# Welcome to Inland Empire Health Plan (IEHP)!

Thank you for joining IEHP. IEHP is a health plan for people who have Medi-Cal. IEHP works with the State of California to help you get the health care you need.

IEHP contracts with Independent Physician Associations (IPAs) to provide healthcare services. An IPA is a contracted group of primary care providers (PCPs), specialists, and other providers of health care services. Your PCP may be part of an IPA.

Your PCP, along with IEHP or the IPA, directs the care for all your medical needs. This includes referrals (prior authorizations) to see specialists or get medical services, like lab tests, x-rays, and/or hospital care.

If you wish to become an IEHP member and would like to learn more about IEHP benefits and services, you can view the Medi-Cal Member Handbook on IEHP's website at [www.iehp.org](http://www.iehp.org) or request a copy to be mailed to you by contacting IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Your Medi-Cal BIC card is the benefits identification card sent to you by the State of California. You should always carry all health cards with you. Your Medi-Cal BIC and IEHP ID cards look like these:

If you do not get your IEHP ID card within a few weeks after your enrollment date, or if your IEHP ID card is damaged, lost, or stolen, call Member Services right away. IEHP will send you a new card for free. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). # 2. About your health plan

---

## Health plan overview

IEHP is a health plan for people who have Medi-Cal in these counties: Riverside and San Bernardino Counties. IEHP works with the State of California to help you get the health care you need.

Talk with one of the IEHP Member Services representatives to learn more about the health plan and how to make it work for you. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## When your coverage starts and ends

When you enroll in IEHP, we will send your IEHP Identification (ID) card within two weeks of your enrollment date. You must show both your IEHP ID card and your Medi-Cal Benefits Identification Card (BIC) when you get health care services or prescriptions.

Your Medi-Cal coverage will need renewing every year. If your local county office cannot renew your Medi-Cal coverage electronically, the county will send you a pre-populated Medi-Cal renewal form. Complete this form and return it to your local county office. You can return your information in person, by phone, by mail, online, or by other electronic means available in your county.

You can start getting health care when you become a member of IEHP. To become an IEHP member, your Medi-Cal Choice Form must first be processed by Health Care Options (HCO). HCO contracts with the Department of Health Care Services (DHCS) to enroll and disenroll members into a health plan. It can take 15 to 45 days from the time your completed form is received by HCO before you are enrolled with IEHP. Your coverage starts when we receive your active enrollment from DHCS.

You can end your IEHP coverage and choose another health plan at any time. For help

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347).

IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

choosing a new plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711), or go to [www.healthcareoptions.dhcs.ca.gov](http://www.healthcareoptions.dhcs.ca.gov).

IEHP is a health plan for Medi-Cal members in Riverside and San Bernardino counties. Find your local county office at <http://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>.

IEHP Medi-Cal coverage may end if any of the following is true:

- You move out of Riverside and San Bernardino counties.
- You no longer have Medi-Cal.
- You become eligible for a waiver program that requires you to be enrolled in Fee-for-Service (FFS) Medi-Cal.
- You are in jail or prison.

If you lose your IEHP Medi-Cal coverage, you may still qualify for FFS Medi-Cal coverage. If you are not sure if you are still covered by IEHP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### **Special considerations for American Indians in managed care**

American Indians have a right to not enroll in a Medi-Cal managed care plan or they may leave their Medi-Cal managed care plan and return to FFS Medi-Cal at any time and for any reason.

If you are an American Indian, you have the right to get health care services at an Indian Health Care Provider (IHCP). You can also stay with or disenroll (drop) from IEHP while getting health care services from these locations. To learn more about enrollment and disenrollment, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP must provide care coordination for you, including in- and out-of-network case management. If you ask to get services from an IHCP, IEHP must help you find an in- or out-of-network IHCP of your choice. To learn more, read “Provider network” in Chapter 3 of this handbook.

## **How your plan works**

IEHP is a managed care health plan contracted with DHCS. IEHP works with doctors, hospitals, and other providers in the IEHP service area to provide health care to our members. As a member of IEHP, you may qualify for some services provided through

IEHP Member Services will tell you how IEHP works, how to get the care you need, how to schedule provider appointments during office hours, how to request free interpreting and translation services or written information in alternative formats, and how to find out if you qualify for transportation services.

Anytime you have a question, need information, have a complaint or concern, or want to change your doctor, call us at 1-800-440-IEHP (4347), Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. If you reach IEHP Member Services after hours, you will be able to leave a voice message. More than 140 other languages are available through phone interpreter service. You have the right to request an interpreter when talking about medical information. If you go to an IEHP doctor's office and no one speaks your language, ask your doctor to call IEHP to be connected to an interpreter through the phone interpreter service. If you speak another language and need medical advice at other times, you can call the IEHP Nurse Advice Line 24 hours a day, seven days a week. If you need an interpreter (foreign language or sign language) to be at the doctor's office for your next routine visit, you must call IEHP at least 5 business days before a scheduled appointment.

## Students who move to a new county or out of California

You can get emergency care and urgent care anywhere in the United States, including the United States Territories. Routine and preventive care are covered only in your county of residence. If you are a student who moves to a new county in California to attend higher education, including college, IEHP will cover emergency room and urgent care services in your new county. You can also get routine or preventive care in your new county, but you must notify IEHP. Read more below.

If you are enrolled in Medi-Cal and are a student in a different county from the California county where you live, you do not need to apply for Medi-Cal in that county.

If you temporarily move away from home to be a student in another county in California, you have two choices. You can:

- Tell your eligibility worker at your local county social services office that you are temporarily moving to attend a school for higher education and give them your address in the new county. The county will update the case records with your new address and county code. You must do this if you want to keep getting routine or preventive care while you live in a new county. If IEHP does not serve the county where you will attend college, you might have to change health plans. For questions and to prevent delay in joining a new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

**Or**

- If IEHP does not serve the new county where you attend college, and you do not change your health plan to one that serves that county, you will only get emergency room and urgent care services for some conditions in the new county. To learn more, read Chapter 3, “How to get care” in this handbook. For routine or preventive health care, you would need to use the IEHP network of providers located in Riverside and San Bernardino counties.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

If you are leaving California temporarily to be a student in another state and you want to keep your Medi-Cal coverage, contact your eligibility worker at

**Riverside County**

(DPSS)

1160 Magnolia Avenue  
Riverside, CA 92505

To find the office nearest to you, call:  
1-877-410-8827

**San Bernardino County**

Human Services Systems (HSS)  
Transitional Assistance Department

To find the office nearest to you, call:  
1-877-410-8829

As long as you qualify, Medi-Cal will cover emergency care and urgent care in another state. Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico.

Routine and preventive care services are not covered when you are outside of California. You will not qualify for Medi-Cal medical benefit coverage for those out-of-state services. IEHP will not pay for your health care. If you want Medicaid in another state, you will need to apply in that state. Medi-Cal does not cover emergency, urgent, or any other health care services outside of the United States, except for emergency care requiring hospitalization in Canada and Mexico as noted in Chapter 3.

Out-of-state pharmacy benefits are limited to up to a 14-day emergency supply when delays would prevent a medically necessary service. For more help, call Medi-Cal Rx at 1-800-977-2273 or visit them online at <https://medi-calrx.dhcs.ca.gov/home>.

## Continuity of care

### Continuity of care for an out-of-network provider

As a member of IEHP, you will get your health care from providers in IEHP's network. To find out if a health care provider is in the IEHP network, read the list of providers by visiting [www.iehp.org](http://www.iehp.org) and click on the *Find a Doctor tab*. Providers not listed in the directory may not be in IEHP network.

In some cases, you might be able to get care from providers who are not in the IEHP network. If you were required to change your health plan or to switch from FFS Medi-Cal to managed care, or you had a provider who was in network but is now outside the

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

network, you might be able to keep your provider even if they are not in the IEHP network. This is called continuity of care.

If you need to get care from a provider who is outside the network, call IEHP to ask for continuity of care. You may be able to get continuity of care for up to 12 months or more if all of these are true:

- You have an ongoing relationship with the out-of-network provider before enrollment in IEHP.
- You went to the out-of-network provider for a non-emergency visit at least once during the 12 months before your enrollment with IEHP.
- The out-of-network provider is willing to work with IEHP and agrees to IEHP's contract requirements and payment for services.
- The out-of-network provider meets IEHP's professional standards.
- The out-of-network provider is enrolled and participating in the Medi-Cal program.

To learn more, call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If your providers do not join the IEHP network by the end of 12 months, do not agree to IEHP payment rates, or do not meet quality of care requirements, you will need to change to providers in the IEHP network. To discuss your choices, call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP is not required to provide continuity of care for an out-of-network provider for certain ancillary (supporting) services such as radiology, laboratory, dialysis centers, or transportation. You will get these services with a provider in IEHP's network.

To learn more about continuity of care and if you qualify, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### **Completion of covered services from an out-of-network provider**

As a member of IEHP, you will get covered services from providers in IEHP's network. If you are being treated for certain health conditions at the time you enrolled with IEHP or at the time your provider left IEHP's network, you might also still be able to get Medi-Cal services from an out-of-network provider.

You might be able to continue care with an out-of-network provider for a specific time period if you need covered services for these health conditions:

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

Health condition	Time period
Acute conditions (a medical issue that needs fast attention).	For as long as your acute condition lasts.
Serious chronic physical and behavioral conditions (a serious health care issue you have had for a long time).	For up to 12 months from the coverage start or the date the provider’s contract ends with IEHP.
Pregnancy and postpartum (after birth) care.	During your pregnancy and up to 12 months after the end of pregnancy.
Maternal mental health services.	For up to 12 months from the diagnosis or from the end of your pregnancy, whichever is later.
Care of a newborn child between birth and 36 months old.	For up to 12 months from the start date of the coverage or the date the provider’s contract ends with IEHP.
Terminal illness (a life-threatening medical issue).	For as long as your illness lasts. You may still get services for more than 12 months from the date you enrolled with IEHP or the time the provider stops working with IEHP.
Performance of a surgery or other medical procedure from an out-of-network provider as long as it is covered, medically necessary, and authorized by IEHP as part of a documented course of treatment and recommended and documented by the provider.	The surgery or other medical procedure must take place within 180 days of the provider’s contract termination date or 180 days from the effective date of your enrollment with IEHP.

For other conditions that might qualify, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If an out-of-network provider is not willing to keep providing services or does not agree to IEHP’s contract requirements, payment, or other terms for providing care, you will not be able to get continued care from the provider. You may be able to keep getting

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

services from a different provider in IEHP's network.

For help choosing a contracted provider to continue with your care or if you have questions or problems getting covered services from a provider who is no longer in IEHP's network, call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP is not required to provide continuity of care for services Medi-Cal does not cover or that are not covered under IEHP's contract with DHCS. To learn more about continuity of care, eligibility, and available services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Costs

### Member costs

IEHP serves people who qualify for Medi-Cal. In most cases, IEHP members do not have to pay for covered services, premiums, or deductibles.

If you are an American Indian, you do not have to pay enrollment fees, premiums, deductibles, co-pays, cost sharing, or other similar charges. IEHP must not charge any American Indian member who gets an item or service directly from an IHCP or through a referral to an IHCP or reduce payments due to an IHCP by the amount of any enrollment fee, premium, deductible, copayment, cost sharing, or similar charge.

If you are enrolled in the County Children's Health Initiative Program (CCHIP) in Santa Clara, San Francisco, or San Mateo counties or are enrolled in Medi-Cal for Families, you might have a monthly premium and co-pays.

Except for emergency care, urgent care that is outside the IEHP service area, or sensitive care, you must get pre-approval (prior authorization) from IEHP before you visit a provider outside the IEHP network. If you do not get pre-approval (prior authorization) and you go to a provider outside the network for care that is not emergency care, out-of-area urgent care, or sensitive care, you might have to pay for care you got from that provider. For a list of covered services, read Chapter 4, "Benefits and services" in this handbook. You can also find the Provider Directory on the IEHP website at [www.iehp.org](http://www.iehp.org).

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

## For members with long-term care and a Monthly Resident Cost

You might have to pay a Monthly Resident Cost (share of cost) each month for your long-term care services. The amount of your Monthly Resident Cost depends on your income. Each month, you will pay your own health care bills, including but not limited to, long-term care bills, until the amount you have paid equals your Monthly Resident Cost. After that, IEHP will cover your long-term care for that month. You will not be covered by IEHP until you have paid your entire long-term care Monthly Resident Cost for the month.

## How a provider gets paid

IEHP pays providers in these ways:

- Capitation payments
  - IEHP pays some providers a set amount of money every month for each IEHP member. This is called a capitation payment. IEHP and providers work together to decide on the payment amount.
- FFS payments
  - Some providers give care to IEHP members and send IEHP a bill for the services they provided. This is called an FFS payment. IEHP and providers work together to decide how much each service costs.

To learn more about how IEHP pays providers, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP offers a Global Quality Pay for Performance (GQP4P) Program to Medi-Cal Independent Practice Associations (IPAs) and PCPs. The GQP4P program offers financial rewards to IPAs and PCPs for reaching goals to improve quality of care and service. To be eligible for incentive payments, PCPs must meet specific member assignment criteria. PCPs who meet these requirements are automatically enrolled in the program.

## If you get a bill from a health care provider

Covered services are health care services that IEHP must pay. If you get a bill for any Medi-Cal covered services, do not pay the bill. Call Member Services right away at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). IEHP will help you figure out if the bill is correct.

