeal**”.

- We look at all of the information about your case.
- We check that the first decision was fair and followed the rules when we set the date for ending coverage for your services.
- We use fast deadlines instead of standard deadlines and give you our decision within 72 hours of when you asked for a fast review.

If we say **Yes** to your fast appeal:

- We agree that you need services longer.
- We will provide your covered services for as long as the services are medically necessary.
- We agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- If we say **No** to your fast appeal:
  - Our coverage for these services ends on the date we told you.
  - We will not pay any share of the costs after this date.
  - You pay the full cost of these services if you continue getting them after the date we told you our coverage would end.
  - We send your appeal to the IRO to make sure we followed all the rules. When we do this, your case automatically goes to the Level 2 appeals process.

## 15. Making a Level 2 Alternate Appeal

During the Level 2 Appeal:

- We send the information for your Level 2 Appeal to the IRO within 24 hours of saying No to your Level 1 Appeal. We do this automatically. You don’t need to do anything.
- If you think we didn’t meet this deadline, or any other deadline, you can make a complaint. Refer to **Section K** (*How to make a complaint*) for information about making complaints.
- The IRO does a fast review of your appeal. They take a careful look at all of the information about your hospital discharge and usually give you an answer within 72 hours.

If the IRO says **Yes** to your appeal:

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the IRO says **No** to your appeal:

- They agree with our decision to end your care and will not change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

You may also file a complaint with and ask the DMHC for an Independent Medical Review to continue coverage of your health care services. Please refer to Section F4 on page 156 to learn how to ask the DMHC for an Independent Medical Review. You can file a complaint with and ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

## J. Taking your appeal beyond Level 2

### J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed does not meet a certain minimum dollar amount, you cannot appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

#### Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that is favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

### Level 4 Appeal

The Medicare Appeals Council (Council) reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your Level 4 Appeal or denies our request to review a Level 3 Appeal decision favorable to you, we have the right to appeal to Level 5.

- If we decide **to appeal** the decision, we will tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

If the Council says **No** or denies our review request, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

### Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

## J2. Additional Medi-Cal appeals

You also have other appeal rights if your appeal is about services or items that Medi-Cal usually covers. The letter you get from the State Hearings Division will tell you what to do if you want to continue the appeals process.

## J3. Appeal Levels 3, 4 and 5 for Medicare Part D Drug Requests

This section may be appropriate for you if you made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. The written response you get to your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

### Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

## A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medi-Cal, you can end your membership with our plan or switch to a different plan one time during each of the following Special Enrollment Periods:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods each year:

- The Annual Enrollment Period, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The Medicare Advantage (MA) Open Enrollment Period, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Medi-Cal or Extra Help changed, or
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

---

## D. Your medical services and drugs until your membership in our plan ends

If you leave our plan, it may take time before your membership ends and your new Medicare and Medi-Cal coverage begins. During this time, you keep getting your prescription drugs and health care through our plan until your new plan begins.

- Use our network providers to receive medical care.
- Use our network pharmacies including through our mail-order pharmacy services to get your prescriptions filled.
- If you are hospitalized on the day that your membership in IEHP DualChoice ends, our plan will cover your hospital stay until you are discharged. This will happen even if your new health coverage begins before you are discharged.

---

## E. Other situations when your membership in our plan ends

These are cases when we must end your membership in our plan:

- If there is a break in your Medicare Part A and Medicare Part B coverage.
- If you no longer qualify for Medi-Cal. Our plan is for people who qualify for both Medicare and Medi-Cal.
- If you lose your Medi-Cal eligibility and you are within our plan's 3-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period.
- If you move out of our service area.
- If you are away from our service area for more than six months.
  - » If you move or take a long trip, call Member Services to find out if where you're moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for prescription drugs.

**If you have questions**, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit [www.iehp.org](http://www.iehp.org).

- If you are not a United States citizen or are not lawfully present in the United States.
  - You must be a United States citizen or lawfully present in the United States to be a member of our plan.
  - The Centers for Medicare & Medicaid Services (CMS) notify us if you're not eligible to remain a member on this basis.
  - We must disenroll you if you don't meet this requirement.

If you lose your Medi-Cal eligibility but can reasonably expect to regain your eligibility within 3 months, then you are still eligible for our plan, this is called deemed continued eligibility. If at the end of the 3-month deemed continued eligibility, you are still not eligible for Medi-Cal you will be disenrolled from our plan.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Medi-Cal first:

- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan.
- If you let someone else use your Member ID Card to get medical care. (Medicare may ask the Inspector General to investigate your case if we end your membership for this reason.)

---

## C. Notice about Medicare as a second payer and *Medi-Cal* as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that *Medi-Cal* is the payer of last resort.

---

## D. Notice about *Medi-Cal* estate recovery

The *Medi-Cal* program must seek repayment from probated estates of certain deceased members for *Medi-Cal* benefits received on or after their 55th birthday. Repayment includes Fee-For-Service and managed care premiums/capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

County social service agencies administer IHSS.

**Independent Medical Review (IMR):** If we deny your request for medical services or treatment, you can make an appeal. If you disagree with our decision and your problem is about a Medi-Cal service, including DME supplies and drugs, you can ask the California Department of Managed Health Care for an IMR. An IMR is a review of your case by doctors who are not part of our plan. If the IMR decision is in your favor, we must give you the service or treatment you asked for. You pay no costs for an IMR.

**Independent review organization (IRO):** An independent organization hired by Medicare that reviews a level 2 appeal. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the Independent Review Entity.
