Medi-Cal HEDIS® Performance Summary

Performance Summary Keys:

↓	Indicates a decrease in the percentile ranking as compared to the previous measurement year. Each arrow down reflects a level of change in the percentile ranking. (e.g. a measure that went from the 75th percentile to the 50th percentile will display one down arrow)
↑	Indicates an increase in the percentile ranking as compared to the previous measurement year. Each arrow up reflects a level of change in the percentile ranking. (e.g. a measure that went from the 25th percentile to the 75th percentile will display two up arrows)
↔	Indicates no change in the percentile ranking as compared to the previous measurement year.

Plan Rating	National Percentile Range
1	≤10 th percentile
2	>10 th and ≤33 rd percentile
3	>33 rd and ≤66 th percentile
4	>66 th and ≤90 th percentile
5	>90 th percentile