If you get a bill from a pharmacy for a prescription drug, supplies, or supplements, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

users can use option 7 or call 711. You can also go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

### Asking IEHP to pay you back for expenses

If you paid for services that you already got, you might qualify to be reimbursed (paid back) if you meet **all** of these conditions:

- The service you got is a covered service that IEHP is responsible for paying. IEHP will not reimburse you for a service that IEHP does not cover.
- You got the covered service while you were an eligible IEHP member.
- You ask to be paid back within one year from the date you got the covered service.
- You show proof that you, or someone on your behalf, paid for the covered service, such as a detailed receipt from the provider.
- You got the covered service from a Medi-Cal enrolled provider in IEHP's network. You do not need to meet this condition if you got emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to give proof from the provider that shows a medical need for the covered service.

IEHP will tell you if they will reimburse you in a letter called a Notice of Action (NOA). If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, IEHP will pay you back for the full amount you paid.

If the provider is enrolled in Medi-Cal but is not in the IEHP network and refuses to pay you back, IEHP will pay you back, but only up to the amount that FFS Medi-Cal would pay. IEHP will pay you back for the full out-of-pocket amount for emergency care, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval (prior authorization). If you do not meet one of the above conditions, IEHP will not pay you back.

IEHP will not pay you back if:

- You asked for and got services that are not covered by Medi-Cal, such as cosmetic services.
- The service is not a covered service for IEHP.
- You have an unmet Medi-Cal Monthly Resident Cost.
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- You have Medicare Part D co-pays for prescriptions covered by your Medicare Part D plan.

If you pay for a service that you think IEHP should cover, you can submit the following information in writing:

A complete itemized bill to include:

- Billing account number
- Billing phone number
- Amount charged
- Provider name
- Provider address
- Provider phone number
- Date of service
- Proof of Payment
- Member's name and address,
- Member identification number

Send all of the above information to:

**IEHP Member Services**

Inland Empire Health Plan

P.O. Box 1800

Rancho Cucamonga, CA 91729-1800

You need to send this information within one year of the date of service. If you have paid the bill, the proof of payment must be acceptable to IEHP. If you are not able to send your request within one year of the date of service, please include an explanation and/or other proof that you tried, in good faith, to send us a written request for your refund within the one-year period. IEHP will review your claim to determine reimbursement.

# 3. How to get care

## Getting health care services

**PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.**

You can start getting health care services on your effective date of enrollment in IEHP. Always carry with you your IEHP Identification (ID) card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards. Never let anyone else use your BIC card or IEHP ID card.

New members with only Medi-Cal coverage must choose a primary care provider (PCP) in the IEHP network. New members with both Medi-Cal and comprehensive other health coverage do not have to choose a PCP.

The IEHP Medi-Cal network is a group of doctors, hospitals, and other providers who work with IEHP. If you have only Medi-Cal coverage, you must choose a PCP within 30 days from the time you become a member of IEHP. If you do not choose a PCP, IEHP will choose one for you.

You can choose the same PCP or different PCPs for all family members in IEHP, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, go to the Provider Directory for a list of all PCPs and other providers in the IEHP network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also find the Provider Directory on the IEHP website at [www.iehp.org](http://www.iehp.org).

If you cannot get the care you need from a participating provider in the IEHP network, your PCP or specialist in IEHP's network must ask IEHP for approval to send you to an out-of-network provider. This is called a referral. You do not need a referral to go to an out-of-network provider to get sensitive care services listed under the heading "Sensitive care" later in this chapter.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

**The Medi-Cal Rx program administers outpatient prescription drug coverage. To learn more, read “Other Medi-Cal programs and services” in Chapter 4 of this handbook.**

## Primary care provider (PCP)

Your primary care provider (PCP) is the licensed provider you go to for most of your health care. Your PCP also helps you get other types of care you need. You must choose a PCP within 30 days of enrolling in IEHP. Depending on your age and sex, you can choose a general practitioner, OB/GYN, family practitioner, internist, or pediatrician as your PCP.

A nurse practitioner (NP), physician assistant (PA), or certified nurse midwife can also act as your PCP. If you choose an NP, PA, or certified nurse midwife, you can be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you also have other comprehensive health care insurance, you do not have to choose a PCP.

You might be able to choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) as your PCP. Depending on the type of provider, you might be able to choose one PCP for yourself and your other family members who are members of IEHP, as long as the PCP is available.

**Note:** American Indians can choose an IHCP as their PCP, even if the IHCP is not in the IEHP network.

If you do not choose a PCP within 30 days of enrollment, IEHP will assign you to a PCP. If you are assigned to a PCP and want to change, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). The change happens the first day of the next month.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer you to a specialist if you need one

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the IEHP network. The Provider Directory has a list of IHCPs, FQHCs, and RHCs that work with IEHP.

You can find the IEHP Provider Directory online at [www.iehp.org](http://www.iehp.org), or you can request a Provider Directory to be mailed to you by calling IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also call to find out if the PCP you want is taking new patients.

### Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. However, if you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the IEHP provider network and is taking new patients.

Your new choice will become your PCP on the first day of the next month after you make the change.

To change your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP can change your PCP if the PCP is not taking new patients, has left the IEHP network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. IEHP or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If IEHP needs to change your PCP, IEHP will tell you in writing.

If your PCP changes, you will get a letter and new IEHP member ID card in the mail. It will have the name of your new PCP. Call Member Services if you have questions about getting a new ID card. IEHP offers a secure online portal for active members to get your health information 24 hours a day, 7 days a week. The secure member portal allows you to order a new IEHP Member ID card, change your doctor, check eligibility, and much more. To create an account, go to [www.iehp.org](http://www.iehp.org).

Some things to think about when choosing a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work, or my children's school?
- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?
- Does the PCP work with a hospital I like?

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Does the PCP provide the services I need?
- Do the PCP's office hours fit my schedule?
- Does the PCP work with specialists I use?

## Initial Health Appointment (IHA)

IEHP recommends that, as a new member, you visit your new PCP within 120 days for your first health appointment, called an Initial Health Appointment (IHA). The purpose of the first health appointment is to help your PCP learn your health care history and needs. Your PCP might ask you questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that can help you.

When you call to schedule your first health appointment, tell the person who answers the phone that you are a member of IEHP. Give your IEHP ID number.

Take your Medi-Cal BIC card, IEHP ID card and any other health insurance cards to your appointment. It is a good idea to take a list of your medicine and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

If you have questions about your first health appointment, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular check-ups, screenings, immunizations, health education, and counseling.

IEHP recommends that children, especially, get regular routine and preventive care. IEHP members can get all recommended early preventive services recommended by the American Academy of Pediatrics and the Centers for Medicare and Medicaid Services. These screenings include hearing and vision screening, which can help ensure healthy development and learning. For a list of pediatrician-recommended services, read the "Bright Futures" guidelines from the American Academy of Pediatrics at [https://downloads.aap.org/AAP/PDF/periodicity\\_schedule.pdf](https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf).

Routine care also includes care when you are sick. IEHP covers routine care from your

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

PCP.

Your PCP will:

- Give you most of your routine care, including regular check-ups, immunizations (shots), treatment, prescriptions, required screenings, and medical advice.
- Keep your health records.
- Refer you to specialists if needed.
- Order X-rays, mammograms, or lab work if you need them.

When you need routine care, you will call your PCP for an appointment. Be sure to call your PCP before you get medical care unless it is an emergency. For emergency care, call **911** or go to the nearest emergency room or hospital.

To learn more about health care and services IEHP covers and what it does not cover, read Chapter 4, “Benefits and services” and Chapter 5, “Child and youth well care” in this handbook.

**All IEHP in-network providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or IEHP what you need.**

## Provider network

IEHP contracts with Independent Physician Associations (IPAs) to provide care to IEHP members who live in Riverside and San Bernardino Counties. An IPA is a contracted group of PCPs, specialists, and other providers of health care services. The Medi-Cal provider network is the group of doctors, hospitals, and other providers that work with IEHP to provide Medi-Cal covered services to Medi-Cal members.

IEHP is a managed care health plan. You must get most of your covered services through IEHP from our in-network providers. You can go to an out-of-network provider without a referral or pre-approval for emergency care or for family planning services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area that we do not serve. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

**Note:** American Indians can choose an IHCP as their PCP, even if the IHCP is not in

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

the IEHP network.

If your PCP, hospital, or other provider has a moral objection to providing you with a covered service, such as family planning or abortion, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). For more about moral objections, read “Moral objection” later in this chapter.

If your provider has a moral objection to giving you covered health care services, they can help you find another provider who will give you the services you need. IEHP can also help you find a provider who will perform the service.

### **In-network providers**

You will use providers in the IEHP network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals, and other providers in the IEHP network.

To get a Provider Directory of in-network providers, call IEHP Member Services at 1-800-440-IEHP (4347)(TTY 1-800-718-4347 or 711). You can also find the Provider Directory online at [www.iehp.org](http://www.iehp.org). To get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

You must get pre-approval (prior authorization) from IEHP before you visit an out-of-network provider except when:

- If you need emergency care, call **911** or go to the nearest emergency room or hospital.
- If you are outside the IEHP service area and need urgent care, go to any urgent care facility.
- If you need family planning services, go to any Medi-Cal provider without pre-approval (prior authorization).

If you are not in one of the cases listed above and you do not get pre-approval (prior authorization) before getting care from a provider outside the network, you might be responsible for paying for any care you got from out-of-network providers.

### **Out-of-network providers who are inside the service area**

Out-of-network providers are providers that do not have an agreement to work with IEHP. Except for emergency care, and care pre-approved by IEHP, you might have to pay for any care you get from out-of-network providers in your service area.

If you need medically necessary health care services that are not available in the

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

network, you might be able to get them from an out-of-network provider for free. IEHP may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. For IEHP's time or distance standards for where you live, go to <https://search.iehp.org/>. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the IEHP service area, you must go to an IEHP in-network urgent care provider. You do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get pre-approval (prior authorization) to get urgent care from an out-of-network provider inside the IEHP service area.

If you get urgent care from an out-of-network provider inside IEHP service area, you might have to pay for that care. You can read more about emergency care, urgent care, and sensitive care services in this chapter.

**Note:** If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral. An out-of-network IHCP can also refer American Indian members to an in-network provider without first requiring a referral from an in-network PCP.

If you need help with out-of-network services, call IEHP Member Services at 1-800-440-IEHP (4347)(TTY 1-800-718-4347 or 711).

### Outside the service area

If you are outside of the IEHP service area and need care that is **not** an emergency or urgent, call your PCP right away. Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

For emergency care, call **911** or go to the nearest emergency room or hospital. IEHP covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency care requiring hospitalization, IEHP will cover your care. If you are traveling abroad outside of Canada or Mexico and need emergency care, urgent care, or any health care services, IEHP will **not** cover your care.

If you paid for emergency care requiring hospitalization in Canada or Mexico, you can ask IEHP to pay you back. IEHP will review your request. To learn more about being paid back, read Chapter 2, "About your health plan" in this handbook.

If you are in another state or are in a United States Territory such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or the United States Virgin Islands, you are covered for emergency care. Not all hospitals and doctors accept Medicaid. (Medi-Cal is what Medicaid is called in California only.) If you need emergency care outside of

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

California, tell the hospital or emergency room doctor as soon as possible that you have Medi-Cal and are a member of IEHP.

Ask the hospital to make copies of your IEHP ID card. Tell the hospital and the doctors to bill IEHP. If you get a bill for services you got in another state, call IEHP right away. We will work with the hospital and/or doctor to arrange for IEHP to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, have the pharmacy call Medi-Cal Rx at 1-800-977-2273.

**Note:** American Indians may get services at out-of-network IHCPs.

If you have questions about out-of-network or out-of-service-area care, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If the office is closed and you want help from an IEHP representative, call the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 711).

If you need urgent care out of the IEHP service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, IEHP will not cover your care. For more on urgent care, read “Urgent care” later in this chapter.

## How managed care works

IEHP is a managed care health plan. IEHP provides care to members who live in Riverside County and San Bernardino County. In managed care, your PCP, specialists, clinic, hospital, and other providers work together to care for you.

IEHP contracts with medical groups to provide care to IEHP members. A medical group is made up of doctors who are PCPs and specialists. The medical group works with other providers such as laboratories and durable medical equipment suppliers. The medical group is also connected with a hospital. Check your IEHP ID card for the names of your PCP, medical group, and hospital.

When you join IEHP, you choose or are assigned to a PCP. Your PCP is part of a medical group. Your PCP and medical group direct the care for all of your medical needs. Your PCP may refer you to specialists or order lab tests and X-rays. If you need services that require pre-approval (prior authorization), IEHP or your medical group will review the pre-approval (prior authorization) and decide whether to approve the service.

In most cases, you must go to specialists and other health professionals who work with the same medical group as your PCP. Except for emergencies, you must also get hospital care from the hospital connected with your medical group. If you have a medical emergency, you can get care right away at any emergency room, hospital or

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

urgent care facility, even if it is not connected to your medical group. To learn more, read “Urgent care” and “Emergency care” in Chapter 3 of this handbook.

Sometimes, you might need a service that is not available from a provider in the medical group. In that case, your PCP will refer you to a provider who is in another medical group or is outside the network. Your PCP will ask for pre-approval (prior authorization) for you to go to this provider.

In most cases, you must have prior authorization from your PCP, medical group, or IEHP before you can go to an out-of-network provider or a provider who is not part of your medical group. You do not need pre-approval (prior authorization) for emergency care, family planning services, or in-network mental health services.

### **Members who have both Medicare and Medi-Cal**

Members who have Medicare and Medi-Cal have access to providers who are part of their Medicare coverage as well as providers who are included in the Medi-Cal plan coverage. Members may refer to their Medicare Advantage Provider Directory for more information.

### **Doctors**

You will choose a doctor or other provider from the IEHP Provider Directory as your PCP. The PCP you choose must be an in-network provider. To get a copy of the IEHP Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or find it online at [www.iehp.org](http://www.iehp.org).

If you are choosing a new PCP, you should also call the PCP you want to make sure they are taking new patients.

If you had a doctor before you were a member of IEHP, and that doctor is not part of the IEHP network, you might be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in Chapter 2, “About your health plan” in this handbook. To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If you need a specialist, your PCP will refer you to a specialist in the IEHP network. Some specialists do not require a referral. For more on referrals, read “Referrals” later in this chapter.

Remember, if you do not choose a PCP, IEHP will choose one for you, unless you have other comprehensive health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

if you have other health care insurance, you do not have to choose a PCP from IEHP.

If you want to change your PCP, you must choose a PCP from the IEHP Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Hospitals

In an emergency, call **911** or go to the nearest emergency room or hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital that your PCP uses and is in the IEHP provider network. The Provider Directory lists the hospitals in the IEHP network.

## Women's health specialists

You can go to a women's health specialist in IEHP's network for covered care necessary to provide women's preventative and routine care services. You do not need a referral or authorization from your PCP to get these services. For help finding a women's health specialist, you can call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also call the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY users call 711).

For family planning services, your provider does not have to be in the IEHP provider network. You can choose any Medi-Cal provider and go to them without a referral or pre-approval (prior authorization). For help finding a Medi-Cal provider outside the IEHP provider network, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Provider Directory

The IEHP Provider Directory lists providers in the IEHP network. The network is the group of providers that work with IEHP.

The IEHP Provider Directory lists hospitals, PCPs, specialists, nurse practitioners, nurse midwives, physician assistants, family planning providers, FQHCs, outpatient mental health providers, long-term services and supports (LTSS) providers, Freestanding Birth Centers (FBCs), IHCPs, and RHCs.

The Provider Directory has IEHP in-network provider names, specialties, addresses, phone numbers, business hours, languages spoken, and whether the provider is taking new patients. The Provider Directory also shows whether a provider has informed IEHP that they offer gender affirming services. It also gives the physical accessibility for the

building, such as parking, ramps, stairs with handrails, and restrooms with wide doors and grab bars.

To learn more about a doctor’s education, professional qualifications, residency completion, training, and board certification, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You can find the online Provider Directory at [www.iehp.org](http://www.iehp.org).

If you need a printed Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at <https://medi-calrx.dhcs.ca.gov/home/>. You can also find a pharmacy near you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

### Timely access to care

Your in-network provider must provide timely access to care based on your health care needs. At minimum, they must offer you an appointment listed in the time frames shown in the table below. IEHP must authorize a referral for care to an out-of-network provider if the services you need are not available in-network within these timely access standards.

Appointment type	You should be able to get an appointment within:
Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours
Non-urgent (routine) primary care appointments	10 business days
Non-urgent (routine) specialist care appointments including psychiatrist	15 business days
Non-urgent (routine) mental health provider (non-doctor) care appointments	10 business days

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

<b>Appointment type</b>	<b>You should be able to get an appointment within:</b>
Non-urgent (routine) mental health provider (non-doctor) follow-up care appointments	10 business days of last appointment
Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness, or other health condition	15 business days

<b>Appointment type for Behavioral Health</b>	<b>You should be able to get connected within:</b>
<b>Life-threatening emergency</b>	Immediate disposition of members to the appropriate care setting
<b>Non-life-threatening emergency</b>	Six (6) hours, or go to the nearest Emergency Room (ER)
<b>Urgent visit for behavioral health need that does not require a prior authorization</b>	Within 48 hours of request
<b>Initial routine (non-urgent) appointment with a Behavioral Health provider</b>	10 business days

<b>Other wait time standards</b>	<b>You should be able to get connected within:</b>
Member Services telephone wait times during normal business hours	10 minutes
Telephone wait times for Nurse Advice Line	30 minutes (connected to nurse)

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. It must be noted in your

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

record that a longer wait time will not be harmful to your health. You can choose to wait for a later appointment or call IEHP to go to another provider of your choice. Your provider and IEHP will respect your wish.

Your doctor may recommend a specific schedule for preventive services, follow-up care for ongoing conditions, or standing referrals to specialists, depending on your needs.

Tell us if you need interpreter services, including sign language, when you call IEHP or when you get covered services. Interpreter services are available for free. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If you need interpreter services, including sign language, at a Medi-Cal Rx pharmacy, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m.

#### **Travel time or distance to care**

IEHP must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in.

If IEHP is not able to provide care to you within these travel time or distance standards, DHCS may allow a different standard, called an alternative access standard. For IEHP's time or distance standards for where you live, go to [www.iehp.org](http://www.iehp.org). Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

It is considered far if you cannot get to that provider within the IEHP's travel time or distance standards for your county, regardless of any alternative access standard IEHP might use for your ZIP Code.

If you need care from a provider located far from where you live, call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). They can help you find care with a provider located closer to you. If IEHP cannot find care for you from a closer provider, you can ask IEHP to arrange transportation for you to go to your provider, even if that provider is located far from where you live.

If you need help with pharmacy providers, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Call right away if you cannot keep your appointment or will be late.
- Have your questions and medication information ready.

If you have an emergency, call **911** or go to the nearest emergency room or hospital. If you need help deciding how urgently you need care and your PCP is not available to speak with you, call the IEHP Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 711)

## Getting to your appointment

If you do not have a way to get to and from your appointments for covered services, IEHP can help arrange transportation for you. Depending on your situation, you may qualify for either Medical Transportation or Non-Medical Transportation. These transportation services are not for emergencies and are available for free.

If you are having an emergency, call **911**. Transportation is available for services and appointments not related to emergency care.

To learn more, read “Transportation benefits for situations that are not emergencies” in Chapter 4 of this handbook.

---

## Canceling and rescheduling

If you cannot get to your appointment, call your provider’s office right away. Most providers require you to call 24 hours (1 business day) before your appointment if you have to cancel. If you miss repeated appointments, your provider might stop providing care to you and you will have to find a new provider.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

## Payment

You do **not** have to pay for covered services unless you have a Monthly Resident Cost for long-term care. To learn more, read “For members with long-term care and a Monthly Resident Cost” in Chapter 2 of this handbook. In most cases, you will not get a bill from a provider. You must show your IEHP ID card and your Medi-Cal BIC card when you get health care services or prescriptions, so your provider knows who to bill. You can get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If you get a bill for prescriptions, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Tell IEHP the amount you are being charged, the date of service, and the reason for the bill. IEHP will help you figure out if the bill was for a covered service or not. You do not need to pay providers for any amount owed by IEHP for any covered service. If you get care from an out-of-network provider and you did not get pre-approval (prior authorization) from IEHP, you might have to pay for the care you got.

You must get pre-approval (prior authorization) from IEHP before you visit an out-of-network provider except when:

- You need emergency care, in which case call **911** or go to the nearest emergency room or hospital.
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval (prior authorization).
- You need mental health services, in which case you can go to an in-network provider or to a county mental health plan provider without pre-approval (prior authorization)

If you need to get medically necessary care from an out-of-network provider because it is not available in the IEHP network, you will not have to pay as long as the care is a Medi-Cal covered service and you got pre-approval (prior authorization) from IEHP for it. To learn more about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay you do not think you have to pay, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If you pay the bill, you can file a claim form with IEHP. You will need to tell IEHP in writing about

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

the item or service you paid for. IEHP will read your claim and decide if you can get money back. For questions, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP members have up to one year from the date of service to send IEHP a bill to be reimbursed. The Claims Department has 30 days to review and send you a letter. If the claim is accepted, you will get a check in the mail. If the request is denied, you will get a letter explaining why. If you do not agree with the decision, you can call IEHP Member Services and file an appeal. Please see “Chapter 2: *About your Health Plan*” for more information.

If you get services in the Veterans Affairs system or get non-covered or unauthorized services outside of California, you might be responsible for payment.

IEHP will not pay you back if:

- The services are not covered by Medi-Cal, such as cosmetic services.
- You have an unmet Medi-Cal Monthly Resident Cost.
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.
- You ask to be paid back for Medicare Part D co-pays for prescriptions covered by your Medicare Part D plan.

## Referrals

Your PCP, along with IEHP or the IPA, directs the care for all your medical needs. This includes referrals (prior authorizations) to see specialists or get medical services, like lab tests, x-rays, and/or hospital care.

If you need a specialist for your care, your PCP or another specialist will give you a referral to one. A specialist is a provider who focuses on one type of health care service. The doctor who refers you will work with you to choose a specialist. To help make sure you can go to a specialist in a timely way, DHCS sets time frames for members to get appointments. These time frames are listed in “Timely access to care” earlier in this chapter. Your PCP’s office can help you set up an appointment with a specialist.

Other services that might need a referral include in-office procedures, X-rays, lab work, physical therapy, EKG, EEG, and enhanced care management.

Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

If you have a health problem that needs special medical care for a long time, you might need a standing referral. Having a standing referral means you can go to the same specialist more than once without getting a referral each time. If you have trouble getting a standing referral or want a copy of the IEHP referral policy, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You do **not** need a referral for:

- PCP visits
- Obstetrics/Gynecology (OB/GYN) visits
- Urgent or emergency care visits
- Adult sensitive services, such as sexual assault care
- Family planning services (to learn more, call the Office of Family Planning Information and Referral Service at 1-800-942-1054)
- HIV testing and counseling (12 years or older)
- Sexually transmitted infection services (12 years or older)
- Chiropractic services (a referral may be required when provided by out-of-network FQHCs, RHCs, and IHCPs)
- Initial mental health assessment
- Mental health individual therapy and medication management
- Acupuncture (the first two services per month; additional appointments will need a referral)
- Eligible dental services
- Preventative Services, including health education
- Out-of-area renal dialysis
- Routine mental health services (therapy and outpatient medication management) provided by an in-network provider.
- Biomarker testing for advanced or metastatic stage 3 or 4 cancers

Minors can also get certain outpatient mental health treatment or counseling and substance use disorder (SUD) treatment and services without a parent or guardian's consent. To learn more, read "Minor consent services" later in this chapter and "Substance use disorder (SUD) treatment services" in Chapter 4 of this handbook.

## California Cancer Equity Act referrals

Effective treatment of complex cancers depends on many factors. These include getting the right diagnosis and getting timely treatment from cancer experts. If you are diagnosed with a complex cancer, the new California Cancer Care Equity Act allows you to ask for a referral from your doctor to get cancer treatment from an in-network

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

National Cancer Institute (NCI)-designated cancer center, NCI Community Oncology Research Program (NCORP)-affiliated site, or a qualifying academic cancer center.

If IEHP does not have an in-network NCI-designated cancer center, IEHP will allow you to ask for a referral to get cancer treatment from one of these out-of-network centers in California, if the out-of-network center and IEHP agree on payment, unless you choose a different cancer treatment provider.

If you have been diagnosed with cancer, contact IEHP to find out if you qualify for services from one of these cancer centers.

## Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask IEHP for permission before you get the care. This is called asking for pre-approval or prior authorization. It means IEHP must make sure the care is medically necessary (needed).

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services **always** need pre-approval (prior authorization), even if you get them from a provider in the IEHP network:

- Hospitalization, if not an emergency
- Services out of the IEHP service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility (including adult and pediatric Subacute Care Facilities contracted with the Department of Health Care Services Subacute Care Unit) or intermediate care facilities (including Intermediate Care Facility for the Developmentally Disabled (ICF/DD), ICF/DD-Habilitative (ICF/DD-H), ICF/DD-Nursing (ICF/DD-N))
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

Emergency ambulance services do not require pre-approval (prior authorization).

IEHP has five business days from when IEHP gets the information reasonably needed to decide (approve or deny) pre-approval (prior authorization) requests. When a pre-approval (prior authorization) request is made by a provider and IEHP finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, IEHP will make a pre-approval (prior authorization) decision in no longer than 72 hours. This means that after getting the request for pre-approval (prior authorization), IEHP will give you notice as quickly as your health condition requires and no later than 72 hours or five days after the request for services. Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

IEHP does not influence the reviewers' decision to deny or approve coverage or services in any way. If IEHP does not approve the request, IEHP will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

IEHP will contact you if IEHP needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the IEHP network or out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read "Sensitive care" later in this chapter.

For questions about pre-approval (prior authorization), call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

---

## Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked. IEHP will pay for a second opinion if you or your in-network provider asks for it, and you get the second opinion from an in-network provider. You do not need pre-approval (prior authorization) from IEHP to get a second opinion from an in-network provider. If you want to get a second opinion, we will refer you to a qualified in-network provider who

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

can give you one.

To ask for a second opinion and get help choosing a provider, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Your in-network provider can also help you get a referral for a second opinion if you want one.

If there is no provider in the IEHP network who can give you a second opinion, IEHP will pay for a second opinion from an out-of-network provider. IEHP will tell you within five business days if the provider you choose for a second opinion is approved. If you have a chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, IEHP will tell you in writing within 72 hours.

If IEHP denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

## Sensitive care

### Minor consent services

If you are under age 18, you do not need parent or guardian permission to get some health care services and you can receive them confidentially, which means your parent or guardian will not be notified or contacted if you get these services without your written permission. These services are called minor consent services.

You can get the following services at any age without your parent or guardian’s permission:

- Sexual assaults services
- Pregnancy and pregnancy related services, including abortion services
- Family planning services, such as contraception services (e.g., birth control)

If you are at **age 12 or older** in addition to the services above, you can also get the following services without your parent or guardian’s permission:

- Outpatient mental health treatment or counseling. This will depend on your maturity and ability to take part in your health care, as determined by a professional person.
- Infections, contagious, or communicable disease diagnosis and treatment, including for HIV/AIDS
- Sexually transmitted infection (STI) prevention, testing, diagnosis, and treatment for STIs like syphilis, gonorrhea, chlamydia, and herpes simplex
- Intimate partner violence services

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Substance use disorder (SUD) treatment for drug and alcohol abuse including screening, assessment, intervention, and referral services

You can get minor consent services from any Medi-Cal provider or clinic. Providers do not have to be in the IEHP network. You do not need a referral from your PCP or pre-approval (prior authorization).

If you use an out-of-network provider for services **not** related to sensitive care, then they may not be covered.

To find a Medi-Cal provider outside the IEHP Medi-Cal network for minor consent services, or to ask for transportation help to get to a provider, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

For more on contraceptive services, read “Preventive and wellness services and chronic disease management” in Chapter 4 of this handbook.

IEHP does not cover minor consent services that are specialty mental health services (SMHS) or most SUD services. The county where you live covers these services. To learn more, including how to access these services, read the “Specialty Mental Health Services (SMHS)” and “Substance Use Disorder (SUD) Treatment Services” in Chapter 4 of this handbook. To learn more, call 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

For a list of all counties’ toll-free telephone numbers for SMHS, go to:

<http://www.dhcs.ca.gov/individuals/Pages/MHPContactList.aspx>.

For a list of all counties’ toll-free telephone numbers for SUD treatment services, go to:

[https://www.dhcs.ca.gov/individuals/Pages/SUD\\_County\\_Access\\_Lines.aspx](https://www.dhcs.ca.gov/individuals/Pages/SUD_County_Access_Lines.aspx).

Minors can talk to a representative in private about their health concerns by calling the 24/7 nurse line at 1-888-244-IEHP (4347) (TTY 1-800-718-4347 or 711).

You can also ask to get private information about your medical services in a certain form or format, if available. You can have it sent to you at another location. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7 of this handbook.

### Adult sensitive care services

If you are an adult who is 18 years or older, you do not have to go to your PCP for certain sensitive or private care. You can choose any doctor or clinic for these types of care:

- Family planning and birth control. For adults 21 years and older, these services

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

include sterilization.

- Pregnancy testing and counseling and other pregnancy-related services
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing, and treatment
- Sexual assault care
- Outpatient abortion services

For sensitive care, the doctor or clinic does not have to be in the IEHP network. You can choose to go to any Medi-Cal provider for these services without a referral or pre-approval (prior authorization) from IEHP. If you got care not listed here as sensitive care from an out-of-network provider, you might have to pay for it.

If you need help finding a doctor or clinic for these services, or help getting to these services (including transportation), call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or call the 24/7 nurse line at 1-888-244-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP will not give information on your sensitive care services to your IEHP plan policyholder or primary subscriber, or to any IEHP enrollees, without your written permission. You can get private information about your medical services in a certain form or format, if available, and have it sent to you at another location. To learn more about how to request confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7 of this handbook.

## Moral objection

Some providers have a moral objection to some covered services. They have a right to **not** offer some covered services if they morally disagree with the services. These services are still available to you from another provider. If your provider has a moral objection, they will help you find another provider for the needed services. IEHP can also help you find a provider.

Some hospitals and providers do not provide one or more of these services even if they are covered by Medi-Cal:

- Family planning
- Contraceptive services, including emergency contraception
- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

To make sure you choose a provider who can give you the care you and your family needs, call the doctor, medical group, independent practice association, or clinic you

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

want. Ask if the provider can and will provide the services you need. Or call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

These services are available to you. IEHP will make sure you and your family members can use providers (doctors, hospitals, and clinics) who will give you the care you need. If you have questions or need help finding a provider, call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury, or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization). If you ask for an urgent care appointment, you will get an appointment within 48 hours. If the urgent care services you need require a pre-approval (prior authorization), you will get an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or you can call the Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 711) to learn the level of care that is best for you.

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever
- Ear pain
- Sprained muscle
- Maternity services

When you are inside IEHP's service area and need urgent care, you must get the urgent care services from an in-network provider. You do not need pre-approval (prior authorization) for urgent care from in-network providers inside IEHP's service area. If you need help finding an in-network urgent care provider, call IEHP Member Services 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) or go to [www.iehp.org](http://www.iehp.org).

If you are outside the IEHP service area, but inside the United States, you do not need pre-approval (prior authorization) to get urgent care outside the service area. Go to the

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

nearest urgent care facility.

Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need urgent mental health care or substance use disorder services, call your county mental health or substance use disorder program, or Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Call your county mental health or substance use disorder program or your IEHP Behavioral Health Plan any time, 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, go to: <http://www.dhcs.ca.gov/individuals/Pages/MHPContactList.aspx>.

If you get medicines as part of your covered urgent care visit while you are there, IEHP will cover them as part of your covered visit. If your urgent care provider gives you a prescription that you need to take to a pharmacy, Medi-Cal Rx will decide if it is covered. To learn more about Medi-Cal Rx, read “Prescription drugs covered by Medi-Cal Rx” in Chapter 4 of this handbook.

## Emergency care

For emergency care, call **911** or go to the nearest emergency room or hospital. For emergency care, you do **not** need pre-approval (prior authorization) from IEHP.

Inside the United States (including territories such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or the United States Virgin Islands), you have the right to use any hospital or other setting for emergency care.

If you are outside the United States, only emergency care requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you do not get care right away, you would place your health (or your unborn baby's health) in serious danger. This includes risking serious harm to your bodily functions, body organs, or body parts. Examples may include, but are not limited to:

- Active labor
- Broken bone
- Severe pain

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Chest pain
- Trouble breathing
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency conditions, such as severe depression or suicidal thoughts

Do **not** go to the ER for routine care or care that is not needed right away. You should get routine care from your PCP, who knows you best. You do not need to ask your PCP or IEHP before you go to the ER. However, if you are not sure if your medical condition is an emergency, call your PCP. You can also call the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 711)

If you need emergency care outside the IEHP service area, go to the nearest ER even if it is not in the IEHP network. If you go to an ER, ask them to call IEHP. You or the hospital that admitted you should call IEHP within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, IEHP will **not** cover your care.

If you need emergency transportation, call **911**.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call IEHP.

If you or someone you know is in crisis, please contact the **988** Suicide and Crisis Lifeline. **Call or text 988** or **chat online at [988lifeline.org/chat](https://www.988lifeline.org/chat)**. The **988** Suicide and Crisis Lifeline offers free and confidential support for anyone in crisis. That includes people who are in emotional distress and those who need support for a suicidal, mental health, and/or substance use crisis.

**Remember:** Do not call **911** unless you reasonably believe you have a medical emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room or hospital.

**IEHP Nurse Advice Line gives you free medical information and advice 24 hours a day, every day of the year. Call 1-888-244-IEHP (4347) (TTY 711).**

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

## Nurse Advice Line

IEHP Nurse Advice Line can give you free medical information and advice 24 hours a day, every day of the year. Call 1-888-244-IEHP (4347) (TTY 711) to:

- Talk to a nurse who will answer medical questions, give care advice, and help you decide if you should go to a provider right away
- Get help with medical conditions such as diabetes or asthma, including advice about what kind of provider may be right for your condition

The Nurse Advice Line **cannot** help with clinic appointments or medicine refills. Call your provider's office if you need help with these.

---

## Advance health care directives

An advance health care directive, or advance directive, is a legal form. You can list on the form the health care you want in case you cannot talk or make decisions later. You can also list what health care you do **not** want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at pharmacies, hospitals, law offices, and doctors' offices. You might have to pay for the form. You can also find and download a free form online. You can ask your family, PCP, or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have the right to change or cancel your advance directive at any time.

You have the right to learn about changes to advance directive laws. IEHP will tell you about changes to the state law no longer than 90 days after the change.

To learn more, you can call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Organ and tissue donation

You can help save lives by becoming an organ or tissue donor. If you are between 15 and 18 years old, you can become a donor with the written consent of your parent or guardian. You can change your mind about being an organ donor at any time. If you want to learn more about organ or tissue donation, talk to your PCP. # 4. Benefits and services

---

## What benefits and services your health plan covers

This chapter explains benefits and services covered by IEHP. Your covered services are free as long as they are medically necessary and provided by an IEHP in-network provider. You must ask IEHP for pre-approval (prior authorization) if the care is out-of-network except for certain sensitive services, emergency care, and urgent care outside of IEHP service area. Your health plan might cover medically necessary services from an out-of-network provider, but you must ask IEHP for pre-approval (prior authorization) for this.

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under the age of 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition. For more on your covered services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Members under 21 years old get extra benefits and services. To learn more, read Chapter 5, “Child and youth well care” in this handbook.

Some of the basic health benefits and services IEHP offers are listed below. Benefits and services with a star (\*) need pre-approval (prior authorization).

Definitions and descriptions of covered services are in Chapter 8, “Important numbers and words to know” in this handbook.

**Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury.**

**Medically necessary services include those services that are necessary for age-appropriate growth and development, or to attain, maintain, or regain functional capacity.**

**For members under age 21, a service is medically necessary if it is necessary to correct or improve defects and physical and mental illnesses or conditions under the Medi-Cal for Kids and Teens (also known as Early and Periodic Screening, Diagnostic and Treatment (EPSDT)) benefit. This includes care that is necessary to fix or help relieve a physical or mental illness or condition or maintain the member’s condition to keep it from getting worse.**

**Medically necessary services do not include:**

- **Treatments that are untested or still being tested**
- **Services or items not generally accepted as effective**
- **Services outside the normal course and length of treatment or services that do not have clinical guidelines**
- **Services for caregiver or provider convenience**

**IEHP coordinates with other programs to be sure you get all medically necessary services, even if those services are covered by another program and not IEHP.**

Medically necessary services include covered services that are reasonable and necessary to:

- Protect life,
- Prevent significant illness or significant disability,
- Alleviate severe pain,
- Achieve age-appropriate growth and development, or

- Attain, maintain, and regain functional capacity

For members younger than 21 years old, medically necessary services include all covered services listed above plus any other necessary health care, screening, immunizations, diagnostic services, treatment, and other measures to correct or improve defects and physical and mental illnesses and conditions, the Medi-Cal for Kids and Teens benefit requires. This benefit is known as the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefit under federal law.

Medi-Cal for Kids and Teens provides prevention, diagnostic, and treatment services for enrolled infants, children, and adolescents under 21 years old. Medi-Cal for Kids and Teens covers more services than services offered to adults. It is designed to make sure children get early detection and care to prevent or diagnose and treat health problems as soon as possible. The goal of Medi-Cal for Kids and Teens is to make sure every child gets the health care they need when they need it – the right care to the right child at the right time in the right setting.

IEHP will coordinate with other programs to make sure you get all medically necessary services, even if another program covers those services and IEHP does not. Read “Other Medi-Cal programs and services” later in this chapter.

## Medi-Cal benefits covered by IEHP

### Outpatient (ambulatory) services

#### *Adult immunizations (shots)*

You can get adult immunizations (shots) from an in-network provider without pre-approval (prior authorization) when they are a preventive service. IEHP covers immunizations (shots) recommended by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC) as preventive services, including immunizations (shots) you need when you travel.

You can also get some adult immunization (shots) services from a pharmacy through Medi-Cal Rx. To learn more about Medi-Cal Rx, read “Other Medi-Cal programs and services” later in this chapter.

#### *Allergy care*

IEHP covers allergy testing and treatment, including allergy desensitization, hypo-

### ***Chiropractic services***

IEHP covers chiropractic services, limited to the treatment of the spine by manual manipulation. Chiropractic services are limited to a maximum of two services per month, or combination of two services per month from the following services: acupuncture, audiology, occupational therapy, and speech therapy. ### ***Cognitive health assessments***

IEHP covers a yearly cognitive health assessment for members 65 years or older who do not otherwise qualify for a similar assessment as part of a yearly wellness visit under the Medicare program. A cognitive health assessment looks for signs of Alzheimer's disease or dementia.

### ***Community Health Worker (CHW) services***

IEHP covers CHW services for individuals when recommended by a doctor or other licensed practitioner to prevent disease, disability, and other health conditions or their progression; prolong life; and promote physical and mental health and efficiency. CHW services have no service location limits and members can receive services in settings, such as the emergency room. Services may include:

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

CHW violence prevention services are available to members who meet any of the following circumstances as determined by a licensed practitioner:

- The member has been violently injured as a result of community violence.
- The member is at significant risk of experiencing violent injury as a result of community violence.

CHW violence prevention services are specific to community violence (e.g., gang violence). CHW services can be provided to members for interpersonal/domestic violence through the other pathways with training/experience specific to those needs.

### ***Dialysis and hemodialysis services***

IEHP covers dialysis treatments. IEHP also covers hemodialysis (chronic dialysis) services if your doctor submits a request and IEHP approves it.

Medi-Cal coverage does not include:

- Comfort, convenience, or luxury equipment, supplies, and features

### ***Doula services***

IEHP covers doula services provided by in-network doula providers during a member's pregnancy; during labor and delivery, including stillbirth, miscarriage, and abortion; and within one year of the end of a member's pregnancy. Medi-Cal does not cover all doula services. Doula services do not include determination of medical conditions, providing medical advice, or any type of clinical assessment, exam, or procedure. The following Medi-Cal services are not part of the doula benefit:

- Behavioral health services

If a member needs or wants doula or pregnancy-related services that are **not** covered, the member or doula can request care. Call the member's PCP or IEHP Member Services.

Doula providers are birth workers who provide health education, advocacy, and physical, emotional, and non-medical support for pregnant and postpartum persons before, during, and after childbirth, including support during, stillbirth, miscarriage, and abortion.

Any pregnant or postpartum member may receive the following services from an in-network doula provider:

Members can also find more information about Doulas on IEHP's website at <https://www.iehp.org/en/learning-center/managing-my-health/pregnancy-and-postpartum>. ## Telehealth services

Telehealth is a way of getting services without being in the same physical location as your provider. Telehealth may involve having a live conversation with your provider by phone, video, or other means. Or telehealth may involve sharing information with your provider without a live conversation. You can get many services through telehealth.

Telehealth may not be available for all covered services. You can contact your provider to learn which services you can get through telehealth. It is important that you and your provider agree that using telehealth for a service is appropriate for you. You have the

right to in-person services. You are not required to use telehealth even if your provider agrees that it is appropriate for you.

## Mental health services

### *Outpatient mental health services*

IEHP covers initial mental health assessments without needing pre-approval (prior authorization). You can get a mental health assessment at any time from a licensed mental health provider in the IEHP network without a referral.

Your PCP or mental health provider might make a referral for more mental health screening to a specialist in the IEHP network to decide the level of care you need. If your screening results find you are mildly or moderately impaired due to a mental health condition, IEHP can provide mental health services for you. IEHP covers mental health services such as:

- Individual and group mental health evaluation and treatment (psychotherapy)
- Psychological testing when clinically indicated to evaluate a mental health condition
- Development of cognitive skills to improve attention, memory, and problem solving
- Outpatient services for the purposes of monitoring medicine therapy
- Outpatient laboratory services
- Outpatient medicines that are not already covered under the Medi-Cal Rx Contract Drugs List (<https://medi-calrx.dhcs.ca.gov/home/>), supplies and supplements

  - Child-parent psychotherapy (ages 0 through 5)
  - Parent child interactive therapy (ages 2 through 12)

For help finding more information on mental health services provided by IEHP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If treatment you need for a mental health disorder is not available in the IEHP network or your PCP or mental health provider cannot give the care you need in the time listed above in “Timely access to care,” IEHP will cover and help you get out-of-network services.

If your mental health screening shows that you may have a higher level of impairment and need specialty mental health services (SMHS), your PCP or your mental health provider can refer you to the county mental health plan to get the care you need. IEHP

will help you coordinate your first appointment with a county mental health plan provider to choose the right care for you. To learn more, read “Other Medi-Cal programs and services” in Chapter 4 of this handbook.

If you or someone you know is in crisis, contact the **988** Suicide and Crisis Lifeline. **Call or text 988** or **chat online at [988lifeline.org/chat](https://988lifeline.org/chat)**. The **988** Suicide and Crisis Lifeline offers free and private help. ### Emergency care services

#### *Inpatient and outpatient services needed to treat a medical emergency*

IEHP covers all services needed to treat a medical emergency that happens in the United States (including territories such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or the United States Virgin Islands. IEHP also covers emergency care that requires hospitalization in Canada or Mexico.

A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, a prudent (reasonable) layperson (not a health care professional) could expect it to result in any of the following:

- Serious risk to your health
- Serious harm to bodily functions
- Serious dysfunction of any bodily organ or part
- Serious risk in cases of a pregnant person in active labor, meaning labor at a time when either of the following would occur:
  - There is not enough time to safely transfer you to another hospital before delivery
  - The transfer might pose a threat to your health or safety or to that of your unborn child

If a hospital emergency room provider gives you up to a 72-hour supply of an outpatient prescription drug as part of your treatment, IEHP will cover the prescription drug as part of your covered emergency care. If a hospital emergency room provider gives you a prescription that you have to take to an outpatient pharmacy to be filled, Medi-Cal Rx will cover that prescription.

If you need an emergency supply of a medication from an outpatient pharmacy while traveling, Medi-Cal Rx will be responsible for covering the medication, and not IEHP. If the pharmacy needs help giving you an emergency medication supply, have them call Medi-Cal Rx at 1-800-977-2273.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](https://www.iehp.org).

### ***Emergency transportation services***

IEHP covers ambulance services to help you get to the nearest place of care in an emergency. This means your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the United States except emergency care that requires you to be in the hospital in Canada or Mexico. If you get emergency ambulance services in Canada or Mexico and you are not hospitalized during that care episode, IEHP will not cover your ambulance services.

### **Hospice and palliative care**

IEHP covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social, and spiritual discomforts. Adults age 21 years or older may not get hospice care and curative (healing) care services at the same time.

#### ***Hospice care***

Hospice care is a benefit for terminally ill members. Hospice care requires the member to have a life expectancy of six months or less. It is an intervention that focuses mainly on pain and symptom management rather than on a cure to prolong life.

Hospice care includes:

- Nursing services
- Physical, occupational, or speech services
- Medical social services
- Home health aide and homemaker services
- Medical supplies and appliances
- Some drugs and biological services (some may be available through Medi-Cal Rx)
- Counseling services
- Continuous nursing services on a 24-hour basis during periods of crisis and as necessary to maintain the terminally ill member at home:
  - Inpatient respite care for up to five consecutive days at a time in a hospital, skilled nursing facility, or hospice facility
  - Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility, or hospice facility

IEHP may require that you get hospice care from an in-network provider unless medically necessary services are not available in-network.

#### ***Palliative care***

Palliative care is patient and family-centered care that improves quality of life by

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

anticipating, preventing, and treating suffering. Palliative care is available to children and adults with a serious or life-threatening illness. It does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Palliative care includes:

- Advance care planning
- Palliative care assessment and consultation
- Plan of care including all authorized palliative and curative care
- Palliative care team including, but not limited to:
  - Doctor of medicine or osteopathy
  - Physician assistant
  - Registered nurse
  - Licensed vocational nurse or nurse practitioner
  - Social worker
  - Chaplain
- Care coordination
- Pain and symptom management
- Mental health and medical social services

Adults who are age 21 or older cannot get both curative care and hospice care at the same time. If you are getting palliative care and qualify for hospice care, you can ask to change to hospice care at any time.

## Hospitalization

### ***Anesthesiologist services***

IEHP covers medically necessary anesthesiologist services during covered hospital stays. An anesthesiologist is a provider who specializes in giving patients anesthesia. Anesthesia is a type of medicine used during some medical or dental procedures.

### ***Inpatient hospital services***

IEHP covers medically necessary inpatient hospital care when you are admitted to the hospital.

### ***Rapid Whole Genome Sequencing***

Rapid Whole Genome Sequencing (RWGS) is a covered benefit for any Medi-Cal member who is one year of age or younger and is getting inpatient hospital services in an intensive care unit. It includes individual sequencing, trio sequencing for a parent or

parents and their baby, and ultra-rapid sequencing.

RWGS is a new way to diagnose conditions in time to affect Intensive Care Unit (ICU) care of children one year of age or younger. If your child qualifies for the California Children's Services (CCS) program, CCS may cover the hospital stay and the RWGS.

### ***Surgical services***

IEHP covers medically necessary surgeries performed in a hospital.

### **Rehabilitative and habilitative (therapy) services and devices**

This benefit includes services and devices to help people with injuries, disabilities, or chronic conditions to gain or recover mental and physical skills.

IEHP covers rehabilitative and habilitative services described in this section if all of the following requirements are met:

- The services are medically necessary
- The services are to address a health condition
- The services are to help you keep, learn, or improve skills and functioning for daily living
- You get the services at an in-network facility, unless an in-network doctor finds it medically necessary for you to get the services in another place or an in-network facility is not available to treat your health condition

### ***IEHP covers these rehabilitative/habilitative services:***

#### ***Acupuncture***

IEHP covers acupuncture services to prevent, change, or relieve the perception of severe, ongoing chronic pain resulting from a generally recognized medical condition.

### ***Behavioral health treatments***

IEHP covers behavioral health treatment (BHT) services for members under 21 years old through the Medi-Cal for Kids and Teens benefit. BHT includes services and treatment programs such as applied behavior analysis and evidence-based behavior intervention programs that develop or restore, to the maximum extent practicable, the functioning of a member under 21 years old.

BHT services teach skills using behavioral observation and reinforcement or through prompting to teach each step of a targeted behavior. BHT services are based on reliable evidence. They are not experimental. Examples of BHT services include behavioral interventions, cognitive behavioral intervention packages, comprehensive behavioral treatment, and applied behavioral analysis.

BHT services must be medically necessary, prescribed by a licensed doctor or psychologist, approved by IEHP, and provided in a way that follows the approved treatment plan.

### ***Cardiac rehabilitation***

IEHP covers inpatient and outpatient cardiac rehabilitative services.

### ***Durable medical equipment (DME)***

- IEHP covers the purchase or rental of DME supplies, equipment, and other services with a prescription from a doctor, physician assistant, nurse practitioner, or clinical nurse specialist. ### ***Hearing aids***

IEHP covers hearing aids if you are tested for hearing loss, the hearing aids are medically necessary, and you have a prescription from your doctor. Coverage is limited to the lowest cost hearing aid that meets your medical needs. IEHP will cover one hearing aid unless a hearing aid for each ear is needed for better results than what you can get with one hearing aid.

Hearing aids for members under age 21:

In Riverside and San Bernardino counties, state law requires children under 21 years old who need hearing aids to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for medically necessary hearing aids if it is to treat the medical condition. If the child does not qualify for CCS, IEHP will cover medically necessary hearing aids as part of Medi-Cal coverage.

### **Transportation benefits for situations that are not emergencies**

You can get medical transportation if you have medical needs that do not allow you to use a car, bus, train, taxi, or other form of public or private transportation to get to your appointments for medical care. You can get medical transportation for covered services and Medi-Cal covered pharmacy appointments. You can request medical transportation by asking for it from your provider. This includes your doctor, dentist, podiatrist, physical therapist, speech therapist, occupational therapist, mental health or substance use disorder (SUD) provider, physician assistant, nurse practitioner, or certified nurse midwife. Your provider will decide the correct type of transportation to meet your needs.

If they find that you need medical transportation, they will prescribe it by filling out a form and submitting it to IEHP. Once approved, the approval is good for up to 12 months, depending on the medical need. Once approved, you can get as many rides as you need for your covered medical and pharmacy appointments. Your provider will need to re-assess your medical need for medical transportation and, if appropriate, re-approve your prescription for medical transportation when it expires, if you still qualify. Your doctor may re-approve the medical transportation for up to 12 months or less.

Medical transportation is transportation in an ambulance, litter van, wheelchair van, or air transport. IEHP allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, IEHP will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any

form of ground transportation impossible.

You will get medical transportation if:

- It is physically or medically needed, with a written authorization by your provider because you are not able to physically or medically able to use a car, bus, train, or other form of public or private transportation to get to your appointment.
- You need help from the driver to and from your home, vehicle, or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent (routine) appointments, call IEHP at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) **or** Call The Car at 1-855-673-3195 at least 5 business days (Monday-Friday) before your appointment. For urgent appointments, call as soon as possible. Have your IEHP member ID card ready when you call.

### **Limits of medical transportation**

IEHP provides the lowest cost medical transportation that meets your medical needs to the closest provider from your home where an appointment is available. You cannot get medical transportation if Medi-Cal does not cover the service you are getting, or it is not a Medi-Cal-covered pharmacy appointment. The list of covered services is in the “Benefits and services” section in Chapter 4 of this handbook.

If Medi-Cal covers the appointment type but not through the health plan, IEHP will not cover the medical transportation but can help you schedule your transportation with Medi-Cal. Transportation is not covered outside of the IEHP network or service area unless pre-approved (pre-authorized) by IEHP. To learn more or to ask for medical transportation, call IEHP at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) or Call The Car at 1-855-673-3195.

### **Cost to member**

There is no cost when IEHP arranges transportation.

### ***How to get non-medical transportation***

Your benefits include getting a ride to your appointments when the appointment is for a Medi-Cal covered service and you do not have any access to transportation. You can get a ride, for free, when you have tried all other ways to get transportation and are:

- Traveling to and from an appointment for a Medi-Cal service authorized by your provider, or
- Picking up prescriptions and medical supplies

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

IEHP allows you to use a car, taxi, bus, or other public or private way of getting to your medical appointment for Medi-Cal-covered services. IEHP will cover the lowest cost of non-medical transportation type that meets your needs.

Sometimes, IEHP can reimburse you (pay you back) for rides in a private vehicle that you arrange. IEHP must approve this before you get the ride. You must tell us why you cannot get a ride any other way, such as by bus. You can call, email, or tell us in person. If you have access to transportation or can drive yourself to the appointment, IEHP will not reimburse you. This benefit is only for members who do not have access to transportation.

For mileage reimbursement for an approved private vehicle ride, you must submit copies of the driver's:

- Valid driver's license,
- Valid vehicle registration, and
- Valid vehicle insurance.

To request a ride for services, call IEHP at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) or Call the Car at 1-855-673-3195 at least 5 business days (Monday-Friday) before your appointment, or as soon as you can when you have an urgent appointment. Have your IEHP member ID card ready when you call.

**Note:** American Indians may also contact their Indian Health Care Provider to request non-medical transportation.

### **Limits of non-medical transportation**

IEHP provides the lowest cost non-medical transportation that meets your needs to the closest provider from your home where an appointment is available. Members cannot drive themselves or be reimbursed directly for non-medical transportation. To learn more, call IEHP at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) or Call the Car at 1-855-673-3195.

### **Non-medical transportation does not apply if:**

- An ambulance, litter van, wheelchair van, or other form of medical transportation is medically needed to get to a Medi-Cal covered service.
- You need help from the driver to get to and from the residence, vehicle, or place of treatment due to a physical or medical condition.
- You are in a wheelchair and are unable to move in and out of the vehicle without help from the driver.
- Medi-Cal does not cover the service.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

### **Cost to member**

There is no cost when IEHP arranges non-medical transportation.

### **Travel expenses**

You need to request pre-approval (prior authorization) for these services by contacting IEHP at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) or Call The Car at 1-855-673-3195.

## Other IEHP covered benefits and programs

### Health surveys to help our Care Management Team identify your health and wellness needs

The Health Information Form (HIF) enclosed in your welcome packet is a survey to help our Care Team of nurses and social workers find areas that you may need help with to support your health and wellness goals.

For our members who are Seniors or Persons with Disabilities, you will be asked to fill out a Health Risk Assessment (HRA) survey either over the phone or by mail. The HRA is a way for our Care Team (nurses and social workers) to address your problems and concerns.

### Foster care children enrolled in the IEHP Open Access Program

#### *When can I start getting care?*

You will get your IEHP Member ID Card in the mail. Your IEHP Member ID card will say Open Access. This means that members assigned to Open Access may go to any primary care provider (PCP) in the Open Access network. To find a PCP, go to [www.iehp.org](http://www.iehp.org) or call IEHP Open Access Team at 1-800-706-4347.

#### *Changing your Doctor*

Although we suggest that you stay with a provider who is a good match with your family or guardian, Open Access members may change their PCP when needed. Members in Open Access may see any PCP in the Open Access network without having to change their PCP with IEHP.

### Long-term care services

IEHP covers, for members who qualify, long-term care services in the following types of long-term care facilities or homes:

- Skilled nursing facility services as approved by IEHP
- Subacute care facility services (including adult and pediatric) as approved by IEHP
- Intermediate care facility services as approved by IEHP, including:
  - Intermediate care facility/developmentally disabled (ICF/DD)
  - Intermediate care facility/developmentally disabled-habilitative (ICF/DD-H)
  - Intermediate care facility/developmentally disabled-nursing (ICF/DD-N)

If you qualify for long-term care services, IEHP will make sure you are placed in a health care facility or home that gives the level of care most appropriate to your medical needs.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

IEHP will work with your local Regional Center to determine if you qualify for ICF/DD, ICF/DD-H, or ICF/DD-N services.

If you have questions about long-term care services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### **Basic care management**

Getting care from many different providers or in different health systems is challenging. IEHP wants to make sure members get all medically necessary services, prescription medicines, and behavioral health services (mental health and/or substance use disorder services). IEHP can help coordinate care and manage your health needs for free. This help is available even when another program covers the services.

If you have questions or concerns about your health or the health of your child, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### **Complex Care Management (CCM)**

Members with more complex health needs may qualify for extra services focused on care coordination. IEHP offers CCM services based on member diagnosis, focusing on members who are considered high or rising risk and have two or more of the following conditions: diabetes, hypertension, and depression, with no age restriction, and may include pregnant women. While eligibility is based strictly on these diagnoses, the program also takes a whole-person approach to care. If you have social needs, mental health concerns, or other barriers that impact your ability to manage your health, these factors will be addressed as part of your care plan. IEHP will work with you and your doctor to make sure you receive the care you need. The IEHP CCM Team can help you manage your illness and medications, coordinate your care, and work with your doctors to help you access needed medical equipment and supplies. The CCM program works as an Interdisciplinary Care Team (ICT) that help you develop your personal plan of care. An ICT consists of your primary care provider (PCP), Nurse care manager, Behavioral Health care manager (when needed), and others who support your healthcare needs.

There are several ways that you can be referred into IEHP's Complex Care Management program such as:

- A Medical Management Referral (example: A nurse from IEHP's Nurse Advice Line thinks you would benefit from the program)
- A Discharge Planner Referral (example: If you are being discharged from a hospital

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

and have many complicated needs)

- A member or Caregiver Referral (example: You can call IEHP to ask for a Complex Care Manager's help)
- A Practitioner Referral (example: Your doctor can make a referral on your behalf).

If you are enrolled in CCM or Enhanced Care Management (ECM), (read below), IEHP will make sure you have an assigned care manager who can help with basic care management described above and with other transitional care supports available if you are discharged from a hospital, skilled nursing facility, psychiatric hospital, or residential treatment.

To check eligibility and to opt in to the CCM Program, you will need to complete a health survey to assess your needs. This survey will help to determine if you are eligible for the program. If you are eligible for the program and wish to opt in, you will be automatically enrolled. If you are not eligible for the CCM program but want more information on other Care Management Services available, please contact Member Services at 1-800-440-4347. After enrollment into the CCM program, you will be assigned a Primary Case Manager. The Case Manager will contact you at least once every 30 days to discuss your health goals. They will also assist you with a plan to meet those goals. To get started, call IEHP Member Services at 1-800-440-IEHP (4347), Monday-Friday, 7am-7pm, and Saturday- Sunday, 8am-5pm. TTY users should call 1-800-718-4347.

Once enrolled, you may opt out of the program at any time. To opt out, contact IEHP Member Services at 1-800-440-4347 and let them know you no longer wish to be involved with the program.

### **Enhanced Care Management (ECM)**

IEHP covers ECM services for members with highly complex needs. ECM has extra services to help you get the care you need to stay healthy. It coordinates your care from doctors and other providers. ECM helps coordinate primary and preventive care, acute care, behavioral health (mental health and/or substance use disorder services), developmental, oral health, community-based long-term services and supports (LTSS), and referrals to community resources.

If you qualify, you may be contacted about ECM services. You can also call IEHP to find out if and when you can get ECM or talk to your health care provider. They can find out if you qualify for ECM or refer you for care management services.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

### **Covered ECM services**

If you qualify for ECM, you will have your own care team with a lead care manager. They will talk to you and your doctors, specialists, pharmacists, case managers, social services providers, and others. They make sure everyone works together to get you the care you need. Your lead care manager can also help you find and apply for other services in your community. ECM includes:

- Outreach and engagement
- Comprehensive assessment and care management

### **Cost to member**

There is no cost to the member for ECM services.

Once they qualify, members have the option to opt-into ECM services. Once enrolled, the member may opt out at any time.

### **Transitional care services**

IEHP can help you manage your health care needs during transitions (changes). For example, going home after a hospital stay is a transition when a member may have new health needs for medicines and appointments. Members can get support to have a safe transition. IEHP can help you with these transitional care services:

- Scheduling a follow-up appointment
- Getting medicines
- Getting free transportation to an in-person appointment.

IEHP has a dedicated phone number that is only helping members during care transitions. IEHP also has a care manager that is only for higher risk members, including those who are pregnant or post-partum, or those admitted to or discharged from a nursing home. This care manager who members contact for help coordinating

services that may affect their health including housing and food services.

To request transitional care services, contact your IEHP representative. They will help you with programs, providers or other support in your language. Members can contact IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### Community Supports

You may qualify to get certain Community Supports services, if applicable. Community Supports are medically appropriate and cost-effective alternative services or settings to those covered under the Medi-Cal State Plan. These services are optional for members. If you qualify for and agree to receive these services, they might help you live more independently. They do not replace benefits you already get under Medi-Cal.

Community Supports may include help finding or keeping housing, or other help for you or your caregiver, such as:

- **Recuperative Care** - Also referred to as medical respite care, provides members who no longer require hospitalization but still need to heal from an injury or illness with short-term residential care.
- **Short-Term Post Hospitalization** - Provides members who do not have a residence and who have high medical or behavioral health needs with the opportunity to continue their medical/psychiatric/substance use disorder recovery immediately after exiting an inpatient hospital, residential substance use disorder treatment or recovery facility, residential mental health treatment facility, correctional facility, nursing facility, or recuperative care.
- **Housing Transition Navigation** – Provides members who have completed a housing assessment, have serious chronic conditions, and are defined as homeless by HUD with an individualized housing support plan.
- **Housing Deposits** – Provides members who are homeless, as defined by HUD, and have serious chronic conditions with support identifying, coordinating, securing, or funding one-time housing-deposit services.
- **Housing Tenancy and Sustaining** - Provides members with early identification and intervention for behaviors that may jeopardize housing.
- **Nursing Facility Transition/Diversion to Assisted Living Facilities, such as Residential Care** – Provides members with assistance in living in the community and/or avoiding institutionalization when possible.

- **Respite Services** - Provides qualified caregivers for members who require intermittent temporary supervision on a short-term basis and would otherwise be institutionalized, with services.
- **Transitional Rent** – Provides members up to six months of rental support in short-term and permanent housing. Services are for members experiencing or at risk of homelessness, and certain risk factors.
- **Sobering Centers** – Provides members who are found to be intoxicated (alcohol and/or drug related) with a safe and supportive place to become sober.

Please note that certain Community Supports services have restrictions on frequency and/or maximum cost of services

IEHP offers Transitional Rent in limited circumstances and is designed to support housing stability for eligible members. If you need help or want to find out what Community Supports might be available for you, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or call your health care provider.

### **Organ and bone marrow transplant**

#### ***Transplants for children under age 21***

State law requires children who need transplants to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, the CCS program will cover the costs for the transplant and related services.

If the child does not qualify for CCS, IEHP will refer the child to a qualified transplant center for an evaluation. If the transplant center confirms that a transplant is safe and needed for the child's medical condition, IEHP will cover the transplant and other related services.

#### ***Transplants for adults age 21 and older***

If your doctor decides you may need an organ and/or bone marrow transplant, IEHP will refer you to a qualified transplant center for an evaluation. If the transplant center confirms a transplant is needed and safe for your medical condition, IEHP will cover the transplant and other related services.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- Kidney
- Kidney/pancreas
- Liver
- Liver/small bowel
- Lung
- Small bowel

## Street medicine services

Members experiencing homelessness may receive covered services from street medicine providers within IEHP's provider network. Members experiencing homelessness may be able to select an IEHP street medicine provider to be their primary care provider (PCP), if the street medicine provider meets PCP eligibility rules and agrees to be the member's PCP. To learn more about IEHP's street medicine services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

## Other Medi-Cal programs and services

### Other services you can get through Fee-for-Service (FFS) Medi-Cal or other Medi-Cal programs

IEHP does not cover some services, but you can still get them through FFS Medi-Cal or other Medi-Cal programs. IEHP will coordinate with other programs to make sure you get all medically necessary services, including those covered by another program and not IEHP. This section lists some of these services. To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### Outpatient prescription drugs

#### *Prescription drugs covered by Medi-Cal Rx*

Prescription drugs given by a pharmacy are covered by Medi-Cal Rx, which is part of FFS Medi-Cal. IEHP might cover some drugs a provider gives in an office or clinic. If your provider prescribes drugs given in the doctor's office or infusion center, these may be considered physician-administered drugs.

If a non-pharmacy based medical health care professional administers a drug, it is

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

covered under the medical benefit. Your provider can prescribe you drugs on the Medi-Cal Rx Contract Drugs List.

Sometimes, you need a drug not on the Contract Drugs List. These drugs need approval before you can fill the prescription at the pharmacy. Medi-Cal Rx will review and decide these requests within 24 hours.

- A pharmacist at your outpatient pharmacy may give you a 14-day emergency supply if they think you need it. Medi-Cal Rx will pay for the emergency medicine an outpatient pharmacy gives.
- Medi-Cal Rx may say no to a non-emergency request. If they do, they will send you a letter to tell you why. They will tell you what your choices are. To learn more, read “Complaints” in Chapter 6 of this handbook.

To find out if a drug is on the Contract Drugs List or to get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

### **Pharmacies**

If you are filling or refilling a prescription, you must get your prescribed drugs from a pharmacy that works with Medi-Cal Rx. You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at:

<https://medi-calrx.dhcs.ca.gov/home/>

You can also find a pharmacy near you or a pharmacy that can mail your prescription to you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and pressing 7 or 711.

Once you choose a pharmacy, your provider can send a prescription to your pharmacy electronically. Your provider may also give you a written prescription to take to your pharmacy. Give the pharmacy your prescription with your Medi-Cal Benefits Identification Card (BIC). Make sure the pharmacy knows about all medicines you are taking and any allergies you have. If you have any questions about your prescription, ask the pharmacist.

Members can also get transportation services from IEHP to get to pharmacies. To learn more about transportation services, read “Transportation benefits for situations that are not emergencies” in Chapter 4 of this handbook.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

## Specialty mental health services (SMHS)

Some mental health services are provided by county mental health plans instead of IEHP. These include SMHS for Medi-Cal members who meet services rules for SMHS. SMHS may include these outpatient, residential, and inpatient services:

To find all counties' toll-free telephone numbers online, go to [dhcs.ca.gov/individuals/Pages/MHPContactList.aspx](https://dhcs.ca.gov/individuals/Pages/MHPContactList.aspx). If IEHP finds you will need services from the county mental health plan, IEHP will help you connect with the county mental health plan services.

## Substance use disorder (SUD) treatment services

IEHP encourages members who want help with alcohol use or other substance use to get care. Services for substance use are available from providers such as primary care, inpatient hospitals, emergency rooms, and substance use service providers. SUD services are provided through counties. Depending on where you live, some counties offer more treatment options and recovery services.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

To learn more about treatment options for SUD, call Riverside University Health System - Behavioral Health or San Bernardino County Department of Behavioral Health.

**San Bernardino County**

IEHP members can have an assessment to match them to the services that best fit their health needs and preferences. A member may request behavioral health services, including SUD assessments, by contacting IEHP. Members may also visit their PCP who can refer them to an SUD provider for assessment. When medically necessary, available services include outpatient treatment, and medicines for SUD (also called Medications for Addiction Treatment or MAT) such as buprenorphine, methadone, and naltrexone.

Members who are identified for SUD treatment services are referred to their county substance use disorder program for treatment. Members may be referred by their PCP or self-refer by contacting an SUD provider directly. If a member self-refers, the provider will conduct an initial screening and assessment to decide if they qualify and the level of care they need. For a list of all counties' telephone numbers go to

[https://www.dhcs.ca.gov/individuals/Pages/SUD\\_County\\_Access\\_Lines.aspx](https://www.dhcs.ca.gov/individuals/Pages/SUD_County_Access_Lines.aspx).

IEHP will provide or arrange for MAT to be given in primary care, inpatient hospital, emergency room, and other medical settings.

The county provides substance use disorder services to Medi-Cal members who qualify for these services.

Substance use disorder services provided by IEHP include:

- Alcohol and Drug Screening, Assessment, Brief Interventions, and Referral to Treatment (SABIRT)
- Inpatient medical detoxification, when medically necessary.
- Opioid Treatment Programs

Substance use disorder services provided by the County Mental Health Plans include:

- Outpatient substance use disorder services

## Dental services

FFS Medi-Cal Dental is the same as FFS Medi-Cal for your dental services. Before you get dental services, you must show your Medi-Cal BIC card to the dental provider. Make sure the provider takes FFS Dental and you are not part of a managed care plan that covers dental services.

Medi-Cal covers a broad range of dental services through Medi-Cal Dental, including:

- Diagnostic and preventive dental services such as examinations, X-rays, and teeth cleanings
- Emergency care for pain control
- Tooth extractions
- Fillings
- Root canal treatments (anterior/posterior)
- Crowns (prefabricated/laboratory)
- Scaling and root planing
- Complete and partial dentures
- Orthodontics for children who qualify
- Topical fluoride

If you have questions or want to learn more about dental services, call Medi-Cal Dental at 1-800-322-6384 (TTY 1-800-735-2922 or 711). You can also go to the Medi-Cal Dental website at <https://www.dental.dhcs.ca.gov>.

## California Children's Services (CCS)

CCS is a Medi-Cal program that treats children under 21 years of age with certain health conditions, diseases, or chronic health problems, and who meet the CCS program rules. If IEHP or your PCP believes your child has a CCS eligible condition, they will be referred to the county CCS program to check if they qualify.

County CCS staff will decide if you or your child qualifies for CCS services. IEHP does not decide CCS eligibility. If your child qualifies to get this type of care, CCS paneled providers will treat them for the CCS eligible condition. IEHP will continue to cover the types of service that do not have to do with the CCS condition such as physicals, vaccines, and well-child check-ups.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

IEHP does not cover services that the CCS program covers. For CCS to cover these services, CCS must approve the provider, services, and equipment.

CCS covers most health conditions. Examples of CCS eligible conditions include, but are not limited to:

- Congenital heart disease
- Cancers
- Tumors
- Hemophilia
- Sickle cell anemia
- Thyroid problems
- Diabetes
- Serious chronic kidney problems
- Liver disease
- Intestinal disease
- Cleft lip/palate
- Spina bifida
- Hearing loss
- Cataracts
- Cerebral palsy
- Seizures under certain circumstances
- Rheumatoid arthritis
- Muscular dystrophy
- HIV/AIDS
- Severe head, brain, or spinal cord injuries
- Severe burns
- Severely crooked teeth

If your child does not qualify for CCS program services, they will keep getting medically necessary care from IEHP.

To learn more about CCS, go to <https://www.dhcs.ca.gov/services/ccs>. Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### ***Transportation and travel expenses for CCS***

You may be able to get transportation, meals, lodging, and other costs such as parking, tolls, etc. if you or your family needs help to get to a medical appointment related to a CCS-eligible condition and there is no other available resource. Call IEHP and request pre-approval (prior authorization) before you pay out of pocket for transportation, meals, and lodging. IEHP does provide non-medical and non-emergency medical transportation as noted in Chapter 4, “Benefits and services” of this handbook.

If your transportation or travel expenses that you paid for yourself are found necessary and IEHP verifies that you tried to get transportation through IEHP, IEHP will pay you back.

### ***Home and community-based services (HCBS) outside of CCS services***

If you qualify to enroll in a 1915(c) waiver (special government program), you may be able to get home and community-based services that are not related to a CCS-eligible

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347).

condition but are necessary for you to stay in a community setting instead of an institution. For example, if you require home modifications to meet your needs in a community-based setting, IEHP cannot pay those costs as a CCS-related condition. But if you are enrolled in a 1915(c) waiver, home modifications may be covered if they are medically necessary to prevent institutionalization.

When you turn 21 years old, you transition (change) from the CCS program to adult health care. At that time, you may need to enroll in a 1915(c) waiver to keep getting services you have through CCS, such as private duty nursing.

### **1915(c) Home and Community-Based Services (HCBS) waivers**

California's six Medi-Cal 1915(c) waivers (special government programs) allow the state to provide long-term services and supports (LTSS) to persons in a community-based setting of their choice, instead of getting care in a nursing facility or hospital. Medi-Cal has an agreement with the Federal Government that allows waiver services to be offered in a private home or in a homelike community setting. The services provided under the waivers must not cost more than getting the same care in an institutional setting. HCBS Waiver recipients must qualify for full-scope Medi-Cal. Some 1915(c) waivers have limited availability across the State of California and/or may have a waitlist. The six Medi-Cal 1915(c) waivers are:

- Assisted Living Waiver (ALW)
- Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities
- HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)
- Home and Community-Based Alternatives (HCBA) Waiver
- Medi-Cal Waiver Program (MCWP), formerly called the Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome (HIV/AIDS) Waiver
- Multipurpose Senior Services Program (MSSP)

To learn more about Medi-Cal waivers, go to:

<https://www.dhcs.ca.gov/services/Pages/Medi-CalWaivers.aspx>. Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

### **In-Home Supportive Services (IHSS)**

The In-Home Supportive Services (IHSS) program provides in-home personal care assistance as an alternative to out-of-home care to qualified Medi-Cal-eligible persons, including those who are aged, blind, and/or disabled. IHSS allows recipients to stay

safely in their own homes. Your health care provider must agree that you need in-home personal care assistance and that you would be at risk of placement in out-of-home care if you did not get IHSS services. The IHSS program will also perform a needs assessment.

To learn more about IHSS available in your county, go to <https://www.cdss.ca.gov/in-home-supportive-services>. Or call your local county social services agency.

## Evaluation of new and existing technologies

IEHP is always looking for ways to take better care of our members. That is why IEHP has a process to review new technology and new uses of existing technology for medical or behavioral procedures, drugs, and devices for any added benefits.

Our Medical Directors identify new medical or behavioral procedures, treatment, drugs, and devices on a regular basis. They present research data to the IEHP Utilization Management (UM) Subcommittee or IEHP Pharmacy & Therapeutics (P&T) Subcommittee, where providers review the technology and suggest whether it can be added as a new benefit. If approved by the Utilization Management (UM) Subcommittee or Pharmacy & Therapeutics (P&T) Subcommittee, the new technology is then presented to the Quality Management & Health Equity Transformation Committee for final approval. Once approved by the Quality Management & Health Equity Transformation Committee, IEHP will add the new technology as a covered benefit for our members. To learn more about this review of new technology, please call IEHP member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

# 5. Child and youth well care

Child and youth members under 21 years old can get needed health care services as soon as they are enrolled. This makes sure they get the right preventive, dental, and mental health care, including developmental and specialty services. This chapter explains these services.

---

## Medi-Cal for Kids and Teens

Needed health care services are covered and free for members under 21 years old. The list below includes common medically necessary services to treat or care for any defects and physical or mental diagnoses. Covered services include, but are not limited to:

- Well-child visits and teen check-ups (important visits children need)
- Immunizations (shots)
- Behavioral health (mental health and/or substance use disorder) assessment and treatment
- Mental health evaluation and treatment, including individual, group, and family psychotherapy (specialty mental health services (SMHS) are covered by the county)
- Adverse childhood experiences (ACE) screening
- Enhanced Care Management (ECM) for Children and Youth Populations of Focus (POFs) (a Medi-Cal managed care plan (MCP) benefit)
- Lab tests, including blood lead poisoning screening
- Health and preventive education
- Vision services
- Dental services (covered under Medi-Cal Dental)
- Hearing services (covered by California Children's Services (CCS) for children who qualify. IEHP will cover services for children who do not qualify for CCS)
- Home Health Services, such as private duty nursing (PDN), occupational therapy, physical therapy, and medical equipment and supplies

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

These services are called Medi-Cal for Kids and Teens (also known as Early and Periodic Screening, Diagnostic and Treatment (EPSDT)) services. Additional information for members regarding Medi-Cal for Kids and Teens can be found at <https://www.dhcs.ca.gov/services/Medi-Cal-For-Kids-and-Teens/Pages/Member-Information.aspx>. Medi-Cal for Kids and Teens services that are recommended by pediatricians' Bright Futures guidelines to help you, or your child, stay healthy are covered for free. To read the Bright Futures guidelines, go to: [https://downloads.aap.org/AAP/PDF/periodicity\\_schedule.pdf](https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf).

Enhanced Care Management (ECM) is a Medi-Cal managed care plan (MCP) benefit available in all California counties to support comprehensive care management for MCP members with complex needs. Because children and youth with complex needs are often already served by one or more case managers or other service providers within a fragmented delivery system, ECM offers coordination between systems. Children and youth populations of focus eligible for this benefit include:

- Children and youth experiencing homelessness
- Children and youth at risk for avoidable hospital or emergency room utilization
- Children and youth with serious mental health and/or substance use disorder (SUD) needs
- Children and youth enrolled in California Children's Services (CCS) or CCS Whole Child Model (WCM) with additional needs beyond the CCS condition
- Children and youth involved in child welfare
- Children and youth transitioning from a youth correctional facility

Additional information on ECM can be found at <https://www.dhcs.ca.gov/CalAIM/ECM/Documents/ECM-Children-And-Youth-POFs-Spotlight.pdf>

In addition, ECM Lead Care Managers are strongly encouraged to screen ECM members for needs for Community Supports services provided by MCPs as cost-effective alternatives to traditional medical services or settings and refer to those Community Supports when eligible and available. Children and youth may benefit from many of the Community Supports services, including asthma remediation, housing navigation, medical respite, and sobering centers.

Community Supports are services provided by Medi-Cal managed care plans (MCPs) and are available to eligible Medi-Cal members regardless of whether they qualify for ECM services.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

More information on Community Supports can be found at

<https://www.dhcs.ca.gov/CalAIM/Documents/DHCS-Medi-Cal-Community-Supports-Supplemental-Fact-Sheet.pdf>

Some of the services available through Medi-Cal for Kids and Teens, such as PDN, are considered supplemental services. These are not available to Medi-Cal members age 21 and older. To keep getting these services for free, you or your child may have to enroll in a 1915(c) Home and Community-Based Services (HCBS) waiver or other long-term services and supports (LTSS) on or before turning the age of 21. If you or your child are getting supplemental services through Medi-Cal for Kids and Teens and will be turning 21 years of age soon, contact IEHP to talk about choices for continued care.

## Well-child health check-ups and preventive care

Preventive care includes regular health check-ups, screenings to help your doctor find problems early, and counseling services to detect illnesses, diseases, or medical conditions before they cause problems. Regular check-ups help you or your child's doctor look for any problems. Problems can include medical, dental, vision, hearing, mental health, and any substance (alcohol or drug) use disorders. IEHP covers check-ups to screen for problems (including blood lead level assessment) any time there is a need for them, even if it is not during your or your child's regular check-up.

Preventive care also includes immunizations (shots) you or your child need. IEHP must make sure all enrolled children are up to date with all the immunizations (shots) they need when they have their visits with their doctor. Preventive care services and screenings are available for free and without pre-approval (prior authorization).

Your child should get check-ups at these ages:

- 2-4 days after birth
- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 months
- 18 months
- 24 months
- 30 months
- Once a year from 3 to 20 years old

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

Well-child health check-ups include:

- A complete history and head-to-toe physical exam
- Age-appropriate immunizations (shots) (California follows the American Academy of Pediatrics Bright Futures schedule: [https://downloads.aap.org/AAP/PDF/periodicity\\_schedule.pdf](https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf))
- Lab tests, including blood lead poisoning screening, if age-appropriate or needed
- Health education
- Vision and hearing screening
- Oral health screening
- Behavioral health assessment

If the doctor finds a problem with your or your child's physical or mental health during a check-up or screening, you or your child might need to get further medical care. IEHP will cover that care for free, including:

- Doctor, nurse practitioner, and hospital care
- Immunizations (shots) to keep you healthy
- Physical, speech/language, and occupational therapies
- Home health services, including medical equipment, supplies, and appliances
- Treatment for vision problems, including eyeglasses
- Treatment for hearing problems, including hearing aids when they are not covered by California Children's Services (CCS)
- Behavioral Health Treatment for health conditions such as autism spectrum disorders, and other developmental disabilities
- Case management and health education
- Reconstructive surgery, which is surgery to correct or repair abnormal structures of the body caused by congenital defects, developmental abnormalities, trauma, infection, tumors, or disease to improve function or create a normal appearance

---

## Blood lead poisoning screening

All children enrolled in IEHP should get blood lead poisoning screening at 12 and 24 months of age, or between 24 and 72 months of age if they were not tested earlier. Children can get a blood lead screening if a parent or guardian requests one. Children should also be screened whenever the doctor believes a life change has put the child at risk.

## Help getting child and youth well care services

IEHP will help members under 21 years old and their families get the services they need. An IEHP care coordinator can:

- Tell you about available services
- Help find in-network providers or out-of-network providers, when needed
- Help make appointments
- Arrange medical transportation so children can get to their appointments
- Help coordinate care for services not covered by IEHP, but that may be available through Fee-for-Service (FFS) Medi-Cal, such as:
  - Treatment and rehabilitative services for mental health and substance use disorders (SUD)
  - Treatment for dental issues, including orthodontics

---

## Other services you can get through Fee-for-Service (FFS) Medi-Cal or other programs

These are some of the reasons local anesthesia cannot be used and sedation or general anesthesia might be used instead:

- Physical, behavioral, developmental, or emotional condition that blocks the patient from responding to the provider's attempts to perform treatment
- Major restorative or surgical procedures
- Uncooperative child
- Acute infection at an injection site
- Failure of a local anesthetic to control pain

## Additional preventive education referral services

If you are worried that your child is not participating and learning well at school, talk to your child's doctor, teachers, or administrators at the school. In addition to your medical benefits covered by IEHP, there are services the school must provide to help your child learn and not fall behind. Services that can be provided to help your child learn include:

- Speech and language services
- Psychological services
- Physical therapy
- Occupational therapy
- Assistive technology
- Social Work services
- Counseling services
- School nurse services
- Transportation to and from school

The California Department of Education provides and pays for these services. Together with your child's doctors and teachers, you may be able to make a custom plan that will best help your child.

# 6. Reporting and solving problems

There are two ways to report and solve problems:

- Use a **complaint (grievance)** when you have a problem or are unhappy with IEHP or a provider or with the health care or treatment you got from a provider.
- Use an **appeal** when you do not agree with IEHP's decision to change your services or to not cover them.

You have the right to file grievances and appeals with IEHP to tell us about your problem. This does not take away any of your legal rights and remedies. We will not discriminate or retaliate against you for filing a complaint with us or reporting issues. Telling us about your problem will help us improve care for all members.

You may contact IEHP first to let us know about your problem. Call us between 7am-7pm, Monday-Friday and 8am-5pm, Saturday-Sunday at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Tell us about your problem.

If your grievance or appeal is still not resolved after 30 days, or you are unhappy with the result, you can call the California Department of Managed Health Care (DMHC). Ask DMHC to review your complaint or conduct an Independent Medical Review (IMR). If your matter is urgent, such as those involving a serious threat to your health, you may call DMHC right away without first filing a grievance or appeal with IEHP. You can call DMHC for free at 1-888-466-2219 (TTY 1-877-688-9891 or 711), or go to:

<https://www.dmhc.ca.gov>.

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can also help. They can help if you have problems joining, changing, or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, 8 a.m. to 5 p.m. at 1-888-452-8609. The call is free.

You can also file a grievance with your county eligibility office about your Medi-Cal eligibility. If you are not sure who you can file your grievance with, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

To report incorrect information about your health insurance, call Medi-Cal Monday through Friday, 8 a.m. to 5 p.m. at 1-800-541-5555.

### Complaints

A complaint (grievance) is when you have a problem or are unhappy with the services you are getting from IEHP or a provider. There is no time limit to file a complaint. You can file a complaint with IEHP at any time by phone, in writing by mail, or online. Your authorized representative or provider can also file a complaint for you with your permission.

Within five calendar days of getting your complaint, IEHP will send you a letter telling you we got it. Within 30 days, we will send you another letter that tells you how we resolved your problem. If you call IEHP about a grievance that is not about health care coverage, medical necessity, or experimental or investigational treatment, and your grievance is resolved by the end of the next business day, you may not get a letter.

If you have an urgent matter involving a serious health concern, we will start an expedited (fast) review. We will give you a decision within 72 hours. To ask for an expedited review, call us at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-

You may contact DMHC directly for any reason, including if you believe your concern qualifies for expedited review, IEHP does not respond to you within the 72-hour period, or if you are unhappy with IEHP's decision.

Complaints related to Medi-Cal Rx pharmacy benefits are not subject to the IEHP grievance process or eligible for Independent Medical Review with the Department of Managed Health Care (DMHC). Members can submit complaints about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273) and pressing 7 or 711. Or go to <https://medi-calrx.dhcs.ca.gov/home/>.

Complaints related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for review through the IEHP grievance and appeal process and an Independent Medical Review with DMHC. DMHC's toll-free telephone number is 1-888-466-2219 (TTY 1-877-688-9891). You can find the Independent Medical Review/Complaint form and instructions online at <https://www.dmhc.ca.gov/>.

## Appeals

An appeal is different from a complaint. An appeal is a request for IEHP to review and change a decision we made about your services. If we sent you a Notice of Action (NOA) letter telling you that we are denying, delaying, changing, or ending a service, and you do not agree with our decision, you can ask us for an appeal. Your authorized representative or provider can also ask us for an appeal for you with your written permission.

You must ask for an appeal within 60 days from the date on the NOA you got from IEHP. If we decided to reduce, suspend, or stop a service you are getting now, you can continue getting that service while you wait for your appeal to be decided. This is called Aid Paid Pending. To get Aid Paid Pending, you must ask us for an appeal within 10 days from the date on the NOA or before the date we said your service will stop, whichever is later. When you request an appeal under these circumstances, your service

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

will continue while you wait for your appeal decision.

You can file an appeal by phone, in writing by mail, or online:

- **By phone:** Call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) between Monday-Friday 7am-7pm, Saturday-Sunday 8am-5pm. Give your name, health plan ID number, and the service you are appealing.
- **By mail:** Call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711) and ask to have a form sent to you. When you get the form, fill it out. Be sure to include your name, health plan ID number, and the service you are appealing.

Mail the form to:

**IEHP ATTN: Grievance and Appeals Department**

P.O. Box 1800

Rancho Cucamonga, CA 91729-1800

Your doctor's office will have appeal forms available.

- **Online:** Visit the IEHP website. Go to [www.iehp.org](http://www.iehp.org).

If you need help asking for an appeal or with Aid Paid Pending, we can help you. We can give you free language services. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Within five days of getting your appeal, IEHP will send you a letter telling you we got it. Within 30 days, we will tell you our appeal decision and send you a Notice of Appeal Resolution (NAR) letter. If we do not give you our appeal decision within 30 days, you can request a State Hearing from the California Department of Social Services (CDSS) and an Independent Medical Review (IMR) with the Department of Managed Health Care (DMHC).

But if you ask for a State Hearing first, and the hearing to address your specific issues has already happened, you cannot ask for an IMR with DMHC on the same issues. In this case, the State Hearing has the final say. But you may still file a complaint with DMHC if your issues do not qualify for an IMR, even if the State Hearing has already happened.

If you or your doctor wants us to make a fast decision because the time it takes to decide your appeal would put your life, health, or ability to function in danger, you can ask for an expedited (fast) review. To ask for an expedited review, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). We will decide within 72 hours of receiving your appeal. If there is an urgent health care concern, such as

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347).

those involving a serious threat to your health, you do not need to file an appeal with IEHP before filing a complaint with DMHC.

---

## What to do if you do not agree with an appeal decision

If you requested an appeal and got a NAR letter telling you we did not change our decision, or you never got a NAR letter and it has been past 30 days, you can:

- Ask for a **State Hearing** from the California Department of Social Services (CDSS) and a judge will review your case. CDSS' toll-free telephone number is 1-800-743-8525 (TTY 1-800-952-8349). You can also ask for a State Hearing online at <https://www.cdss.ca.gov>. More ways of asking for a State Hearing can be found in "State hearings" later in this chapter.
- File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have IEHP's decision reviewed. If your complaint qualifies for DMHC's Independent Medical Review (IMR) process, an outside doctor who is not part of IEHP will review your case and make a decision that IEHP must follow.

DMHC's toll-free telephone number is 1-888-466-2219 (TTY 1-877-688-9891). You can find the IMR/Complaint form and instructions online at <https://www.dmhc.ca.gov>.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first and the hearing to address your specific issues has already happened, you cannot ask for an IMR with DMHC on the same issues. In this case, the State Hearing has the final say. But you may still file a complaint with DMHC if the issues do not qualify for IMR, even if the State Hearing has already happened.

The sections below have more information on how to ask for a State Hearing and an IMR.

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by IEHP. To submit complaints and appeals about Medi-Cal Rx pharmacy benefits, call 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review (IMR) with DMHC.

If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing. You cannot ask DMHC for an IMR for Medi-Cal Rx pharmacy benefit decisions.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

## Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care (DMHC)

An IMR is when an outside doctor who is not related to IEHP reviews your case. If you want an IMR, you must first file an appeal with IEHP for non-urgent concerns. If you do not hear from IEHP within 30 calendar days, or if you are unhappy with IEHP's decision, then you may request an IMR. You must ask for an IMR within six months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing. So, if you want an IMR and a State hearing, file your complaint as soon as you can.

Remember, if you ask for a State Hearing first, and the hearing to address your specific issues has already happened, you cannot ask for an IMR with DMHC on the same issues. In this case, the State Hearing has the final say. But you may still file a complaint with DMHC if the issues do not qualify for IMR, even if the State Hearing has already happened.

You may be able to get an IMR right away without first filing an appeal with IEHP. This is in cases where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure IEHP made the correct decision when you appealed its denial of services.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at IEHP Member Services at **1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent

medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website [www.dmhc.ca.gov](http://www.dmhc.ca.gov) has complaint forms, IMR application forms and instructions online.

### State Hearings

A State Hearing is a meeting with IEHP and a judge from the California Department of Social Services (CDSS). The judge will help to resolve your problem and decide whether IEHP made the correct decision or not. You have the right to ask for a State Hearing if you already asked for an appeal with IEHP and you are still not happy with our decision, or if you did not get a decision on your appeal after 30 days.

You must ask for a State Hearing within 120 days from the date on our NAR letter. If we gave you Aid Paid Pending during your appeal and you want it to continue until there is a decision on your State Hearing, you must ask for a State Hearing within 10 days of our NAR letter or before the date we said your services will stop, whichever is later.

If you need help making sure Aid Paid Pending will continue until there is a final decision on your State Hearing, contact IEHP between 7am-7pm Monday-Friday, Saturday-Sunday 8am-5pm by calling 1-800-440-IEHP (4347). If you cannot hear or speak well, call 1-800-718-4347. Your authorized representative or provider can ask for a State Hearing for you with your written permission.

Sometimes you can ask for a State Hearing without completing our appeal process.

For example, if IEHP did not notify you correctly or on time about your services, you can request a State Hearing without having to complete our appeal process. This is called Deemed Exhaustion. Here are some examples of Deemed Exhaustion:

- We did not make an NOA or NAR letter available to you in your preferred language
- We made a mistake that affects any of your rights
- We did not give you an NOA letter
- We did not give you an NAR letter
- We made a mistake in our NAR letter
- We did not decide your appeal within 30 days
- We decided your case was urgent but did not respond to your appeal within 72 hours

You can ask for a State Hearing in these ways:

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

- **By phone:** Call CDSS' State Hearings Division at 1-800-743-8525 (TTY 1-800-952-8349 or 711)
- **By mail:** Fill out the form provided with your appeals resolution notice and mail it to:  
  
California Department of Social Services  
State Hearings Division  
744 P Street, MS 9-17-433  
Sacramento, CA 95814
- **Online:** Request a hearing online at [www.cdss.ca.gov](http://www.cdss.ca.gov)
- **By email:** Fill out the form that came with your appeals resolution notice and email it to [Scopeofbenefits@dss.ca.gov](mailto:Scopeofbenefits@dss.ca.gov)
  - Note: If you send it by email, there is a risk that someone other than the State Hearings Division could intercept your email. Consider using a more secure method to send your request.
- **By Fax:** Fill out the form that came with your appeals resolution notice and fax it to the State Hearings Division toll free at 1-833-281-0903

If you need help asking for a State Hearing, we can help you. We can give you free language services. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

At the hearing, you will tell the judge why you disagree with IEHP's decision. IEHP will tell the judge how we made our decision. It could take up to 90 days for the judge to decide your case. IEHP must follow what the judge decides.

If you want CDSS to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you, your authorized representative, or your provider can contact CDSS and ask for an expedited (fast) State Hearing. CDSS must make a decision no later than three business days after it gets your complete case file from IEHP.

If we don't make the changes you ask, you may ask that we review our decision. You may also send a statement saying why you disagree with our records and your statement will be kept with your records.

program. Other federal and state laws may apply too.

## Notice about Medi-Cal as a payer of last resort, other health coverage (OHC), and tort recovery

The Medi-Cal program follows state and federal laws and regulations relating to the legal liability of third parties for health care services to members. IEHP will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. Medi-Cal members with OHC must use their OHC for covered services before using their Medi-Cal benefits. As a condition of Medi-Cal eligibility, you must apply for or retain any available OHC when it is available at no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. You may have to repay DHCS for any benefits paid by mistake if you do not report OHC timely. Submit your OHC online at <http://dhcs.ca.gov/OHC>.

If you do not have access to the internet, you can report OHC to IEHP by calling IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or you can call DHCS' OHC Processing Center at 1-800-541-5555 (TTY 1-800-430-7077 or 711) or 1-916-636-1980.

The following is a partial list of insurance that is **not** considered to be OHC:

- Personal injury and/or medical payment coverage under automobile insurance.  
Note: Read about notification requirements for the personal injury and workers' compensation programs below.
- Life insurance
- Workers' compensation
- Homeowner's insurance
- Umbrella insurance
- Accident insurance
- Income replacement insurance (for example, Aflac)

DHCS has the right and responsibility to be paid back for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first for your health care or pay back Medi-Cal if Medi-Cal paid for the services.

Call Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at [www.iehp.org](http://www.iehp.org).

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online to:

- Personal Injury program at <https://dhcs.ca.gov/PIForms>
- Workers' Compensation Recovery program at <https://dhcs.ca.gov/WC>

To learn more, go to the DHCS Third Party Liability and Recovery Division website at <https://dhcs.ca.gov/tplrd> or call 1-916-445-9891.

---

### Notice about estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55<sup>th</sup> birthday. Repayment includes Fee-for-Service and managed care premiums or capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

To learn more, go to the DHCS Estate Recovery program website at <https://dhcs.ca.gov/er> or call 1-916-650-0590.

### Notice of Action

IEHP will send you a Notice of Action (NOA) letter any time IEHP denies, delays, terminates, or modifies a request for health care services. If you disagree with IEHP's decision, you can always file an appeal with IEHP. Go to the "Appeals" section in Chapter 6 of this handbook for important information on filing your appeal.
